Management will accept questions via the chat, and individuals wishing to ask a question during the call can do so at any time.

An archive of the call will be available on the Company's YouTube channel and website following the call.

Curt Marvis, CEO and Co-Founder of QYOU Media added, "We are excited to share our Q3 results with shareholders. Our overall business is now committed exclusively to the Creator Economy and influencer marketing and our confidence grows each day that this strategy is working. We all look forward to having investors see the financial benefits of these refocused efforts."

About QYOU Media

Among the fastest growing creator driven media companies, QYOU Media operates in India and the United States through its subsidiaries, producing, distributing and monetizing content created by social media influencers and digital content stars. Our influencer marketing business in India, Chtrbox, is an influencer and marketing platform and agency, connecting brands/products and social media influencers. In the United States, we power major film studios, game publishers and leading brands to create content and market via creators and influencers. Founded and managed by industry veterans from Lionsgate, MTV, Disney, Sony and TikTok. QYOU Media's millennial and Gen Z-focused content has reached more than one billion consumers.
