MANAGEMENT INFORMATION CIRCULAR As at November 5, 2025

SECTION 1 - INTRODUCTION

This management information circular (the “**Information Circular**”) accompanies the notice of meeting (the “**Notice**”) and is furnished to shareholders (the “**Shareholders**”) holding common shares (“**Common Shares**”) in the capital of Pan American Energy Corp. (the “**Company**” or “**Pan American**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held on Tuesday, December 9, 2025 at 11:00 a.m. (Vancouver time) in-person at the offices of Borden Ladner Gervais LLP, at Suite 1200, 200 Burrard Street, Vancouver, BC, V7X 1T2 or at any continuation of the Meeting following an adjournment or postponement thereof.

INFORMATION CONTAINED IN THIS INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is given as of November 5, 2025. Any disclosure regarding the total amount of securities outstanding is on a post-consolidation basis.

No person has been authorized to give any information or to make any representation in connection with the matters being considered herein other than those contained in this Information Circular and, if given or made, such information or representation must not be relied upon as having been authorized by the Company. This Information Circular does not constitute an offer to sell, or a solicitation of an offer to acquire, any securities, or the solicitation of a proxy, by any person in any jurisdiction in which such an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such an offer or proxy solicitation. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular.

Information contained in this Information Circular should not be construed as legal, tax or financial advice and Shareholders are urged to consult their own professional advisors in connection with the matters considered in this Information Circular.

The Canadian Securities Exchange has neither reviewed nor approved the disclosure in this Information Circular.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS AND RISKS

This Information Circular contains “forward-looking information” within the meaning of the applicable Canadian securities legislation (“**forward-looking statements**”). In some cases, forward-looking statements can be identified by words or phrases such as “may”, “might”, “will”, “expect”, “anticipate”, “estimate”, “intend”, “plan”, “indicate”, “seek”, “believe”, “predict”, “assume”, “budget”, “strategy”,

“scheduled”, “forecast”, “target” or “likely”, or the negative forms of these terms, or other similar expressions (or variations of such words or phrases) or statements that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. In particular, forward-looking statements in this Information Circular include, but are not limited to, statements with respect to: the Consolidation; future financial or operating performance of the Company; the Company’s operating plans and strategies; proposed exploration activities at the Company’s Big Mack Project and Tharsis REE Project, the cost of any such activities, the potential of such activities to establish mineral resources or mineral reserves at the Big Mack Property and the timing and results of any future mineral reserve or mineral resource estimates undertaken at the Big Mack Property; the potential exercise of the option granted to the Company under the option agreement with respect to the Big Mack Property; the Company’s plans regarding its Big Mack Property; the anticipated timing, results, benefits, costs and parameters of other exploration and development plans; the future viability of the Company’s Big Mack Property; the prospect of developing a mine at, or producing minerals from, the Company’s Big Mack Property; the potential acquisition of additional mineral properties or property concessions; the Company’s ability to obtain and maintain licenses, permits and regulatory approvals required to implement the Company’s proposed activities; the future impact of, and future delays and disruptions caused by, the novel coronavirus, contagious diseases or other global pandemics or epidemics; the Company’s requirements for additional capital, the adequacy of the Company’s financial resources (and its ability to continue as a going concern) and the Company’s ability to raise additional capital and/or pursue additional strategic options, including the potential impact on the Company’s business, financial condition and results of operations of doing so or not; the intended use of proceeds from previously completed financings; and capital allocation plans. All statements other than statements of historical fact included in this Information Circular including, without limitation, statements regarding the future plans and objectives of the Company, predictions, expectations, beliefs, projections, assumptions or future events are forward-looking statements.

