(containing information as at November 11, 2025)

**For the Annual General Meeting
to be held on Tuesday, December 23, 2025**

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the Management of Prince Silver (the “Company”), for use at the annual general meeting (the “Meeting”), of the shareholders of the Company, to be held on Tuesday, December 23, 2025 at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY ARE DIRECTORS AND/OR OFFICERS OF THE COMPANY. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM OR HER ON HIS OR HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY’S REGISTRAR AND TRANSFER AGENT, ODYSSEY TRUST COMPANY, SUITE 702, 67 YONGE STREET, TORONTO, ONTARIO M5E 1J8, BY 11:00 A.M. (PACIFIC STANDARD TIME) ON TUESDAY DECEMBER 19, 2025, OR IN THE EVENT OF AN ADJOURNMENT, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE ADJOURNED MEETING.

The instrument of proxy must be signed by the shareholder or by their attorney in writing, or, if the shareholder is a Company, it must either be under its common seal or signed by a duly authorized officer.

A shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the shareholder or by their attorney authorized in writing, or, if the shareholder is a corporation, the revocation instrument must either be under its common seal, or signed by a duly authorized officer and deposited at the Company’s Registrar and Transfer Agent, Odyssey Trust Company, Suite 702, 67 Yonge Street, Toronto, Ontario M5E 1J8, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxy holder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The instrument of proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware of any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution (a “**Special Resolution**”), in which case a majority of not less than 66⅔% of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder’s name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs.

This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) from our Transfer Agent, Odyssey Trust Company. (“**Odyssey**”). These VIFs are to be completed and returned to Odyssey in the envelope provided or by facsimile. In addition, Odyssey provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

With respect to Beneficial Shareholders who are OBOs, regulatory rules require intermediaries/brokers to seek voting instructions in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders who are OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder who is an OBO by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

These security holder materials are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the Provisions of NI 54-101, the Company has elected not to pay for mailing to OBO's. As a result, OBO's will only receive paper copies of proxy-related materials if the OBO's intermediary assumes the costs of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Company consists of an unlimited number of common shares. On November 11, 2025 (the "**Record Date**"), 51,641,190 common shares were issued and outstanding, each share carrying the right to one vote. The Company has no other classes of voting shares.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the knowledge of the Directors and Senior Officers of the Company, as of the Record Date except as disclosed below no person beneficially owns, or controls or directs, directly or indirectly, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company:

Name of Shareholder	Number of Common Shares	Percentage of Issued and Outstanding Common Shares
Stampede Metals Limited	15,000,000 ⁽¹⁾	29%

Notes:

(1) Robert Wrixon, a director of the Company is a director of Stampede Metals Limited (“**Stampede**”). Pursuant to a voting agreement entered into between the Company and Stampede, Stampede must abstain from voting the common shares held by it, other than in respect of a vote involving a change of control of the Company. Stampede also holds 8,500,000 contingent value rights convertible into up to 8,500,000 common shares of the Company upon the achievement of certain milestones.

The information above with respect to the number of shares of the Company currently held by Stampede was obtained by management through Stampede’s public filings available at www.sedi.ca.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company’s Board of Directors is responsible for adopting appropriate procedures with respect to the compensation of the Company’s executive officers. The Board of Directors aims to ensure that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company’s compensation philosophy.

The Board of Directors is also responsible for recommending compensation for the directors and granting stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Company’s stock option plan (the “**Stock Option Plan**”). If the proposal to be made at the Meeting to adopt the new equity incentive Compensation Plan is approved by shareholders and the Stock Option Plan is replaced by the Compensation Plan, Board of Directors, or the Compensation Committee, if one is formed, will responsible for recommending compensation for the directors and granting stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Compensation Plan. See discussion below under the heading “*Particulars of Matters to Be acted Upon – Approval of the Compensation Plan*”.

The philosophy of the Company in determining compensation is that the compensation should (i) reflect the Company’s current state of development, (ii) reflect the Company’s performance, (iii) reflect individual performance, (iv) align the interests of executives with those of the shareholders, (v) assist the Company in retaining key individuals, and (vi) reflect the Company’s overall financial status.

Compensation Components

The compensation of the NEOs has been comprised primarily of (i) base salary; (ii) long-term incentive in the form of stock options granted in accordance with the Stock Option Plan; and (iii) the Board of Directors, or if applicable the Compensation Committee, if one is formed may also set, throughout the year, discretionary bonuses as well as bonuses contemplated under each NEOs employment contract. It is anticipated that if the Compensation Plan is approved, long term incentive will also include the grant of deferred share units, performance share units, restricted share units, stock appreciation rights and stock purchase rights. See discussion below under the heading “*Particulars of Matters to Be acted Upon – Approval of the Compensation Plan*”.

In establishing levels of compensation the Board of Directors relies on the experience of its members as officers and directors of other reporting issuers in assessing compensation levels taking into account the stage of development of the Company, the size of the Company’s assets, available capital, revenues, as well as the particular officer’s level of responsibility, duties, amount of time dedicated to the affairs of the Company and contribution to the Company’s long term success. These other companies are identified as follows:

Name of Director	Name of Reporting Issuer
Ralph Shearing	Goldgroup Mining Inc.
Neil MacRae	Mawson Finland Limited
Darrell Rader	Minaurum Gold Inc.
Robert Wrixon	Nordic Resources Ltd Pivotal Metals Ltd Emmerson Plc

The purpose of this process is to:

Section 1 understand the competitiveness of current pay levels for each executive position relative to other reporting issuers;

Section 2 identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and

Section 3 establish a basis for developing salary adjustments and short-term and long-term incentive awards.

To date, no specific formulas have been developed to assign a specific weighting to each of these components. Instead, the independent directors consider the Company’s performance and determine compensation based on this assessment.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company’s compensation policies. Risk management is a consideration of Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company’s compensation policies result in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Company.

Base Salary

The Board of Directors, or if applicable the Compensation Committee, if one is formed approves the salary ranges for the NEOs. The review for each NEO is based on assessment of factors such as current competitive market conditions and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. The Board of Directors, or if applicable the Compensation Committee, if one is formed, using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, performs an annual assessment of the compensation of all executive and employee compensation levels (see disclosure below under “*Summary Compensation Table – Narrative Discussion*”).

Use of Financial Instruments

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, management is not aware of any NEO or director purchasing such an instrument.

Option Based Awards

To date, the Stock Option Plan has been used to attract, retain and incentivize qualified and experienced personnel. The Stock Option Plan has been an important part of the Company’s long-term incentive strategy for its NEOs, as well as for its other directors, officers, other management, employees and consultants (collectively, “**eligible persons**”), aligning their interests with those of shareholders and permitting them to participate in any appreciation of

the market value of the Company's common shares over a stated period of time. It is anticipated that if the Compensation Plan is approved, long term incentive will include the grant of Restricted Stock Units in addition to Stock Options. See discussion below under the heading "*Particulars of Matters to Be acted Upon – Approval of Omnibus Equity Compensation Plan*". The Compensation Plan is designed to foster a proprietary interest in stock ownership, and to reinforce a commitment to the Company's long-term growth, performance and success as well as increasing shareholder value.

