**GO GREEN GLOBAL TECHNOLOGIES CORP.**  
(a Development Stage Company)  
**NOTES TO FINANCIAL STATEMENTS**  
(Internally-Prepared and Unaudited)  
December 31, 2013

**NOTE 1 - INTERNALLY-PREPARED AND UNAUDITED INFORMATION**

The balance sheet of **Go Green Global Technologies Corp.** (the "Company") as of December 31, 2013, and the statements of operations and cash flows for the 12-months ended December 31, 2013 are internally-prepared and have not been audited. However, in the opinion of management, such information includes all adjustments (consisting only of normal recurring adjustments) which are necessary to properly reflect the financial position of the Company as of December 31, 2013, and the results of operations for the 12-months ended December 30, 2013. Certain information and notes normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted, although management believes that the disclosures are adequate to make the information presented not misleading. Interim period results are not necessarily indicative of the results to be achieved for an entire year. These financial statements should be read in conjunction with the financial statements and notes to financial statements included in the Company's un-audited financial statements as of December 31, 2012 and calendar year then ended.

**NOTE 2 - ORGANIZATION AND DESCRIPTION OF BUSINESS**

**Go Green Global Technologies Corp.** (OTCPK: GOCR) was incorporated in the State of Nevada on February 22, 2006. The Company maintains its principal executive offices at 115 Hurley Road, Unit 1A, Oxford, Connecticut 06478. The company is dedicated to the development of innovative products that help support and sustain the environment by minimizing pollution and increasing energy efficiency. The company's unique and patented Sonical™ products utilize pulsed variable frequency electrical field technology to create new solutions for non-chemical water treatment and combustion fuel enhancement in a wide variety of existing commercial applications. The company also holds distribution rights in North America for Archoil® brand fuel additives, oil additives, and lubricants produced by Evergreen America, Inc., and intends to sell a range of biodegradable and non-toxic products featuring Nanoborate lubrication technology as a complement to its Sonical™ product line for further improving fuel efficiency in combustion engines and mechanical systems.

As of December 31, 2013 we had two full-time employees, our Chief Executive Officer, Mr. John D'Alessandro and our Chief Operating Officer and President, Mr. Geoffrey Grzywinski. Subsequent to December 31, 2012 the company hired Mr. Paul Murdock as Chief Operator Officer and President, replacing Mr. Grzywinski. We presently have eight, commission-based independent contractors engaged in the development and execution of our business strategy and sales objectives. With the exception of our legal counsel, all contractors have received only equity and sales commissions for their services.

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF PRESENTATION - DEVELOPMENT STAGE COMPANY**

The Company is a development stage company as defined by ASC 915-10-05, "Development Stage Entity". The Company is still devoting substantially all of its efforts on establishing the business and its planned principal operations have not commenced. All losses accumulated, since inception, have been considered as part of the Company's development stage activities.

**ACCOUNTING METHOD**

The Company's financial statements are prepared using the accrual method of accounting. The Company has elected a fiscal year ending on December 31.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. In the opinion of management, all adjustments necessary in order to make the financial statements not misleading have been included. Actual results could differ from those estimates.

**CASH EQUIVALENTS**

The Company considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents.

**BASIC EARNINGS (LOSS) PER SHARE**

Basic earnings (loss) per share is computed by dividing net income, or loss, by the weighted average number of shares of common stock outstanding for the period. Diluted earnings (loss) per share is computed by dividing net income, or loss, by the weighted average number of shares of both common and preferred stock outstanding for the period.

**IMPACT OF NEW ACCOUNTING STANDARDS**

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the accompanying financial statements.

**NOTE 4 - LOANS FROM HARRIS LAKE INC.**

On September 1, 2010, Harris Lake, Inc., an existing shareholder of the Company, loaned the Company \$50,000 with a maturity date of September 1, 2015 and an interest rate of 6.5% per year. Prior to 2013, payments totaling \$5,000 have been made reducing the current interest obligation and not applied to principal. In 2013, an additional \$20,000 payment was made that reduce principal owed.

**NOTE 5 - SHAREHOLDER'S EQUITY**

As of December 31, 2013, the Company could issue up to 75,000,000 shares of common stock. Included in this number, is 4,000,000 shares of preferred stock that the company has authorized. The company has not authorized any other class of stock. The par value of the Company's common and preferred shares is \$0.001.

**NOTE 6 - RELATED PARTY TRANSACTIONS**

The Company neither owns nor leases any real or personal property. An officer of the corporation provides office services without charge. Such costs are immaterial to the financial statements and accordingly, have not been reflected therein.

**NOTE 7 - COMMITMENT AND CONTINGENCY**

There is no commitment or contingency to disclose during the period ended December 31, 2013.

**NOTE 8 - SUBSEQUENT EVENTS**

The Company has performed an evaluation of subsequent events in accordance with ASC Topic 855 and the Company is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

**CERTIFICATION**

I have reviewed this quarterly/annual report of Go Green Global Technologies Corp.;

Based on my knowledge, this disclosure statement does not contain any untrue statement of material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this disclosure statement; and