These forward-looking statements are not historical facts and are not guarantees of future performance and involve assumptions, estimates and risks and uncertainties that are difficult to predict. Therefore, actual results may differ materially from what is expressed, implied or forecasted in such forward-looking statements. Forward-looking statements are based on the assumptions, beliefs, expectations and opinions of management on the date the statements are made concerning anticipated financial performance, business prospects, strategies, regulatory developments, development plans, exploration and development activities, commitments and future opportunities, many of which are difficult to predict and beyond our control. In connection with the forward-looking statements contained in this Information Circular, we have made certain assumptions about, among other things, the Consolidation, including that the Consolidation will be approved by the Canadian Securities Exchange and that the Company will complete the Consolidation on the basis currently anticipated; the Company’s business operations, including that no significant event will occur outside the Company’s normal course of business operations; the demand for and future prices of metals and other commodities; the future impact of pandemics, endemics and epidemics; the Company’s financial resources and its ability to raise any necessary additional capital on reasonable terms; general business and economic conditions; the Company’s ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; the actual geology of the Company’s Big Mack Property aligning with the description of the Big Mack Property in the technical report entitled “Technical Report on the Big Mack Property, Kenora Mining District, Northwestern Ontario, Canada” dated December 12, 2022; the accuracy of budgeted exploration costs and expenditures; future interest rates; operating conditions being favourable such that the Company is able to operate in a safe, efficient and effective manner; the Company’s ability to attract and retain skilled personnel and directors; political and regulatory stability; competitive conditions; market (including labour, financial and capital market) conditions in Canada; the timely receipt of governmental, regulatory and third-party approvals, licenses and permits on favourable terms; obtaining required renewals for existing approvals, licenses and permits on favourable terms and in a timely manner; stability in the requirements placed on the Company under applicable laws; sustained labour stability; the availability of certain consumables and services; labour and materials costs; results, costs and timing of

future exploration and drilling programs; and our relationship with local groups. Although management of the Company considers those assumptions to be reasonable on the date of this Information Circular based on information currently available to us, these assumptions are subject to significant business, social, economic, political, regulatory, competitive and other risks and uncertainties, contingencies and other factors that could cause actual performance, achievements, actions, events, results or conditions to be materially different from those projected in the forward-looking statements. The Company cautions that the foregoing list of assumptions is not exhaustive. Other events or circumstances could cause actual results to differ materially from those estimated or projected and expressed in, or implied by, the forward-looking statements contained in this Information Circular.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, actions, events, conditions, performance or achievements to be materially different from those expressed or implied by the forward-looking statements, including, without limitation, those related to: continuing as a going concern; ability to meet the remaining financial commitments in respect of the option agreement with respect to the Company's Big Mack Property and the Company's other financial commitments; exploration, development and operating risks; dependence on one mineral property; the early stage status of the Company's mineral property and the nature of exploration; fluctuations in commodity prices; the growth of the lithium market; the dependence of the Company on its key personnel; conflicts of interest; the conflicts in the Ukraine and the Middle East and related geopolitical risks; information technology, including cyber security risks; earn-in agreements, joint venture operations and similar arrangements; relationships with local communities and aboriginal groups (as defined below); social and environmental activism; environmental laws, regulations and permitting requirements and environmental hazards; the application for and receipt of required permits and approvals; potential acquisitions and their integration with the Company's business; compliance with laws; the Company's requirements for additional capital; factors inherent in the exploration and development of mineral properties that are outside of the Company's control; title to mineral properties; adverse general economic conditions; access to and the availability of adequate infrastructure; limits of insurance coverage and the occurrence of uninsurable risks; competitive conditions in the mineral exploration and mining businesses; human error; the influence of third party stakeholders; the growth of the Company; compliance with the *Canadian Extractive Sector Transparency Measures Act* (Canada); litigation or other proceedings; expansion into other geographical areas; outbreaks of contagious diseases; investment in the Common Shares; the potential for dilution to holders of Common Shares; the volatility of the market price for the securities of mining companies and the market price for the Common Shares; the Company's policy regarding the payment of dividends; the Company's inability to maintain the listing of the Common Shares on a stock exchange; and the Company's compliance with evolving corporate governance and public disclosure regulations.

The factors identified above are not intended to represent a complete list of the risks and factors that could affect any of the forward-looking statements. For a further description of these and other factors that could cause actual results to differ materially from the forward-looking statements in this Information Circular, see the risk factors included in the annual information form of the Company dated December 14, 2022 and as described from time to time in the reports and disclosure documents filed by Pan American with Canadian securities regulatory authorities, in each case which are available under the Company's profile on SEDAR+ at www.sedarplus.ca. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results, actions, events, conditions, performance or achievements not to be as anticipated, estimated or intended. Forward-looking statements are not a guarantee of future performance. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.

All forward-looking statements included in this Information Circular are made as of the date of this Information Circular and, accordingly, are subject to change after such date. The Company disclaims any intent or obligation to update publicly or otherwise revise any forward-looking statements or the foregoing list of assumptions or factors, whether as a result of new information, future events or otherwise, except in accordance with applicable securities laws.