The Board of Directors, or if applicable the Compensation Committee, if one is formed, reviews the grant of stock options to NEOs and other eligible persons from time to time, based on various factors such as their level of responsibility and their role and importance in the Company achieving its corporate goals, objectives and prospects, and increasing shareholder value. Previous grants of options are taken into account when considering new grants of stock options to NEOs.

Under the existing Stock Option Plan, the Company can issue up to 10% of the issued and outstanding Shares as incentive stock options to directors, officers, employees and consultants to the Company. The Stock Option Plan limits the number of stock options which may be granted to any one individual to not more than 5% of the total outstanding Shares of the Company in any 12-month period, unless the Company has obtained disinterested shareholder approval to exceed such limit. The number of options granted to any one consultant or a person employed to provide investor relations activities in any 12-month period must not exceed 2% of the total outstanding Shares of the Company. Unless the Company has received disinterested shareholder approval to do so, the number of Options granted to any insiders must not exceed 10% of the total outstanding Shares of the Company and the aggregate number of Options granted to any insiders in any 12-month period under the Stock Option Plan or any other share compensation arrangement must not exceed 10% of the total outstanding Shares of the Company. The number of Shares issued to any person within a 12-month period pursuant to the exercise of options granted under the Stock Option Plan and any other share compensation arrangement shall not exceed 5% of the outstanding Shares at the time of the exercise. As well, stock options granted under the Stock Option Plan may be subject to vesting provisions as determined by the Board.

The Exercise Price per Share under each option has been determined by the Board of Directors of the Company, in their sole discretion, expressed in terms of money, provided that if the Company is a reporting issuer in any Province of Canada such price may not be less than the greater of: (a) the fair market value of such shares at the time of grant, as determined by the directors of the Company, in their sole discretion; and (b) the lowest price permitted under the applicable rules and regulations of all regulatory authorities to which the Company is subject, including the Exchange.

Each currently outstanding option will expire on the earlier of:

- (1) the date determined by the directors of the Company and specified in the option agreement pursuant to which such option is granted, provided that such date may not be later than the earlier of: (i) the date which is the tenth anniversary of the date on which such option is granted; and (ii) the latest date permitted under the applicable rules and regulations of all regulatory authorities to which the Company is subject, including the Exchange;
- (2) in the event the holder of the option (the "**optionholder**") ceases to be an Eligible Person for any reason, other than the death of the optionholder or the termination of the optionholder for cause, such period of time after the date on which the optionholder ceases to be an Eligible Person as may be specified by the directors of the Company or as specified in an agreement among the optionholder and the Company, and in the absence of such specification or agreement, will be deemed to be the date that is three months following the optionholder ceasing to be an Eligible Person;
- (3) in the event of the termination of the optionholder as a director, officer, employee or consultant of the Company or an affiliate for cause, the date of such termination;
- (4) in the event of the death of an optionholder prior to: (A) the optionholder ceasing to be an Eligible Person; or (B) the date which is the number of days specified by the directors of the Company pursuant to subparagraph (b) above from the date on which the optionholder ceased to be an Eligible Person; the date which is one year after the date of death of such optionholder or such other date as

may be specified by the directors of the Company and which period will be specified in the option agreement with the optionholder with respect to such option; and

- (5) notwithstanding the foregoing provisions of subparagraphs (b), (c) and (d), the directors of the Company may, subject to regulatory approval, at any time prior to expiry of an option extend the period of time within which an option may be exercised by a optionholder who has ceased to be an Eligible Person, but such an extension shall not be granted beyond the original expiry date of the option as provided for in subparagraph (a) above.

Notwithstanding the foregoing, except as expressly permitted by the directors of the Company, all options will cease to vest as at the date upon which the optionholder ceases to be an Eligible Person.

A change in the status, office, position or duties of a optionholder from the status, office, position or duties held by such optionholder on the date on which the option was granted to such optionholder will not result in the termination of the option granted to such optionholder provided that such optionholder remains a director, officer, employee or consultant of the Company or an affiliate.

Each option agreement provides that the option granted thereunder is not transferable or assignable and may be exercised only by the optionholder or, in the event of the death of the optionholder or the appointment of a committee or duly appointed attorney of the optionholder or of the estate of the optionholder on the grounds that the optionholder is incapable, by reason of physical or mental infirmity, of managing their affairs, the optionholder's legal representative or such committee or attorney, as the case may be.

It is anticipated that if the Compensation Plan is approved, long term incentive will include the grant of deferred share units, performance share units, restricted share units, stock appreciation rights and stock purchase rights in addition to Stock Options. See discussion below under the heading “Particulars of Matters to Be acted Upon – Approval of the Compensation Plan”

(1) Grant date fair value calculations are based on the Black-Scholes Option Pricing Model, which was selected as it provides one measure of the theoretical fair value of stock options. Changes in the underlying assumptions can materially affect the fair value estimates and therefore,

in management’s opinion, existing models do not necessarily provide a single reliable measure of the fair value of the Company’s share and option-based awards.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Approval of the Compensation Plan

Shareholders of the Company previously approved the adoption of the Stock Option Plan at the annual and special meeting held on September 7, 2023. At the Meeting, shareholders will be asked to approve the adoption of the new omnibus equity incentive plan (the "**Compensation Plan**"). The Compensation Plan was approved by the Board effective November 25, 2025, and is subject to the receipt of shareholder approval, and will be made effective upon receipt of all shareholder and regulatory approvals (the "**Effective Date**") at which time it will replace the Option Plan. All of the stock options currently outstanding under the Option Plan (the "**Outstanding Options**") will remain outstanding and in full force and effect in accordance with their terms after the Effective Date. However, following the Effective Date, no additional grants shall be made pursuant to the Option Plan and the Option Plan will terminate on the date upon which no Outstanding Options remain outstanding.

The Compensation Plan allows for the issuance of incentive stock options, deferred share units, performance share units, restricted share units, stock appreciation rights ("**SARs**"), and stock purchase rights ("**SP Rights**", and collectively, "**Awards**"). Pursuant to the Compensation Plan, a maximum of 20% of the issued shares of the Company,

from time to time, may be reserved for issuance pursuant to the exercise of all Awards granted thereunder. Material terms of the Compensation Plan are set out below.

The purpose of the Compensation Plan is to attract and retain directors, officers, employees and consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to receive or acquire an equity interest in the Company through Awards granted under the Compensation Plan.

