6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's business operations;

EAC's business strategy is to enter car rental agreements that allow the renter to return the car with one calendar month's notice. The key differentiator to a normal car rental is that it allows its customers to earn their car by providing customers with a cash back bonus on termination of the rental agreement for each month that the customer was in good standing with EAC. This cash back along with a significant up-front administration fee is calculated to allow EAC to guarantee sufficient cash to allow the customer to buy the car or a similar car of his choice from EAC at the end of approximately 5 years. EAC's vehicles are equipped with immobilizing and positioning devices to protect the company if rental payments are not current. EAC's business model is to rent to persons whose financial credit would not ordinarily allow them to finance the purchase of an automobile.

EAC also sells pre-owned vehicles to retail customers through its same stores. This secondary activity is a result of our need to dispose of our older vehicles rather than a business activity in its own right.

EAC has no other material revenue earning businesses.

- B. Date and State (or Jurisdiction) of Incorporation:

Earn-A-Car, Inc. (Formerly Victoria Internet Services, Inc.) was incorporated in the State of Nevada on October 9, 2009. The company was initially organized to operate as an online tax preparation service in the North American market. On December 7, 2011, prior to commencing those operations, the company has opted to change its business focus to the daily rental of vehicles in the South African market.

On December 7, 2011, a simultaneous execution and closing was held under an Agreement and Plan of Reorganization (the Plan"), by and among Victoria Internet Services, Inc. (the "Company" "us" "we"), Leon Golden (our then principal shareholder) ("Golden") and Earn-A-Car (PTY), LTD., a corporation organized under the laws of the Republic of South Africa ("EAC") and Depassez Investments Ltd, a Seychelles corporation ("DPL"), owned by Graeme Hardie (our new principal shareholder) ("Hardie").

Under the Plan DPL acquired 78,500,000 shares of our common stock from Golden for \$150,000 and the balance of Golden's 205,000,000 shares were submitted to the transfer agent for cancellation and DPI contributed all of the shares of EAC to the Company so that EAC became a wholly owned subsidiary of the Company and the business of the Company is now the business of EAC. Mr. Golden also resigned as an officer and director of the Company and John Storey ("Storey") and Hardie were elected as directors and Storey was appointed CEO and President with Hardie being appointed Chairman of the board.

On February 10, 2012 the Company filed an amendment with the Secretary of State for Nevada to gain permission to change its name from Victoria Internet Services, Inc. to Earn-A-Car, Inc. In conjunction with the name change the Company also filed to have a new symbol on the Over The Counter Bulletin Board (OTCBB). As of March 8, 2012 the Company no longer is listed with the symbol VRIS, and is now listed on the OTCBB as EACR. In Feb2014, the company changed its listing to the OTCBB Pink "current information".