NOTICE TO SECURITYHOLDERS IN THE UNITED STATES

Pan American is a company existing under the laws of British Columbia, Canada. The solicitation of the proxies is being made and the transactions contemplated herein are being undertaken by a Canadian issuer in accordance with Canadian corporate and securities laws and are not subject to the requirements of Section 14(a) of the U.S. Securities Exchange Act of 1934 (the “**U.S. Exchange Act**”) by virtue of an exemption applicable to proxy solicitations by “foreign private issuers” (as defined in Rule 3b-4 under the U.S. Exchange Act). Accordingly, this Information Circular has been prepared in accordance with the applicable disclosure requirements in Canada, and the solicitations and transactions contemplated in this Information Circular are made in the United States for securities of a Canadian issuer in accordance with Canadian corporate and securities laws, which are different from the requirements applicable to proxy solicitations under the U.S. Exchange Act. Shareholders should be aware that disclosure requirements under such Canadian laws are different from requirements under United States corporate and securities laws relating to issuers organized under United States laws, and this Information Circular has not been filed with or approved by the U.S. Securities and Exchange Commission or the securities regulatory authority of any state within the United States.

The enforcement by Shareholders in the United States of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated in a jurisdiction outside the United States, each of its directors and executive officers are residents of jurisdictions outside of the United States and all of its assets and certain of the assets of such persons are located outside the United States. Shareholders in the United States may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court. As a result, it may be difficult or impossible for Shareholders in the United States to effect service of process within the United States upon the Company or its officers or directors or to realize against them upon judgments of courts of the United States predicated upon civil liabilities under the federal securities laws of the United States or “blue sky” laws of any state within the United States. In addition, Shareholders resident in the United States should not assume that Canadian courts: (a) would enforce judgments of United States courts obtained in actions against such persons predicated upon civil liabilities under the securities laws of the United States or “blue sky” laws of any state within the United States; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under the securities laws of the United States or “blue sky” laws of any state within the United States.

CURRENCY

Unless otherwise indicated herein, references to “\$”, “CAD\$” or “Canadian dollars” are to Canadian dollars, and references to “US\$” or “U.S. dollars” are to United States dollars.

SECTION 2 – PROXIES AND VOTING RIGHTS

MANAGEMENT SOLICITATION

The solicitation of proxies by management of the Company (“**Management**”) will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy. The cost of solicitation will be borne by the Company.

VOTING

Each Shareholder of record on the record date of October 21, 2025 (the “**Record Date**”) is entitled to one vote for each Common Share held. To approve a resolution proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “ordinary resolution”) unless the resolution requires a majority of 66^{2/3}% of the votes cast (a “special resolution”). An ordinary resolution is required to be passed for each of the matters scheduled to be acted upon at the Meeting. In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the purposes of determining a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

The manner in which you vote your Common Shares depends on whether you are a registered Shareholder or a non-registered (or beneficial) Shareholder. You are a registered Shareholder (a “**Registered Shareholder**”) if your name appears on your Common Share certificate. Most Shareholders of the Company are “beneficial shareholders” who are non-Registered Shareholders. You are a beneficial Shareholder (a “**Beneficial Shareholder**”) if you beneficially own Common Shares that are held in the name of an intermediary, such as a bank, a trust company, a securities broker, a trustee or some other nominee, and therefore do not have the Common Shares registered in your own name.

REGISTERED SHAREHOLDER AND DULY APPOINTED PROXYHOLDER VOTING

Registered Shareholders can vote their Common Shares either in person at the Meeting or by proxy. Voting by proxy is the easiest way for Registered Shareholders to cast their vote.

The purpose of a proxy is to designate persons who will vote on a Registered Shareholder’s behalf in accordance with the instructions given by the Registered Shareholder in the proxy. The persons named as proxyholders in the enclosed form of proxy (the “**Management Nominees**”) are officers of the Company.

A Registered Shareholder has the right to appoint a person or company (who need not be a Shareholder) to represent the Shareholder at the Meeting other than the Management Nominees designated in the enclosed form of proxy. To exercise this right, the Registered Shareholder must insert the name of the Shareholder’s nominee in the space provided in the accompanying proxy or complete another appropriate form of proxy permitted by law, and in either case send or deliver the completed proxy to the Company’s registrar and transfer agent, Computershare Trust Company of Canada (the “Transfer Agent”). Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as such Shareholder’s proxy and should provide instruction to the nominee on how such Shareholder’s Common Shares should be voted. Any nominee appointed by a Shareholder should bring personal identification to the Meeting.