Material Terms of the Compensation Plan

The Compensation Plan is a 20% “rolling” equity incentive plan pursuant to which the maximum number of common shares of the Company reserved for issuance, together with all of the Company’s other previously established or proposed equity incentive plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of common shares, shall not result in the number of common shares reserved for issuance pursuant to Awards exceeding 20% of the issued and outstanding common shares as at the date of grant of any Award. Pursuant to the terms of the Compensation Plan, in addition to the ability to award stock options (“**Options**”) to acquire common shares of the Company to Participants (as defined below), the Company has the availability to award restricted share units (“**RSUs**”), deferred share units (“**DSUs**”), and performance share units (“**PSUs**”). Pursuant to the Compensation Plan, the Company may grant SP Rights, meaning the Company may provide financial assistance (which cannot involve lending funds to a Participant for the purposes of acquiring securities of the Company, whether from treasury or otherwise), or a Participant may be allowed to purchase securities of the Company (which may be at a discount to fair market value), or a Participant may be entitled to receive additional securities of the Company upon subscribing for a pre-established number of securities of the Company, which securities may be issued from the treasury or purchased on the secondary market. The Company may also grant SARs pursuant to the Compensation Plan whereby Participants will have the right to receive common shares, a cash payment, or any combination thereof, as determined by the Board, based wholly or in part on appreciation in the trading price of the Company’s common shares. A copy of the Compensation Plan is attached as a Schedule “C” hereto, and shareholders are encouraged to review the Compensation Plan in its entirety. The final form of the Compensation Plan is subject to compliance with the policies of the Canadian Securities Exchange (the “**CSE**”). The summary of the Compensation Plan is qualified in its entirety to the full copy of the Compensation Plan attached as a Schedule “C” hereto.

The Compensation Plan provides that:

1. All employees, officers, directors, consultants, management company employees, consultant companies and eligible charitable organizations (collectively, the “**Participants**”) are eligible to participate under the Compensation Plan. Eligibility to participate does not confer any person any right to receive any grant of an Award pursuant to the Compensation Plan. The extent to which any person is entitled to receive a grant of an Award pursuant to the Compensation Plan will be determined in the sole and absolute discretion of the Board. Notwithstanding the foregoing, investor relations service providers and eligible charitable organizations may only be granted Options under the Compensation Plan.
2. Awards of Options, RSUs, PSUs, DSUs, SARs, and SP Rights may be made under the Compensation Plan. All Awards are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined in the sole and absolute discretion of the Board, subject to such limitations provided in the Compensation Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations of the Compensation Plan and in accordance with applicable law or the policies of the CSE, the Board may accelerate or defer the vesting or payment of Awards, cancel or modify outstanding Awards, and waive any condition imposed with respect to Awards or common shares issued pursuant to Awards.
3. No Awards granted under the Compensation Plan or any right thereunder or in respect thereof shall be transferable or assignable (other than upon the death of the Participant).
4. The maximum number of common shares issuable under the Compensation Plan shall not exceed 20% of the number of common shares of the Company issued and outstanding as of each Award date, inclusive of all common shares reserved for issuance pursuant to previously granted Awards.

5. Awards will vest as the Board may determine, subject to the policies of the CSE and the provisions of the Compensation Plan, such as the 12-month probation of vesting for Awards other than Options and the requirement that Options granted to investor relations service providers must vest in stages over a period of not less than 12 months, such that no more than 25% vest any sooner than three months after the date of grant and not more than 25% vest any sooner than every three months thereafter.
6. If a change of control shall be deemed to be imminent, or to have occurred, there shall be immediate full vesting of each outstanding Option; provided, however, no acceleration to the vesting schedule of an Option granted to a Participant performing investor relations services may be made without compliance with the policies of the CSE. Unless otherwise determined by the Board, or unless otherwise provided in a Participant's service agreement or award agreement, if a change of control shall conclusively be deemed to be imminent, or to have occurred, then the Board shall have the discretion, without the prior approval of the Participants, to, among other things, determine that there will be immediate full vesting of each outstanding Award (other than Options) granted, which may be exercised or settled, in whole or in part, even if such Award is not otherwise exercisable or vested by its terms.
7. The exercise price of any Options will be determined by the Board in accordance with the terms of the Compensation Plan and cannot be less than the greater of: (i) \$0.05; and (ii) the minimum price established by the CSE. Subject to approval from the Board and the common shares being traded on the CSE, a brokerage firm may be engaged to loan money to the Participant in order for the Participant to exercise the Options to acquire the common shares, subsequent to which the brokerage firm shall sell a sufficient number of common shares to cover the exercise price of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of common shares from the exercise of the Options, and the Participant shall receive the balance of the common shares or cash proceeds from the balance of such common shares. Subject to approval from the Board and the common shares being traded on the CSE, consideration may also be paid by reducing the number of common shares otherwise issuable under the Options, in lieu of a cash payment to the Company, a Participant, excluding those providing investor relations services, only receives the number of common shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the common shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the common shares.
8. The term of any Options will be fixed by the Board at the time such Options are granted, provided that Options will not be permitted to exceed a term of ten years, subject to extension where the expiry date falls within a blackout period in certain cases.
9. No more than (i) 5% of the issued common shares may be granted under Awards to any one individual in any 12-month period, unless shareholder approval is obtained; and (ii) 2% of the issued common shares may be granted under Awards to a consultant, or an employee performing investor relations activities, in any 12-month period.
10. Subject to the discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the common shares, a Participant may be credited with additional RSUs, DSUs or PSUs.
11. Unless disinterested shareholder approval is obtained, the maximum number of common shares that may be issued to insiders (as a group) under the Compensation Plan within a 12-month period, may not exceed 20% of the issued common shares calculated on the date of grant, and the maximum number of common shares that may be issued to insiders (as a group) under the Compensation Plan may not exceed 20% of the issued common shares at any time.
12. All security-based compensation granted or issued to any Participant who is a director, officer, employee, consultant or management company employee must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under the Compensation Plan. If a Participant ceases to be employed or engaged by the Company for cause, no Options will be exercisable following the date of on which such Participant ceased to be so employed or engaged, unless otherwise

determined by the Board and subject to the terms of the Compensation Plan. In the event of the retirement or termination of a Participant during the restricted period (as defined in the Compensation Plan), any RSUs held by the Participant shall immediately terminate, subject to the discretion of the Board to modify the RSUs to provide that the restricted period shall terminate immediately prior to the date of such occurrence. In the event of the retirement or termination of a Participant following the restricted period (as defined in the Compensation Plan) and before the deferred payment date (as defined in the Compensation Plan), the Participant shall be entitled to receive common shares or cash, as determined by the Board, in satisfaction of the RSUs then held. If a Participant ceases to be an employee or a director during the performance period (as defined in the Compensation Plan) because of retirement or termination, all PSUs previously awarded to the Participant shall be forfeited, subject to the discretion of the Board to modify the PSUs to provide that the performance period would end at the calendar quarter immediately prior to the date of such occurrence.

13. Awards will be reclassified or amended as determined by the Board in the event of any declaration of stock dividends, consolidation, subdivision, conversion or exchange of the Company's common shares, subject to compliance with the policies of the CSE.
14. The Compensation Plan will be administered by the Board or a Board committee that may be designated from time to time.

Shareholder Approval of the Compensation Plan

The CSE requires listed companies that have a rolling security-based compensation plan like the Compensation Plan to receive shareholder approval to such plan when adopted, and on every three years thereafter at the Company's annual general meeting.

