MANAGEMENT INFORMATION CIRCULAR

FOR

THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 8, 2025

This Management Information Circular (this “Information Circular”) contains information as at October 31, 2025, unless otherwise stated.

INTRODUCTION

Scope Technologies Corp. (the “Company”) is providing this Information Circular and a form of proxy in connection with management’s solicitation of proxies for use at the annual general meeting (the “Meeting”) of shareholders (the “Shareholders”) of the Company to be held at Suite 704, 595 Howe Street, Vancouver, British Columbia on December 8, 2025 at 10:00 a.m. (Vancouver Time), or at any adjournment or postponement thereof.

All references to Shareholders are to registered holders of common shares (“Common Shares”) in the capital of the Company, unless specifically stated otherwise.

Date and Currency

The date of this Information Circular is November 5, 2025. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered Shareholders are entitled to vote. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on the record date of October 31, 2025, on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING BY PROXY

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Common Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Designated Persons as proxyholder, the Designated Person will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management of the Company at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for the determination of quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

COMPLETION AND RETURN OF PROXY

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Endeavor Trust Corporation at their offices located at 702 - 777 Hornby Street, Vancouver, BC V6Z 1S4 by mail or fax, no later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or adjournment thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only Shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are "non-registered" Shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited, in Canada, and the Depository Trust Company, in the United States (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form, as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("NOBOs"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

In accordance with the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), the Company has elected to send the Meeting materials directly to NOBOs and OBOs through Nominees. The Nominees (or their service companies) are responsible for forwarding the Meeting Materials to NOBOs and OBOs.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the issuer (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to Shareholders using "notice-and-access", as defined under NI 54-101.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, his attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Common Shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized share capital consists of an unlimited number of Common Shares without par value. As of the record date, being close of business on October 31, 2025, a total of 59,891,376 Common Shares were issued and outstanding.

Each Common Share carries the right to one vote at the Meeting. Persons who are registered Shareholders as of the record date will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Common Share held.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the Shareholders.

The board of directors of the Company (the “Board”) currently consists of four (4) directors, all of whom are elected annually. The term of each of the present directors of the Company expires at the Meeting. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at four (4).

Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting of Shareholders or until their successors are duly elected or appointed in accordance with the Company’s Articles or until such director’s earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed Form of Proxy will be voted for the nominees listed in the Form of Proxy, all of whom are presently members of the Board.

A Named Executive Officer or director is permitted for his or her own benefit and at his or her own risk, to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

The following information is intended as a brief description of the Equity Incentive Plan and is qualified in its entirety by the full text of the Equity Incentive Plan, a copy of which will be available for review at the Meeting. Capitalized terms not otherwise defined herein are as defined in the Equity Incentive Plan.

The Board adopted an equity incentive plan (the “Equity Incentive Plan”) on May 16, 2022. The purpose of the Equity Incentive Plan is to secure for the Company and its shareholders the benefits inherent in share ownership by the employees and directors of the Company and its affiliates who, in the judgement of the board of directors, will be largely responsible for its future growth and success, which aid in retaining and encouraging employees and directors of exceptional ability because of the opportunity offered to them to acquire a proprietary interest in the Company. The awards that may be granted under the Equity Incentive Plan include stock options (“Options”), deferred share units (“DSUs”) and restricted share rights

("RSUs"). The Equity Incentive Plan provides that, the aggregate number of securities reserved for issuance shall not exceed 10% of the number of the Common Shares issued and outstanding from time to time. The Equity Incentive Plan will be administered by the Board, which will have full and final authority with respect to the granting of all options thereunder.

Stock Options

Options may be granted under the Equity Incentive Plan to such eligible directors and employees, or service providers engaged by the Company to provide services for an initial, renewable or extended period of 12 months or more (collectively, the "Participants") as the Board from time to time designate. The exercise price of option grants shall be not less than the closing market price of the Shares on the trading day prior to such date (the "Fair Market Value"). The Equity Incentive Plan provides that the Option Period shall be five years from the date such Option is granted, or as determined by the Board. unless otherwise determined from time to time by the Board, Options shall vest and may be exercised as follows: (i) at any time during the Option Period at any time during the first six months of the Option Period, the Optionee may purchase up to 25% of the total number of Shares reserved for issuance pursuant to his or her Option; and (ii) at any time during each additional six-month period of the Option Period the Optionee may purchase an additional 25% of the total number of Shares reserved for issuance pursuant to his or her Option plus any Shares not purchased in accordance with subsection (i) and this subsection until, after the 18th month of the Option Period, 100% of the Option will be exercisable. No Option may be exercised unless the Optionee is at the time of exercise an employed or retained by the Company, or a Designated Affiliate and have been continuously employed or retained since the grant of the Option or a director of the Company or a Designated Affiliate and have been a director continuously since the grant of the Option. Optionees have a cashless exercise right in lieu of the right to exercise an Option. All Options terminate earlier as follows: (i) 12 months from the date of termination other than for cause; or (ii) 12 months from the date of death. Options granted under the Equity Incentive Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