In order to be valid and acted upon at the Meeting, the completed form of proxy must be received by the Transfer Agent at Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto,

Ontario, M5J 2Y1, Attention: Proxy Department by mail, fax, telephone or via the Internet (in each case, in accordance with the instructions below) at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the scheduled time of the Meeting, or any postponement(s) or adjournment(s) thereof. Proxies received after that time may be accepted by the Chair of the Meeting at the Chair of the Meeting's discretion, and the Chair of the Meeting is under no obligation to accept late proxies.

- By mail, complete, sign and date your form of proxy and return the form of proxy to the Transfer Agent in the return envelope provided. You may also deliver your completed, signed and dated form of proxy by hand to the address for the Transfer Agent in Toronto above.
- To vote by fax, complete, sign and date your form of proxy and forward it by fax to the Transfer Agent, Attention: Proxy Department, at 1-866-249-7775 (toll-free Canada and the U.S.) or outside Canada and the U.S. to (416) 263-9524.
- To vote using the telephone, please call 1-866-732-VOTE (8683) from a touch tone telephone. Shareholders must follow the instructions of the voice response system and refer to the enclosed form of proxy for the holder's account number and the proxy access number.
- To vote using the Internet, please visit the website www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed form of proxy for the holder's control number and address.

To vote by the Internet, you will need to provide your 15-digit control number found on your proxy form.

A Registered Shareholder completing a proxy may indicate the manner in which the persons named in the proxy are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting on any poll required or requested in accordance with the instructions given in the proxy.

If a Registered Shareholder wishes to confer discretionary authority with respect to any matter, then the appropriate space on the proxy should be left blank. **In such instance, if the proxyholder is a Management Nominee, the proxyholder intends to vote the Common Shares represented by the proxy IN FAVOUR of the resolution.**

The enclosed form of proxy, when properly signed, confers discretionary authority upon the persons named therein with respect to amendments or variations to any matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting. If, however, other matters which are not now known to management of the Company should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the holder of the proxy.

A proxy will not be valid unless it is dated and signed by the Registered Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Registered Shareholder or joint Registered Shareholders, or by an officer or attorney-in-fact for a corporate Registered Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarized certified copy thereof, must accompany the form of proxy.

BENEFICIAL SHAREHOLDER VOTING

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name.

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders or those otherwise deposited pursuant to the process set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of an intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

Most Shareholders are Beneficial Shareholders. There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

In accordance with the requirements set out in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Company has elected to deliver proxy-related materials indirectly through intermediaries for onward distribution to NOBOs and OBOs (unless such Shareholder has waived the right to receive such materials). Management of the Company does not intend to pay for intermediaries to forward to OBOs, under NI 54-101, the proxy related materials with respect to the Meeting and the Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. As such, if you are an OBO, you will not receive these materials unless your intermediary assumes the cost of delivery.

Generally, Beneficial Shareholders who have not waived the right to receive proxy-related materials will be given a voting instruction form (“**VIF**”) by their intermediary, which must be completed and signed by the Beneficial Shareholder in accordance with the directions in the VIF. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. The VIF, or other form, supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company; however, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf.

Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the Management Nominees to represent your Common Shares at the Meeting. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.

If you are a Beneficial Shareholder in the United States, you must request a legal proxy form from your intermediary, granting you or your proxyholder, as the case may be, the right to attend the Meeting and vote during the Meeting, and return the legal proxy to the Transfer Agent by email to

uslegalproxy@computershare.com at least two business days (excluding Saturdays, Sundays and holidays) prior to the scheduled time of the Meeting, or any adjournment(s) thereof. Follow the instructions from your intermediary included with these proxy materials or contact your intermediary to request a legal proxy form.

In any case, the purpose of this procedure is to permit a Beneficial Shareholder to direct the voting of Common Shares which they beneficially own. You have the right to appoint a person (who need not be a Shareholder), other than any of the persons designated in the form that you receive, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you) in the blank space provided in the form. The completed form must then be returned to Broadridge or your intermediary by mail or facsimile or given to Broadridge or your intermediary by phone or over the internet, in all cases in accordance with the instructions contained in the form. Broadridge or your intermediary will then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any Shareholder's representative.

REVOCATION OF PROXIES

A Registered Shareholder who has given a proxy may revoke it at any time before it is exercised at the Meeting or any adjournment or postponement thereof.