At the Meeting, the shareholders of the Company will be asked to consider and approve an ordinary resolution, in substantially the following form, in order to approve the Compensation Plan, which resolution requires approval of greater than 50% of the votes cast by the shareholders who, being entitled to do so, vote, in person or by proxy, on the ordinary resolution at the Meeting:

“BE IT RESOLVED, as an ordinary resolution of the shareholders of Prince Silver Inc., that:

1. the equity incentive plan (the “**Compensation Plan**”) of Prince Silver Inc. (the “**Company**”), substantially in the form attached as Schedule “C” to the information circular of the Company dated November 25, 2025, is hereby approved.
2. the board of directors of the Company (the “**Board**”) or any committee of the Board is hereby authorized to grant awards of stock options, deferred share units, restricted share units, performance share units, stock appreciation rights and stock purchase rights pursuant to the Compensation Plan to those eligible to receive such awards thereunder;
3. the Board, or any committee created pursuant to the Compensation Plan is authorized to make such amendments to the Compensation Plan from time to time as are requested by the Exchange or as the Board may, in its discretion, consider to be appropriate, provided that such amendments will be subject to the approval of all applicable regulatory authorities and in certain cases, in accordance with the terms of the Compensation Plan, the shareholders;
4. any one director or officer of the Company is hereby authorized to execute and deliver on behalf of the Company all such documents and instruments and to do all such other acts and things as in such director's opinion may be necessary to give effect to the matters contemplated by these resolutions, and all actions previously taken by any director or officer of the Company in connection with the foregoing resolution are hereby ratified, confirmed and approved; and

5. notwithstanding that this resolution be passed by the shareholders of the Company, the Board is hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable to the Board.”

The form of the resolutions set forth above is subject to such amendments as management may propose prior to the Meeting, but which do not materially affect the substance of such resolutions. The Board reserves the right to amend any terms of the Compensation Plan or not to proceed with the Compensation Plan at any time prior to the Meeting if the Board determines that it would be in the best interests of the Company and the shareholders and to do so in light of any subsequent event or development.

The Board considers that the ability to grant incentives is an important component of its compensation strategy and is necessary to enable the Company to attract and retain qualified directors, officers, employees and consultants. **The Board therefore recommends that shareholders vote “FOR” the resolution approving the proposed new equity incentive plan. Unless otherwise instructed, the persons named in the enclosed form of proxy will vote “IN FAVOUR” of the above resolutions.**

If the Compensation Plan is not approved by Shareholders, the Stock Option Plan will remain in effect. Under the policies of the CSE, the Stock Option Plan must be re-approved every three (3) years by the shareholders of the Company at an annual meeting. If the Stock Option Plan remains in effect, it must be re-approved by shareholders on or before September 7, 2026.

ITEM 5: RELIANCE ON CERTAIN EXEMPTIONS

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4, 6.1.1(4), 6.1.1(5), 6.1.1(6) or 8 of the Instrument. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Sections 6.1.1(4), 6.1.1(5) and 6.1.1(6) provide exemptions from audit committee composition requirements applicable to venture issuers in certain circumstances. Mr. Ralph Shearing is the President and a director of the Company and is therefore not independent within the meaning of section 1.4 of National Instrument 52-110 Audit Committees (“**NI 52-110**”).

Each of Mr. Neil MacRae, Mr. Robert Wrixon and Mr. Darrell Rader, each being a current director of the Company, is an independent director within the meaning of section 1.4 of NI 52-110.

ITEM 2. DIRECTORSHIPS

The current and proposed directors of the Company are currently directors or officers of the following other reporting issuers:

Name of Director	Name of Reporting Issuer
Ralph Shearing	Goldgroup Mining Inc.
Neil MacRae	Mawson Finland Limited
Darrell Rader	Minaurum Gold Inc.

Derek Iwanaka	BeMetals Corp.

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board of Directors of the Company briefs all new directors with the policies of the Board of Directors, and other relevant corporate and business information.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

ITEM 6. COMPENSATION

The Board of Directors conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

ITEM 7. OTHER BOARD COMMITTEES

The Company does not have any other committees.

ITEM 8. ASSESSMENTS

The Board of Directors monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees. On an ongoing annual basis, the Board assesses the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively.

Notwithstanding the foregoing, with respect to any Stock Option granted to a U.S. Taxpayer, no Stock Option shall be extended beyond its maximum expiry date provided in the applicable Stock Option Agreement, to the extent such extension would trigger application of penalty taxes under Section 409A of the Code.

3.5 Vesting

Subject to the limitations in Part 11 and all Applicable Laws, the vesting schedule for a Stock Option, if any, shall be determined by the Board and shall be set out in the Stock Option Agreement issued in respect of the Stock Option. The Board may elect, at any time, to accelerate the vesting schedule of one or more Stock Options including, without limitation, on a Change of Control, and such acceleration will not be considered an amendment to the Stock Option in question requiring the consent of the Participant under Part 12 of the Plan. Notwithstanding the foregoing, if the Corporation is listed on the Exchange, no acceleration to the vesting schedule of one or more Stock Options granted to an Investor Relations Service Provider can be made without compliance with the requirements of the Exchange, if any.

3.6 Other Restrictions

Except as set forth in Section 3.10, no Stock Option may be exercised unless the Optionee is at the time of such exercise:

- (a) in the case of an Employee or Officer, engaged or in the employ (or retained as a Service Provider) of the Corporation or a Designated Affiliate and shall have been continuously so engaged, employed or retained since the grant of the Stock Option; or
- (b) in the case of a Director, a director of the Corporation or a Designated Affiliate and shall have been such a director continuously since the grant of the Stock Option.

The exercise of any Stock Option will be contingent upon the Optionee having entered into a Stock Option Agreement with the Corporation on such terms and conditions as have been approved by the Board and which incorporates by reference the terms of this Plan. The exercise of any Stock Option will, subject to Sections 3.8 and 3.9, also be contingent upon receipt by the Corporation of cash payment of the full purchase price of the Shares being purchased.

3.7 Exercise of Stock Options

Subject to any limitations or conditions imposed upon an Optionee pursuant to the Stock Option Agreement or this Plan, an Optionee may exercise a Stock Option, prior to the expiry date thereof, by giving written notice thereof to the Corporation at its principal place of business or as otherwise indicated by the Corporation in writing. The notice shall be accompanied by full payment of the exercise price to the extent the Stock Option is so exercised, and full payment of any amounts the Corporation determines must be withheld for tax purposes from the Optionee pursuant to the Stock Option Agreement. Such payment shall be in lawful money in the currency as stated in the Stock Option Agreement, in cash, wire transfer or certified cheque. As soon as practicable after exercise of a Stock Option in accordance herewith, the Corporation shall issue a certificate or DRS statement evidencing the Shares with respect to which the Stock Option has been exercised. 3.9 Net Exercise

Subject to the approval of the Board or a Board committee designated by the Board, and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Stock Options such that, in lieu of a cash payment to the Corporation, a Participant, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Stock Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Stock Options, by (ii) the VWAP of the underlying Shares. The number of Shares delivered to the Participant may be further reduced to satisfy applicable tax withholding obligations pursuant to Section 9.1. In the event of a net exercise, the number of Stock Options exercised, surrendered or converted, and not the number of Shares issued, must be included in calculating the limits set forth in Part 11.

