Re: MyECheck, Inc. Shell Status – Error Correction

To Whom It May Concern:

This letter serves to correct an error in a previous SEC filing regarding the shell status of MyECheck, Inc.

MyECheck has never been a shell company, however in the 10-KSB for the fiscal year ended October 31, 2007, a check box was marked indicating the company had been a shell company. This was an error and the correct response is “NO” the company is not a shell company.

Sincerely,

A handwritten signature in black ink that reads "Ed Starrs". The signature is written in a cursive, flowing style.