In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Registered Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Registered Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and delivered to either the Transfer Agent at Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof at which the proxy is to be used or the Chair of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or any adjournment or postponement thereof at which the proxy is to be used. Upon such deposit, the original proxy is revoked.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Registered Shareholder or (b) submission of a subsequent proxy in accordance with the procedures discussed under the heading "*Registered Shareholder and Duly Appointed Proxyholder Voting*".

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation. **Only Registered Shareholders have the right to revoke a proxy. If you are a Beneficial Shareholder, please contact your intermediary for instructions on how to revoke your voting instructions.**

EXERCISE OF DISCRETION BY MANAGEMENT NOMINEES

If the instructions in a proxy are certain, the Common Shares represented thereby will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions of the Shareholder by the person(s) named in the proxy and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the Common Shares represented thereby will, on any ballot that may be called for, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by a Shareholder, and the Management Nominees have been appointed, such Common Shares will, on a poll, be voted IN FAVOUR of the resolution.

The enclosed proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholder thereunder to vote with respect to any amendments or variations of the matters identified in the Notice and with respect to other matters which may properly come before the Meeting.

NOTICE-AND-ACCESS

The Company is not relying on the “Notice and Access” delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting. However, the Company is electronically delivering proxy-related materials to Shareholders who have requested such delivery method and encourages Shareholders to sign up for electronic delivery of all future proxy materials. The proxy materials for the Meeting can be found on SEDAR+ at www.sedarplus.ca under the Company’s profile and on the Company’s website at www.panam-energy.com.

The Compensation Plan was last approved by the shareholders of the Company at the Company's annual general meeting on December 11, 2024.

Eligible Persons

Awards may be granted to eligible employees, directors, officers or service providers of the Company or any of its subsidiaries (an “**Eligible Person**”). A participant (“**Participant**”) is an Eligible Person to whom an Award has been granted. An “**Award**” means any Option, RSU or deferred share unit (“**DSU**”) granted under the Compensation Plan.

Number of Shares available for Awards

The aggregate number of Common Shares issuable pursuant to Awards granted under the Compensation Plan must not exceed 20.0% of the issued and outstanding Common Shares at the time of the grant. We currently have 27,589,598 Common Shares issued and outstanding and, as such, we can issue up to a total of 5,517,920 Common Shares under the Compensation Plan.

Options

During the year ended March 31, 2025, no Options were granted.

As of the date of this Circular, there are 1,110,000 Options outstanding.

RSUs

During the year ended March 31, 2025, no RSUs were granted.

As of the date of this Circular, there are 759,584 RSUs outstanding.

DSUs

The Company's Compensation Plan provides for the grant of DSUs to eligible directors, which such directors are entitled to redeem for 20 business days following the date of their separation from the Board (subject to certain exceptions for U.S. taxpayers). Each vested DSU entitles the holder to receive one Common Share. As of the date of this Circular, there were no DSUs outstanding. No DSUs were granted during the year ended March 31, 2025.

Total

As of the date of this Circular, there are 1,869,584 Common Shares subject to outstanding Options, DSUs and RSUs in total, representing approximately 6.78% of the total number of issued and outstanding Common Shares on the date hereof.

Number of Shares under Award Grant

Subject to complying with all requirements of the CSE and the provisions of the Compensation Plan, the number of Common Shares that may be purchased or received under any Award will be determined and fixed by the Board at the date of grant.

Administration

Unless otherwise determined by the Board, the Compensation Plan shall be administered by the Board or a committee designated by the Board. The Board (or a committee of the Board, as the case may be) shall have the power, where consistent with the general purpose and intent of the Compensation Plan, and subject to the specific provisions of the Compensation Plan, to (a) adopt and amend rules and regulations relating to the administration of the Compensation Plan, (b) to correct any defect or supply any omission or reconcile any inconsistency in the Compensation Plan or in any related agreement in the manner and to the extent it shall deem expedient to carry the Compensation Plan into effect, (c) to determine and designate from time to time the individuals to whom Awards shall be made, the amounts of Awards and other terms and conditions of the Awards and (d) delegate any of its responsibilities or powers under the Compensation Plan to a Board committee.

Options

Exercise price of Options

The exercise price per Common Share under each Option will be determined by the Board in its sole discretion, provided that such price may not be less than the greater of the trading price at which the Common Shares traded on the CSE as of the close of market on (a) the trading day immediately prior to the date such Option is granted and (b) the date such Option is granted.

