TSX: U.UN AND U.U

SPROTT PHYSICAL URANIUM TRUST UPDATES ITS “AT-THE-MARKET” EQUITY PROGRAM

TORONTO, ON – January 26, 2026 – Sprott Asset Management LP (“Sprott Asset Management”), a subsidiary of Sprott Inc., on behalf of the Sprott Physical Uranium Trust (TSX: U.UN) (TSX: U.U) (the “Trust”), a non-redeemable investment fund created to invest and hold substantially all of its assets in physical uranium, today announced that it has updated its at-the-market equity program to issue up to U.S.\$1.0 billion of units of the Trust (“Units”) in Canada.

Distributions under the at-the-market equity program in Canada (the “ATM Program”) will be completed in accordance with the terms of an amended and restated sales agreement dated December 6, 2024 (the “Sales Agreement”) between Sprott Asset Management (as the manager of the Trust), the Trust, Cantor Fitzgerald Canada Corporation (“Cantor”), Virtu Canada Corp. (“Virtu”), BMO Nesbitt Burns Inc. (“BMO”) and Canaccord Genuity Corp. (“Canaccord” and, together with Cantor, Virtu and BMO, the “Agents”). The Sales Agreement is available at the SEDAR+ website maintained by the Canadian Securities Administrators at www.sedarplus.ca.

Sales of Units through the Agents, acting as agent, will be made through “at the market” issuances on the Toronto Stock Exchange (“TSX”) or other existing trading markets in Canada at the market price prevailing at the time of each sale, and, as a result, sale prices may vary. The Agents may only sell Units on marketplaces in Canada.

The volume and timing of distributions under the ATM Program, if any, will be determined in the Trust's sole discretion. The Trust intends to use the proceeds from the ATM Program, if any, to acquire physical uranium in accordance with the Trust's objective and subject to the Trust's investment and operating restrictions.

The offering under the ATM Program is being made pursuant to a prospectus supplement dated January 26, 2026 (the “Prospectus Supplement”) to the Trust's Canadian short form base shelf prospectus dated January 22, 2026 (the “Base Shelf Prospectus” and together with the Prospectus Supplement, the “Offering Documents”). The Offering Documents are available on the SEDAR+ website maintained by the Canadian Securities Administrators at www.sedarplus.ca.

Before you invest, you should read the Offering Documents and other documents that the Trust has filed for more complete information about the Trust, the Sales Agreement and the ATM Program.

Listing of the Units sold pursuant to the ATM Program on the TSX will be subject to fulfilling all applicable listing requirements.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which an offer, solicitation or sale would be unlawful prior to registration or qualifications under the securities laws of any such jurisdiction.
