## 6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

UMining Resources Inc. (UMNG) is a Development Stage Company that intends to enter and exploit the exciting business opportunities in the cultural industries across the world. The company will attempt as a goal, to be "the alternative" multi-media company to listen, view and basically "consume" original multimedia content. It has started to transform itself into "the alternative" multi-media company by building alliances with international companies. UMNG will "mine" the world's media and cultural archives, both for new and forgotten "treasures!"

With this in mind, on February 27, 2014, UMining Resources Inc. announced and began a new joint venture with Get It Tunes Agora Inc. (GITA), a New York State registered corporation. (www.getittunesagora.com)

UMNG proposes to generate revenues by using the websites, proprietary catalogues and software of GITA, to offer "world class" multimedia content directly to consumers. By offering live streaming of shows and concerts, we also plan to obtain revenues through sponsorships and advertising. We will use GITA's expertise to facilitate social media interaction between artists/groups and fans.

The Company has begun to acquire rights of works in the Spanish language and is initially targeting the Hispanic segment, because the upscale Latinos have been the most market changing influence since the baby boomers. Especially as they like to "consume" content in both languages! UMNG plans to build a proprietary catalogue, offering what consumers are searching for, on their mobile devices and computers.

The company will be acquiring rights of works in the Spanish language, for international marketing, and distribution of its own titles. Similarly, knowing that there is a need for new content on the international circuit television, we will plan in parallel, subtitled versions of English, French, Russian, and Portuguese. In the short term, projects will be targeted mainly to the Hispanic segment in the U.S., Spain, Puerto Rico, Colombia, Venezuela, Mexico, Dominican Republic, Panama, Ecuador and Peru, given the similarity of language and cultural codes, as well as international TV channels.

UMNG will also build alliances with international companies in the sector for the promotion and marketing of their products and services.

- Selling to secondary TV markets around the world, in 6 different languages, the different multimedia content
- Offer voice over services in 6 languages (French, English, Spanish, Italian, Portuguese, and Russian).
- Receive booking and placement revenues from international live acts and shows
- Obtain promotional and advertising revenues on our different web sites to be created

• Further generate revenues by using websites and software to offer unparalleled "world class "multimedia content directly to consumers.

UMNG plans make available interesting and varied multimedia. Among the offerings: Films, shows, music, documentaries, music videos, live and streaming concerts, etc.

- It will allow consumers to access free content, short previews of content that can be purchased, updates on their favorite artists through social media feeds, an "all in one site" for fans and casual web surfers looking for something different and exciting.
- Artists and companies will be able to showcase their "content. UMNG will publicize, promote, and
  offer a web site for all artists to showcase and sell their content worldwide. Musicians, dancers,
  film producers, music studios, media art students, poets, writers, etc. will be among the users and
  they will be able to market themselves.
- This website will also include links and news of upcoming shows of the artists. Social media feeds
  will be automatically uploaded to the fans that have accounts, thus simplifying social media
  networking for artists.

Anticipated and Projected Sources of Revenue

- Internet model- generating and sharing of revenue between artist, managers, music companies, studios, TV archives... etc. We will use websites and software to offer "world class "multimedia content directly to consumers.
- · Live streaming of shows and concerts
- Selling of packaged TV shows and Film productions to the worldwide market, in 6 available languages. Portuguese, Spanish, English, French, Farsi, and Russian
- Offer voice over services in 6 languages
- Receive booking and placement revenues from international live acts and shows
- Obtain promotional and advertising revenues on our different web sites to be created

The company proposes to continue work on setting up new contracts and partnerships in the second Quarter.