Vesting Terms and Restrictions

Vesting terms and restrictions of the Options shall be determined by the Board on a case by case basis, provided that, unless otherwise determined by the Board, Options shall vest as to 25% of the Options subject to a grant on the date of grant and as to an additional 25% of the Options subject to a grant on each six-month anniversary of the date of grant, such that, following the 18-month anniversary of the date of grant, all of the Options subject to the grant shall be fully vested.

Cashless Exercise Right

Participants have the right (the “**Cashless Exercise Right**”), in lieu of the right to exercise an Option, to terminate such Option and receive the number of Common Shares which is equal to the quotient obtained by (a) subtracting the applicable exercise price from the trading price at which the Common Shares traded on the CSE as of the close of market on the business day immediately prior to the exercise of the Cashless Exercise Right, and multiplying the remainder by the number of Common Shares subject to the Option(s) being terminated and (b) dividing the product obtained in (a) by the trading price at which the Common Shares traded on the CSE as of the close of market on the business day immediately prior to the exercise of the Cashless Exercise Right. The Cashless Exercise Right is only available to a Participant to the extent and on the same conditions that such Participant’s Options are exercisable pursuant to the terms of the Compensation Plan and such Options.

Term of Options and Causes of Cessation

Subject to the requirements of the CSE, or upon earlier termination in accordance with the Compensation Plan as described below, each Option will expire on the date determined by the Board and specified in the Option agreement pursuant to which such Option is granted, provided that such date may not be later the 10th anniversary of the date on which such Option is granted, provided further that at any time the expiry date of an Option occurs either during a blackout period imposed by the Company or within ten business days following the expiry of a blackout period imposed by the Company, the expiry date of such Option will be deemed to be the date that is the tenth business day following the expiry of such blackout period.

In the event a Participant ceases to be an Eligible Person for any reason, other than the death of the Participant or the termination of the Participant for cause, unless otherwise determined by the Board, any Option held by such Participant on the date the Participant ceases to be an Eligible Person shall become exercisable for a period of up to 12 months thereafter, or prior to the original expiration of the Option, whichever is sooner.

In the event of a termination of the Participant for cause, no Option held by such Participant will, unless otherwise determined by the Board, be exercisable following the date on which such Participant is terminated.

In the event a Participant ceases to be an Eligible Person as a result of the death of the Participant, any Option held by such Participant at the date of death shall become exercisable, to the extent that the Participant was entitled to exercise such Options at the date of death, for 12 months after the date of death or prior to the original expiration of such Options, whichever is sooner, unless otherwise determined by the Board, but only by the person or persons to whom the Participant’s rights under the Option shall pass by such Participant’s will or applicable laws of descent and distribution.

Change of Control, Amalgamation or Merger

In the event of a Change of Control (as that term is defined in the Compensation Plan), unless otherwise determined by the Board, (i) all Options outstanding shall immediately vest and be exercisable and (ii) all Options that are not otherwise exercised contemporaneously with the completion of the Change of Control will terminate and expire immediately thereafter.

Subject to the provisions governing the treatment of Options in connection with a Change of Control, if the Company amalgamates or otherwise completes a plan of arrangement or merges with or into another corporation, any Common Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Participant would have received upon such amalgamation,

arrangement or merger if the Participant had exercised his or her Option immediately prior to the record date applicable to such amalgamation, arrangement or merger, and the Option price shall be adjusted appropriately by the Board.

Restricted Share Units

Grant and Redemption of RSUs

The Board has the authority to grant RSUs to any Eligible Person as a discretionary payment in consideration of service to the Company or as an incentive for future services, subject to the terms and conditions of the Compensation Plan and such other additional provisions and restrictions as the Board may determine. At the end of the vesting period applicable to a RSU (the “**Restricted Period**”), or upon the achievement of performance conditions to be achieved by the Company and/or a Participant or group of Participants, and, subject to any applicable deductions and withholding, without the payment of additional consideration or any other further action on the part of the Participant, the Company will issue to the Participant one Common Share for each RSU held by the Participant for which the Restricted Period has expired or the performance conditions have been achieved. Participants who are residents of Canada may elect to defer receipt of all or any part of the Common Shares underlying RSUs until one or more deferred payment dates.

Term of RSUs and Causes of Cessation

In the event of the retirement or termination of a Participant during the Restricted Period or prior to the achievement of any applicable performance conditions (as the case may be) applicable to any RSUs, any such RSUs will immediately terminate and be of no further force or effect; provided, however, that the Board will have the absolute discretion to modify the grant of the RSUs to provide that the Restricted Period will terminate, or the performance conditions will be deemed to have been met, immediately prior to a Participant’s termination or retirement.