3.10 Effect of Termination of Employment or Death

If an Optionee:

Unless otherwise determined by the Board but subject to Section 11.9, all such Stock Options shall be exercisable only to the extent that the Optionee was entitled to exercise the Stock Option at the date of his or her death and only for 12 months after the date of death or prior to the expiration of the Option Period in respect thereof, whichever is sooner;
- (b) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, as a result of a Disability, any Stock Option held by him or her at the date of Disability, then eligible to be exercised, shall become exercisable in whole or in part by the Optionee or their legal guardian. - (c) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, for cause, no Stock Option held by such Optionee will, unless otherwise determined by the Board but subject to Section 11.9, be exercisable following the date on which such Optionee ceases to be so engaged; or
- (d) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, for any reason other than cause then, unless otherwise determined by the Board but subject to Section 11.9, any Stock Option held by such Optionee which was then eligible to be exercised at the effective date thereof shall become exercisable for a period of up to 90 days thereafter or prior to the expiration of the Option Period in respect thereof, whichever is sooner.

3.11 Effect of Amalgamation or Merger

If the Corporation amalgamates or otherwise completes a plan of arrangement or merges with or into another corporation, any Shares receivable on the exercise of a Stock Option shall, subject to the prior acceptance of the Exchange, if required under Exchange policies, be adjusted to give the Participant the ability to acquire, upon exercise of the Stock Option, including payment, the securities, property or cash which the Participant would have received upon such amalgamation, arrangement or merger if the Participant had exercised his or her Stock Option immediately prior to the record date applicable to such amalgamation, arrangement or merger, and the exercise price shall, subject to the prior acceptance of the Exchange, if required under Exchange policies, be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of this Plan.

Subject to the terms of this Plan, the Board, in its sole discretion, may pay earned RSUs in the form of cash or in Shares issued from treasury (or in a combination thereof) equal to the value of the RSUs at the end of the applicable Restricted Period (or on the Deferred Payment Date, as applicable) and upon satisfaction of any performance criteria or other terms set out in the RSU Agreement. Notwithstanding Sections 4.5 and 4.6 above, in the event of the death or Disability of a Participant, Shares represented by RSUs held by the Participant, calculated on a pro-rata basis as to the number of days passed under the vesting restrictions, shall then be immediately issued by the Corporation to the Participant or legal representative of the Participant.

4.8 Payment of Dividends

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on its Shares, a Participant may be credited with additional Restricted Share Units. The number of such additional RSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the RSUs (including RSUs in which the Restricted Period has expired but the Shares have not been issued due to a Deferred Payment Date) in the Participant's account on the dividend record date had been outstanding Shares (and the Participant held no other Shares) by (b) the Fair Market Value of the Shares on the date on which such dividends were paid. Where the proposed issuance of Shares in settlement of such additional RSUs would result the Corporation having insufficient Shares available for issuance or in the limits in Part 11 exceeded, the additional RSUs should instead be settled in cash.

PART 5 DEFERRED SHARE UNITS

5.1 Deferred Share Unit Grants

The Board may from time to time determine to grant Deferred Share Units to one or more Directors in a lump sum amount or on regular intervals, based on such formulas or criteria as the Board may from time to time determine. DSUs will be credited to the Director's account when designated by the Board. For purposes of calculating the number of DSUs to be granted, the Corporation shall be obligated to value the Shares underlying such Deferred Share Units at not less than the Fair Market Value. In no event will a DSU vest or be redeemable or contemplate a Separation Date of less than 12 months from the date of grant.

5.2 DSU Agreement

Each grant of a DSU under this Plan shall be evidenced by a DSU Agreement between the Director and the Corporation. Such DSU Agreement shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and the policies of the Exchange and which the Board deems appropriate for inclusion in a DSU Agreement. The provisions of each DSU Agreement issued under this Plan need not be identical.

5.3 Redemption of Deferred Share Units and Issuance of Deferred Shares

Except as provided below, the DSUs held by each Director shall be redeemed automatically and with no further action by the Director on the 20th business day following the Separation Date for that Director. For U.S. Taxpayers, (i) the Separation Date must constitute a "separation from service" within the meaning of Section 409A of the Code, and (ii) DSUs held by a Director who is a Specified Employee will be automatically redeemed with no further action by the Director on the date that is six months following the Separation Date for the Director, or if earlier, upon such Director's death. Upon redemption, the former Director shall be entitled to receive and the Corporation shall issue, the number of Shares issued from treasury equal to the number of DSUs in the Director's account, subject to any applicable deductions and withholdings. In the event a Separation Date, including by death of the Director, occurs during a year and Deferred Share Units have been granted to such Director for that entire year, the Director will only be entitled to a pro-rated Deferred Share Unit Payment in respect of such Deferred Share Units based on the number of days that he or she was an Director in such year.

No amount will be paid to, or in respect of, a Director under this Plan or pursuant to any other arrangement, and no other additional DSUs will be granted to compensate for a downward fluctuation in the value of the Shares of the Corporation nor will any other benefit be conferred upon, or in respect of, a Director for such purpose.

5.4 Payment of Dividends

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on its Shares, a Director may be credited with additional Deferred Share Units. The number of such additional Deferred Share Units, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Director if the Deferred Share Units in the Director's account on the dividend record date had been outstanding Shares (and the Director held no other Shares), by (b) the Fair Market Value of the Shares on the date on which such dividends were paid. Where the proposed issuance of Shares in settlement of such additional Deferred Share Units would result the Corporation having insufficient Shares available for issuance or in the limits in Part 11 being exceeded, the additional Deferred Share Units should instead be settled in cash.

PART 6 PERFORMANCE SHARE UNITS

6.1 Performance Share Units

Subject to Section 11.5, the Board may from time to time determine to grant Performance Share Units to one or more Participants with the specific terms and conditions thereof to be as provided in this Plan and in the PSU Agreement entered into in respect of such grant. The PSU Agreement in respect of the PSUs granted will set out, at a minimum, the number of PSUs granted, the Performance Period, the performance-based criteria and any Multiplier(s). Subject to the

provisions of this Part 6, each PSU awarded to a Participant for services performed during the year in which the PSU is granted shall entitle the Participant to receive payment, in the form of Shares, cash payment or combination thereof, as determined by the Board, in an amount equal to the Fair Market Value on the day immediately prior to the last day of the applicable Performance Period multiplied by the applicable Multiplier(s), to be determined on the last day of the Performance Period. In no event will a PSU vest or be redeemable or contemplate a Separation Date of less than 12 months from the date of grant.

6.2 Performance Period

Subject to Sections 6.4 and 6.5, which could result in shortening any such period, the Performance Period in respect of a particular award shall be at least one year from the date of grant of the applicable Performance Share Unit, provided that the Board may, in its sole discretion, determine the Performance Period to be greater than one year, to a maximum of three years from the date of grant of the applicable Performance Share Unit.

6.3 Performance-Based Criteria and Multipliers

The Board may establish performance-based criteria which, if met, will entitle the Participant to be paid an amount in excess of or less than the Fair Market Value of one Share for each PSU at the end of the applicable Performance Period. The Board, in its sole discretion, may waive the performance-based criteria if the Board determines there were material unusual circumstances that occurred during the Performance Period (as an example only, if take-over speculation significantly affects the Fair Market Value at the end of the Performance Period).