Restricted Share Rights

RSUs may be granted under the Equity Incentive Plan to Participants as a discretionary payment in consideration of past services to the Company or as an incentive for future services as the Board may determine and for the purposes of calculating the number of RSUs to be granted, the Company shall value the Shares underlying such RSUs at not less than the Fair Market Value. The Board shall determine the Restricted Period of the RSUs at the time of grant, which may be subject to performance conditions to be achieved, to entitle the holder thereof to receive the underlying Shares and the Right shall be automatically settled upon expiry of the Restricted Period. Any RSUs held by the Participant shall immediately terminate in the event of the retirement or termination of the Participant during the Restricted Period and Shares shall be issued to the Participant in satisfaction of the RSUs in the event of retirement or termination of the Participant after the Restricted Period. In the event of the death or total disability of a Participant, any Shares represented by the RSUs held by the Participant shall be immediately issued by the Company to the Participant or legal representative of the Participant. Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Shares, a Participant may be credited with additional RSUs.

Deferred Share Units

DSUs may be granted to Eligible Directors in a lump sum amount or on a regular intervals, based on such formulas or criteria as the Board may from time to time determine. The DSUs will be credited to the Eligible Director's account when designated by the Board, and for purposes of calculating the number of the DSUs to be granted, the Company shall value the underlying Shares at not less than the Fair Market Value. The DSUs held by each Eligible Director who is not a US Taxpayer shall be redeemed automatically on the 20th business day following the Separation Date for that Eligible Director. For US Taxpayers, DSUs held by an Eligible Director who is a Specified Employee will be automatically redeemed on the date that is six months following the Separation Date for the Eligible Director, or if earlier, upon such Eligible Director's death. Upon redemption, the former Eligible Director shall be entitled to receive and the Company shall issue, the number of Shares issued from treasury equal to the number of DSUs in the Eligible Director's account, subject to any applicable deductions and withholdings. In the event a Separation Date occurs during a year and DSUs have been granted to such Eligible Director for that entire year, the Eligible Director will only be entitled to a pro-rated Unit Payment in respect of such DSUs based on the number of days that he or she was an Eligible Director in such year. In the event of the death of an Eligible Director, the DSUs shall be redeemed automatically on the 20th business day following the death of the Eligible Director. Subject to the absolute discretion of the Board, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Shares, an Eligible Director may be credited with additional DSUs. The number of such additional DSUs, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Eligible Director if the DSUs in the Eligible Director's account on the dividend record date had been outstanding Shares (and the Eligible Director held no other Shares), by (b) the Fair Market Value of the Shares on the date on which such dividends were paid.

CORPORATE GOVERNANCE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "Guidelines") adopted in National Policy 58-201. These Guidelines are not prescriptive but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company's approach to corporate governance is set out below.

Board of Directors

The Board is currently comprised of four (4) members. Under NI 52-110, an "independent" director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director's independent judgment. James Young is not independent due to his previous position as Chief Executive Officer of the Company, Alan Tam is not independent due to his position of Chief Financial Officer. All other directors are independent directors as they have no ongoing interest or relationship with the Company other than serving as a director.

Directorships

The following directors of the Company are directors of other reporting issuers:

Name of Director	Name of Reporting Issuer	Exchange
Alan Tam	Pacifica Silver Corp.	Canadian Securities Exchange

Orientation and Continuing Education

The Board provides an overview of the Company's business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company's records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to Shareholders. Generally, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Board is also responsible for applying governance principles and practices, tracking development in corporate governance, and adapting "best practices" to suit the needs of the Company. Certain of the directors of the Company may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with, and are subject to such other procedures and remedies as applicable under the BCA.

Nomination of Directors

The Board has not formed a nominating committee or similar committee to assist the Board with the nomination of directors for the Company. The Board considers itself too small to warrant the creation of such a committee; and each of the directors has contacts he can draw upon to identify new members of the Board as needed from time to time.

The Board will continually assess its size, structure and composition, taking into consideration its current strengths, skills and experience, proposed retirements and the requirements and strategic direction of the Company. In identifying potential Board candidates, the directors assess perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the technology industry may also be consulted for possible candidates.

Compensation

The Board reviews the compensation of its directors and executive officers annually. Compensation of directors and the Company's executive officers will be determined by the directors and the executive officers taking into account the Company's business ventures and the Company's financial position. See "Executive Compensation".

Other Board Committees

The Company has established an Audit Committee. There are no other committees of the Board.

Assessments

The Board has not implemented a process for assessing its effectiveness. As a result of the Company's small size and the Company's stage of development, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board does not formally assess the performance or contribution of individual Board members or committee members.