In the event of the retirement or termination of a Participant following the Restricted Period or the achievement of any applicable performance conditions (as the case may be) applicable to any RSUs, but prior to the settlement of any such RSUs, the Participant shall be entitled to receive Common Shares in satisfaction of such RSUs.

In the event of the death or total disability of a Participant, any RSUs held by the Participant shall immediately vest and the Common Shares underlying such RSUs shall be immediately issued by the Company to the Participant or the legal representative of the Participant.

In the event of a Change of Control (as that term is defined in the Compensation Plan), all RSUs outstanding shall vest immediately and be settled by the issuance of Common Shares.

Dividends

The Board, in its sole discretion, may credit additional RSUs to the Participant in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Common Shares. The number of additional RSUs to be credited to the Participant as of the payment date of any such dividend will be determined by dividing the dollar amount of the dividend that would have been paid to the Participant in respect of the RSUs in the Participant’s account on the dividend record date had they been outstanding Common Shares by the greater of the closing market price of the Common Shares on (i) the trading day prior to the date the dividends were paid and (ii) the date the dividends were paid.

Deferred Share Units

Grant of DSUs

The Compensation Plan allows for the grant of DSUs to any eligible director with the specific terms and conditions thereof to be as provided in the Compensation Plan and determined by the Board and reflected in the DSU agreement entered into in respect of such grant. Each DSU will entitle the holder to receive one Common Share, subject to adjustment in accordance with the terms of the Compensation Plan. The number of DSUs granted at any particular time will be calculated to the nearest DSU, and be determined by dividing (a) the dollar amount of compensation payable in DSUs by (b) the greater of the closing market price of the Common Shares on (i) the trading day prior to the date of grant of the DSUs and (ii) the date of grant of the DSUs.

Redemption of DSUs

The DSUs held by an eligible director who is not a U.S. taxpayer shall be redeemed automatically and with no further action by the eligible director on the 20th business day following such director's Separation Date (as that term is defined in the Compensation Plan). For U.S. taxpayers, DSUs held by an eligible director who is a Specified Employee (as that term is defined in the Compensation Plan) will be automatically redeemed with no further action by the eligible director on the date that is six months following such director's Separation Date, or earlier upon the death of such eligible director.

On the date of redemption, the Participant will be entitled to receive, and the Company will issue, a number of Common Shares from treasury equal to the number of DSUs in the Participant's account on the Separation Date, subject to any applicable deductions and withholdings. In the event that a Separation Date occurs during a year and DSUs have been granted to an eligible director for that entire year, the eligible director will only be entitled to a pro-rated DSU payment in respect of such DSUs based on the number of days that he or she was an eligible director in such year.

Dividends

Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Common Shares, an eligible director may be credited with additional DSUs. The number of such additional DSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the eligible director if the DSUs in the eligible director's account on the dividend record date had been outstanding Common Shares (and the Participant held no other Common Shares) by (b) the greater of the closing market price of the Common Shares on (i) the trading day prior to the date the dividends were paid and (ii) the date the dividends were paid.

Procedure for Amending

Subject to the provisions of the Compensation Plan and the requirements of the CSE, the Board has the right at any time to suspend, amend or terminate the Compensation Plan or any Award granted under the Compensation Plan, without shareholder approval, including, but not limited to, making: (i) amendments of a clerical nature; (ii) amendments regarding the persons eligible to participate in the Compensation Plan, (iii) amendments to the exercise price, vesting, term and termination provisions of an Award, (iv) changes to the Cashless Exercise Right provisions, and (v) amendments regarding the authority and role of the Board under the Compensation Plan; provided that: (A) any such amendment, suspension or termination is in accordance with applicable laws and the rules of the CSE, (B) no amendment to the Compensation Plan or an Award will have the effect of impairing, derogating from or otherwise adversely affecting the terms of an Award which is outstanding at the time of such amendment without the written consent of the holder of

EMPLOYMENT, CONSULTING AND MANAGEMENT AGREEMENTS

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. During the most recently completed financial year, aside from routine participation in Awards granted pursuant to the Compensation Plan, which are at the discretion of the Board, there were no agreements or arrangements which provided for compensation to NEOs or directors of the Company, or which provided for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director's responsibilities, other than: (i) the consulting agreement between the Company and Bordeaux Futures Consulting Corp. dated May 15, 2023 (the "**Lamoureux Agreement**"); and (ii) the consulting agreement between the Company and Blackstone Consulting Inc. dated December 13, 2021 (the "**More Agreement**").