6.4 Retirement or Termination During Performance Period

If a Participant ceases to be an Employee or Director, as applicable, during the Performance Period because of retirement or Termination of the Participant, all PSUs previously awarded to the Participant shall be forfeited and cease to be credited to the Participant on the date of the Retirement or Termination, as the case may be; however, the Board shall have the absolute discretion to modify the grant of the PSUs to provide that the Performance Period would end at the end of the calendar quarter immediately before the date of the Retirement or Termination, as the case may be, and the amount payable to the Participant shall be calculated as of such date.

6.5 Death or Disability

In the event of the death or Disability of a Participant during the Performance Period, the Performance Period shall be deemed to end at the end of the calendar quarter immediately before the date of death or Disability of the Participant and the amount payable to the Participant or its executors, as the case may be, shall be calculated as of such date.

6.6 Payment to Participants

Subject to the terms of this Plan, the Board, in its sole discretion, may pay earned PSUs in the form of cash or in Shares issued from treasury (or in a combination thereof) equal to the value of the PSUs at the end of the applicable Performance Period. The determination of the Board with respect to the form of payout of such PSUs shall be set out in the Performance Share Unit Agreement for the grant of the PSU or reserved for later determination. In no event will delivery of such Shares or payment of any cash amounts be made later than two and a half months after the end of the year in which such conditions or restrictions were satisfied or lapsed.

6.7 Payment of Dividends

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Corporation on the Shares, a Participant may be credited with additional PSUs. The number of such additional PSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the PSUs in his or her account on the dividend record date had been outstanding Shares (and the Participant held no other Shares), by (b) the Fair Market Value of the Shares on the date on which such dividends were paid. Where the proposed issuance of Shares in settlement of such additional PSUs would result in the Corporation having insufficient Shares available for issuance or in the limits in Part 11 being exceeded, the additional PSUs should

instead be settled in cash. For greater certainty, the Performance Period and Multiplier(s), if any, shall be the same as the Performance Period and Multiplier(s), if any, for the additional Performance Share Units.

PART 7 STOCK APPRECIATION RIGHTS

7.1 Grant of SARs

Subject to Section 11.5, the Corporation may from time to time grant Stock Appreciation Rights to Participants pursuant to this Plan whereby Participants will have the right to receive Shares, a cash payment, or any combination thereof, as determined by the Board, from the Corporation in an amount equal to the number of SARs granted multiplied by the difference between the Fair Market Value of a Share at the Exercise Date (as defined below) over the Base Price fixed by the Board (the “**Exercise Value**”).

7.2 Base Price

The Base Price per Share of any SAR shall be not less than the Fair Market Value at the time of grant.

7.3 Grant of SARs

Subject to Section 11.5, the Board may at any time authorize the granting of SARs to such Participants as it may select for the number of Shares that it shall designate, subject to the provisions of this Plan. The date of grant of a SAR shall be the date such grant was approved by the Board.

Each SAR granted to a Participant shall be evidenced by a Stock Appreciation Right Agreement with terms and conditions consistent with this Plan and as approved by the Board and which incorporates by reference the terms of this Plan (and in all cases which terms and conditions need not be the same in each case, and may be changed from time to time subject to any required Disinterested Shareholder Approval and any required approval of the Exchange).

7.4 Terms of SARs

The term of each SAR shall be for such term as the Board may determine at the date of grant, provided that:

- (a) SARs can be exercisable for a maximum of 10 years from the date of grant; and
- (b) the term may thereafter be reduced with respect to any such SAR as provided for herein regarding termination of employment / engagement or death of the Participant.

7.5 Vesting

SARs shall vest and may be exercised during the term in the manner determined by the Board at the time of grant, provided that the minimum vesting period shall be 12 months.

7.6 Other Restrictions

Except as set forth in Section 7.9, no SAR may be exercised unless the Participant is at the time of such exercise:

- (a) in the case of an Employee or Officer, engaged or in the employ (or retained as a Service Provider) of the Corporation or a Designated Affiliate and shall have been continuously so engaged, employed or retained since the grant of the SAR; or
- (b) in the case of a Director, a director of the Corporation or a Designated Affiliate and shall have been such a Director, Officer, Employee or Consultant continuously since the grant of the SAR.

7.7 Exercise of SARs

Subject to any limitations or conditions imposed upon a Participant pursuant to a Stock Appreciation Rights Agreement or this Plan, a Participant may exercise an SAR, prior to the expiry date thereof, by giving written notice thereof to the Corporation at its principal place of business specifying the number of vested SARs being exercised and the date on which such exercise is to be effective (the “**Exercise Date**”). As soon as practicable after exercise of a SAR in accordance herewith, the Corporation shall pay the Participant an amount equal to the product of (i) the number of vested SARs exercised, multiplied by (ii) the Exercise Value. Such payment will be made, in the Board’s discretion, in (a) cash, (b) Shares with a Fair Market Value equal to the amount of the payment, or (c) a combination of cash and Shares.

7.8 Transferability of SARs

SARs granted hereby shall not be transferable other than upon the death or disablement of the Participant as follows:

- (a) during the Participant’s lifetime, all SARs shall be exercisable only by the Participant or by the legal guardian of a Participant with a Disability; and
- (b) a Participant shall have the right, by notice to the Corporation, to designate a beneficiary who shall be entitled to exercise the Participant’s SARs (subject to their terms and conditions) following the Participant’s death, and to whom any amounts payable following the Participant’s death shall be paid.

7.9 Effect of Termination of Employment or Death

If the holder of a SAR:

- (a) dies while employed or engaged by, or while a Director of, the Corporation or a Designated Affiliate, any SAR held by him or her at the date of death, then eligible to be exercised, shall become exercisable in whole or in part, but only by the person or persons designated under Section 7.8(b) above, or to whom the Participant’s rights under the SAR shall pass by the Participant’s will or applicable laws of descent and distribution. Unless otherwise determined by the Board, all such SARs shall be exercisable only to the extent that the Participant was entitled to exercise the SARs at the date of his or her death and only for 12 months after the date of death or prior to the expiration of the term in respect thereof, whichever is sooner;
- (b) ceases to be employed or engaged by, or a director of, the Corporation or a Designated Affiliate, as a result of a Disability, any SAR held by him or her at the date of Disability, then eligible to be exercised, shall become exercisable in whole or in part by the Participant or their legal guardian. Unless otherwise determined by the Board but subject to Section 11.9, all such SARs shall be exercisable only to the extent that the Participant was entitled to exercise the Stock Option at the date of his or her Disability and only for 12 months after the date of Disability or prior to the expiration of the term in respect thereof, whichever is sooner;
- (c) ceases to be employed or engaged by, or a Director of, the Corporation or a Designated Affiliate, for cause, no SAR held by such Participant will, unless otherwise determined by the Board, be exercisable following the date on which such Participant ceases to be so engaged; or
- (d) ceases to be employed or engaged by, or a Director of, the Corporation or a Designated Affiliate, for any reason other than cause then, unless otherwise determined by the Board, any SAR held by such Participant which was then eligible to be exercised at the effective date thereof shall become exercisable for a period of up to 90 days thereafter or prior to the expiration of the term in respect thereof, whichever is sooner.

7.10 Effect of Amalgamation or Merger

If the Corporation amalgamates or otherwise completes a plan of arrangement or merges with or into another corporation, any payment receivable on the exercise of a SAR shall, subject to the prior acceptance of the Exchange, if required under Exchange policies, be adjusted to give the Participant the ability to receive the same which the Participant would have received upon completion of such amalgamation, arrangement or merger using as the Fair Market Value of a Share the amount equal to the deemed price under such amalgamation, arrangement or merger.

7.11 Amendments

Disinterested Shareholder Approval must be obtained for any reduction in the Base Price of a SAR, or the extension of the term of a SAR, if the Participant is an Insider of the Corporation at the time of the proposed amendment.

PART 8 STOCK PURCHASE RIGHTS

8.1 Types of SP Rights

The Corporation may provide financial assistance (which cannot involve lending funds to a Participant for the purposes of acquiring securities of the Corporation, whether from treasury or otherwise), or a Participant may be allowed to purchase securities of the Corporation (which may be at a discount to Fair Market Value), or a Participant may be entitled to receive additional securities of the Corporation upon subscribing for a pre-established number of securities of the Corporation, which securities may be issued from the treasury or purchased on the secondary market. For U.S. Taxpayers, any stock purchase right or option-like right shall contain such terms and limitations as are necessary to avoid application of penalty taxes under Section 409A of the Code.

8.2 Limitations

The Corporation shall not provide SP Rights that could materially prejudice the interests of the Corporation or its shareholders, or if the assistance would affect the Corporation's ability to pay its creditors.

8.3 Grant of Rights

Subject to Section 11.5, the Board may at any time authorize the granting of Stock Purchase Rights to such Participants as it may select for the dollar amount or number of Shares, or combination thereof, that it shall designate, subject to the provisions of this Plan. The date of grant of an SP Right shall be the date such grant was approved by the Board.

Each SP Right granted to a Participant shall be evidenced by an agreement of applicable nature with terms and conditions consistent with this Plan and as approved by the Board and which incorporates by reference the terms of this Plan (and in all cases which terms and conditions need not be the same in each case, and may be changed from time to time subject to any required Disinterested Shareholder Approval and any required approval of the Exchange).

8.4 Vesting Requirements of SP Rights

No SP Right may vest before the date that is one year following the date that it is granted or issued. Notwithstanding the foregoing, the Board shall have the discretion to accelerate the vesting of a SP Right for a Participant who dies or ceases to be an eligible Participant under this Plan in connection with a Change of Control or similar transaction.

PART 9 WITHHOLDING TAXES

9.1 Withholding Taxes

The Corporation or any Designated Affiliate may take such steps as are considered necessary or appropriate for the withholding of any taxes or other amounts which the Corporation or any Designated Affiliate is required by any law or regulation of any governmental authority whatsoever to withhold in connection with any Award including, without

limiting the generality of the foregoing, the withholding of all or any portion of any payment or the withholding of the issue of any Shares to be issued under this Plan, until such time as the Participant has paid the Corporation or any Designated Affiliate for any amount which the Corporation or Designated Affiliate is required to withhold by law with respect to such taxes or other amounts. Without limitation to the foregoing, the Board may adopt administrative rules under this Plan, which provide for the automatic sale of Shares (or a portion thereof) in the market upon the issuance of such Shares under this Plan on behalf of the Participant to satisfy withholding obligations under an Award.

PART 10 CHANGE OF CONTROL

10.1 Change of Control.

- (a) If a Change of Control shall conclusively be deemed to be imminent, or to have occurred, there shall be immediate full vesting of each outstanding Stock Option granted, which may be exercised and settled, in whole or in part, even if such Stock Option is not otherwise exercisable or vested by its terms, but subject to any required approval of the Exchange, if required under Exchange policies. Notwithstanding the foregoing, if the Corporation is listed on the Exchange, no acceleration to the vesting schedule of one or more Stock Options granted to an Investor Relations Service Provider can be made without the prior acceptance of the Exchange, if required under Exchange policies.
- (b) Unless otherwise determined by the Board, or unless otherwise provided in a Participant's Service Agreement or Award Agreement, if a Change of Control shall conclusively be deemed to be imminent, or to have occurred, then the Board shall have the discretion, without the prior approval of the Participants but subject to any required approval of the Exchange, to any one or more of the following:
 - (i) determine that there shall be immediate full vesting of each outstanding Award (other than Stock Options) granted, which may be exercised and settled, in whole or in part, even if such Award is not otherwise exercisable or vested by its terms;
 - (ii) subject to the prior acceptance of the Exchange, if required under Exchange policies, the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Board determines in good faith that no amount would have been attained upon the settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment);
 - (iii) subject to the prior acceptance of the Exchange, if required under Exchange policies, cause the Corporation to offer to acquire from each Award holder his or her Awards for a cash payment, and any Awards not so acquired, surrendered or exercised by the effective time of the Change of Control will be deemed to have expired;
 - (iv) subject to the prior acceptance of the Exchange, if required under Exchange policies, cause a Stock Option granted under this Plan to be exchanged for an option to acquire for the same exercise price, the number and type of securities as would be distributed to the Stock Option holder in respect of the Shares to be issued to the Stock Option holder had he or she exercised the Stock Option prior to the effective time of the Change of Control, provided that any such replacement option must provide that it survives for a period of not less than one year from the effective time of the Change of Control regardless of the continuing directorship, officership or employment of the holder;
 - (v) permit each Participant, within a specified period of time prior to the completion of the Change in Control as determined by the Board, to exercise all of the Participant's outstanding Stock Options and to settle all of the Participant's outstanding PSUs, RSUs and DSUs (to the extent then vested and exercisable, including by reason of acceleration by the Board pursuant to

Section 10.1 or in accordance with the Award Agreement) but subject to and conditional upon the completion of the Change in Control;

- (vi) accelerate the dates upon which any or all outstanding Awards shall vest and be exercisable or settled, without regard to whether such Awards have otherwise vested in accordance with their terms; or
- (vii) make no change to any of the terms or provisions of any Award.

10.2 Awards Need Not be Treated Identically

In taking any of the actions contemplated by this Part 10, the Board shall not be obligated to treat all Awards held by any Participant, or all Awards in general, identically.

PART 11 GENERAL TERMS

11.1 Number of Shares

The aggregate number of Shares that may be issued under this Plan shall not exceed 20% of the number of Issued Shares outstanding in the capital of the Corporation from time to time as of the date of each grant (inclusive of the Shares reserved for issuance pursuant to any stock options granted under the Prior Plan), such Shares to be allocated among Awards and Participants in amounts and at such times as may be determined by the Board from time to time.

11.2 Limits for Individuals

Unless Disinterested Shareholder Approval is obtained (or unless permitted otherwise by the policies of the Exchange), the maximum number of Shares that may be issued to any one Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly-owned by the Participant) under this Plan, together with all of the Corporation's other Security Based Compensation Arrangements, within a 12-month period, may not exceed 5% of the Issued Shares of the Corporation, calculated as at the date any Security Based Compensation is granted or issued to the Person.

11.3 Limits for Insiders

Unless Disinterested Shareholder Approval is obtained (or unless permitted otherwise by the policies of the Exchange), the maximum number of Shares that are issuable pursuant to all the Corporation's Security Based Compensation plans granted or issued in any 12-month period to Insiders (as a group) must not exceed 20% of the Issued Shares, calculated as at the date any Security Based Compensation of the Corporation is granted or issued to any Insider.