The Lamoureux Agreement

The Lamoureux Agreement is a standard form executive consulting agreement whereby Mr. Lamoureux (through Bordeaux Futures Consulting Corp.) agrees to provide the Company with services as the Chief Executive Officer of the Company, and as compensation receives \$6,000 per month of services rendered (plus applicable taxes). Mr. Lamoureux also, pursuant to the Lamoureux Agreement, eligible for cash or Common Share bonuses, at the discretion of the Board, based on Mr. Lamoureux and the Company's performance and for the reimbursement of certain expenses associated with Mr. Lamoureux's performance of services for the Company.

The More Agreement

The More Agreement is a standard form executive consulting agreement whereby Mr. More (through Blackstone Consulting Inc.) agrees to provide the Company with the services as the Chief Financial Officer of the Company, and as compensation receives \$7,500 per month of services rendered (plus applicable taxes). Mr. More may be reimbursed by the Company for his expenses associated with the performance of his services for the Company with the prior agreement of the Company.

The More Agreement has an indefinite term, and may be terminated by mutual agreement, on thirty days' notice by Mr. More or the Company to the other or by the Company in the event of a material breach of the More Agreement, defined as (i) Mr. More being charged with committing a criminal offence or (ii) Mr. More engaging in, or being accused of engaging in, conduct which materially impairs (or, if publicized, is likely to materially impair) the reputation of the Company. In the event that the Company terminated the More Agreement by notice to Mr. More (other than in the case of a termination for material breach of the More Agreement), the Company would be required to pay Mr. More \$180,000 (equal to twenty-four months of service fees). In the event of a termination of the More Agreement by the Company for a material breach of the More Agreement, the Company would be required to pay Mr. More for any services provided up to and including the effective date of such termination.

The More Agreement contains a standard term with respect to the non-disclosure of the Company's confidential information. The More Agreement also contains a non-solicitation provision which prohibits the solicitation by Mr. More, directly or indirectly, of (a) any customer or prospective customer of the Company for the purpose of offering products or services that are the same as, substantially similar to or competitive with the business of the Company or (b) any supplier or person who is an employee of the Company to terminate their supplier contract or contract of employment with the Company, in each case for the term of the More Agreement and for twelve months following the termination of the More Agreement. Mr. More may provide his services to other business and organizations during the term of the More Agreement provided there is no conflict of interest or potential conflict of interest and provided that the provision of such services to third parties does not interfere with Mr. More's performance of his obligations under the More Agreement.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Compensation of Directors

Compensation of directors of the Company is reviewed periodically by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, a comparison of the compensation paid to members of the Board with similar compensation paid by other issuers of comparable size and nature and the availability of financial resources of the Company.

Currently, the directors of the Company are not compensated, other than through the receipt of Awards granted pursuant to the Compensation Plan at the discretion of the Board.

In the Board's view, there has been no need for the Company to design or implement a formal compensation program to date. While the Board considers equity incentive grants to directors under the Compensation Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of equity incentives. Other than the Compensation Plan, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Subject to the contractual requirements of the Lamoureux Agreement and the More Agreement, compensation of NEOs is reviewed periodically and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison of the compensation paid to NEOs by the Company with similar compensation paid by other issuers of comparable size and nature and the availability of financial resources of the Company, subject to the contractual requirements of the Lamoureux Agreement and the More Agreement.

Elements of NEO Compensation

Other than the payment of cash for the services of NEOs, as discussed above, the Company provides the Compensation Plan to motivate NEOs by providing them with the opportunity, through grants of Awards, to acquire an interest in the Company and benefit from the Company's growth. In determining the amount of cash compensation payable to a NEO, the Board considers various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison of the compensation paid to NEOs by the Company with similar compensation paid by other issuers of comparable size and nature and the availability of the Company's financial resources, subject to the contractual requirements of the Lamoureux Agreement and the More Agreement. The Board does not employ a prescribed methodology when determining the grant or allocation of equity incentives or cash bonuses to NEOs. While the Board does not formally identify a "peer group" in its determination of NEO compensation, the Board does consider the compensation paid to executives by other issuers of comparable size and nature in its determination of the level of compensation to be paid to the Company's NEOs. Other than the Compensation Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans or any other such benefit programs for NEOs.

PENSION PLAN BENEFITS

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.