Unless Disinterested Shareholder Approval is obtained (or unless permitted otherwise by the policies of the Exchange), the maximum number of Shares that are issuable pursuant to all of the Corporation's Security Based Compensation plans granted or issued to Insiders (as a group) at any point in time must not exceed 20% of the issued Shares at any point in time.

11.4 Limits for Consultants

The maximum number of Shares that may be issued to any one Consultant under this Plan, together with all of the Corporation's other Security Based Compensation plans, within a 12-month period, may not exceed 2% of the Issued Shares calculated on the date such Security Based Compensation is granted or issued to the Consultant.

11.5 Limits for Investor Relations Service Providers

Notwithstanding any other provision of this Plan, Investor Relations Service Providers may only be granted Stock Options (and no other forms of Security Based Compensation) under this Plan.

The maximum aggregate number of Shares that are issuable pursuant to all Stock Options granted in any 12-month period to all Investor Relations Service Providers in aggregate must not exceed 2% of the Issued Shares, calculated as at the date any Stock Option is granted to any such Investor Relations Service Provider.

Stock Options granted to any Investor Relations Service Provider must vest in stages over a period of not less than 12 months, such that not more than 25% vest any sooner than three months after the date of grant, and not more than 25% vest any sooner than every three months thereafter.

The Board (or any committee thereof) must, through the establishment of appropriate procedures, monitor the trading in the securities of the Corporation by all Investor Relations Service Providers. These procedures may include the establishment of a designated brokerage account through which the Participant conducts all trades in the securities of the Corporation or a requirement for such Participants to file reports of their trades with the Board on a timely basis.

11.6 Limits for Charitable Organizations

The only Security Based Compensation that may be granted or issued to a Charitable Organization is Charitable Stock Options. The maximum aggregate number of Shares that are issuable pursuant to all outstanding Charitable Stock Options must not exceed 1% of the Issued Shares, calculated as at the date each Charitable Stock Option is granted to a Charitable Organization. A Charitable Stock Option must expire on or before the earlier of: (i) the date that is 10 years from the date of grant of the Charitable Stock Option; and (ii) the 90th day following the date that the holder of the Charitable Stock Option ceases to be a Charitable Organization. Any Charitable Stock Option granted to a Charitable Organization under this Plan will not be included within the limits prescribed by Section 11.1 of the Plan.

11.7 Limitation on Rights as a Shareholder

No Security Based Compensation entitles the holder thereof to any Shareholder rights (including without limitation voting rights, dividend entitlement or rights on liquidation) until such time as underlying Shares are issued to such Participant; provided, however, that the accrual of any dividend entitlements on a DSU, PSU, RSU or SAR where such dividend entitlements vest and are redeemed, as applicable, along with the underlying award. Where the proposed issuance of Shares in settlement of such additional DSUs, PSUs, RSUs or SARs would result in the Corporation having insufficient Shares available for issuance or in the limits in in the limits in Part 11 being exceeded, the additional DSUs, PSUs, RSUs or SARs should instead be settled in cash.

11.8 Lapsed Awards or Awards Settled in Cash

If Awards are settled in cash, cancelled, surrendered, terminated or forfeited or expire without being exercised in whole or in part and pursuant to which no securities have been issued, new Awards may be granted covering the Shares not issued under such lapsed Awards, subject to any restrictions that may be imposed by the Exchange.

11.9 Expiration of Security Based Compensation

Notwithstanding any other provision of this Plan, any Security Based Compensation granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under this Plan.

11.10 Availability of Shares under this Plan and Payment in Cash

The Corporation must have a sufficient number of Shares available under this Plan in order to be able to issue Shares to satisfy its obligations under a Multiplier or any other provision of this Plan. The Corporation may settle any Award by making payment in cash if it does not have a sufficient number of Shares available under this Plan to satisfy its obligations under a Multiplier or any other provision of this Plan.

11.11 Adjustment in Shares Subject to this Plan

If there is any change in the Shares through (i) the declaration of stock dividends of Shares, (ii) any consolidations, subdivisions or reclassification or recapitalization of Shares, or (iii) adjustments related to an amalgamation, merger,

arrangement, reorganization, spin-off, the number of Shares available under this Plan, other than under a Change of Control, then the Shares subject to any Award, and the exercise price of any Stock Option shall be adjusted as determined to be appropriate by the Board, and such adjustment shall be effective and binding for all purposes of this Plan, provided any such change (other than in connection with a share consolidation or a security split) is subject to the prior acceptance of the Exchange, if required under Exchange policies,.

11.12 Transferability

Any Awards accruing to any Participant in accordance with the terms and conditions of this Plan shall not be assignable or transferable. During the lifetime of a Participant all Awards may only be exercised by the Participant. Awards are non-transferable and non-assignable except by will or by the laws of descent and distribution.

11.13 Employment

Nothing contained in this Plan shall confer upon any Participant any right with respect to employment or continuance of employment with the Corporation or any Affiliate, or interfere in any way with the right of the Corporation or any Affiliate to terminate the Participant's employment at any time. Participation in this Plan by a Participant is voluntary.

11.14 Record Keeping

The Corporation shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant;

11.15 Resale Restrictions

In addition to any legends or resale restrictions required under applicable Canadian Securities Laws Awards and Shares issued by the Corporation are subject to resale and trading restrictions in effect pursuant to Applicable Laws, and accordingly the Corporation shall be entitled to place any restriction or legend on the Awards and Shares. If required by Applicable Laws, any Award will be subject to a hold period expiring on the date that is four months and a day after the date of grant and the DRS, confirmations, agreements or certificates representing such Awards and any Shares issued prior to the expiry of such hold period will bear the following legend in substantially the following form,:

“WITHOUT PRIOR WRITTEN APPROVAL OF CANADIAN SECURITIES EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE [*FOR AWARDS: AND ANY SECURITIES ISSUED UPON EXERCISE, VESTING OR SETTLEMENT HEREOF*] MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED UNTIL [*INSERT THE DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE DATE OF GRANT*].”

11.16 No Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of this Plan.

11.17 Section 409A

It is intended that any payments under this Plan to U.S. Taxpayers shall be exempt from or comply with Section 409A of the Code, and all provisions of this Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes and penalties under Section 409A of the Code.

11.18 Awards Granted to U.S. Residents

- (a) The Awards and the Shares issuable upon exercise, vesting or settlement of the Awards have not been registered under the *United States Securities Act of 1933*, as amended (the “**U.S. Securities Act**”) or any applicable securities law of any state of the United States and may not be granted to, or exercised by or on behalf of, any person in the United States, any U.S. person or any person acting for the account or benefit of a U.S. person or person in the United States unless exempt from the registration requirements of the U.S. Securities Act and any applicable securities law of any state of the United States.
- (b) No Stock Options shall be granted to any Participant in the United States unless the Board has determined that such grant and the future exercise, vesting or settlement of the Award by the Participant is exempt from the registration requirements of the U.S. Securities Act pursuant to Rule 701 of the U.S. Securities Act or another available exemption from such registration requirements and is being made in compliance with all applicable securities laws of any state of the United States.
