H. Subsequent events:

On July 8, 2015, the Company issued 76,500,000 shares of common stock to acquire a previously, partially mined, 20 acre gold claim (MAV 5 G) in the Osceola Mining District in White Pine County, Nevada.

Effective June 29, 2015, the Company entered into a Mining Rights/Stock Purchase Agreement (the "Agreement") with Pizz Inc. ("Pizz"), a Nevada corporation. The Company will change its name to Osceola Gold, Inc. and become a mining company focusing on the commencement of drilling operations on underdeveloped goldmines, with particular focus on a claim in the well-known Osceola Mining District. The Company has a lease with Pizz to mine and operate a 20 acre gold claim (MAV 5 G) in the Osceola Mining District in White Pine County, Nevada.

The Company has options on Pizz Inc.'s 985 acre lease and anticipates gaining options on other claims. The Company has agreed to acquire such mining assets, and then form a subsidiary with such assets, as its wholly-owned subsidiary, in exchange for shares of Company common stock, representing voting control. The Company's two largest shareholders (IDGlobal Corporation and Robert Trinka) have agreed to enter into a Leak-Out Agreement.

As part of the transaction, the Company assumed a \$100,000 obligation for convertible debt, promising to pay the notes issued to Josephine Tarquinio, by Kapacke Mining, a Nevada corporation, since the investment by Ms. Josephine Tarquinio was for the purpose of developing the Osceola gold mine, known as claim MAV 5G which is located in White Pine County, Nevada with a parcel number of NMC-251809. The Company has also issued 6,000,000 shares of common stock as a partial conversion/repayment of this convertible note.

The current members of the board of directors (Robert Trinka and Richard Goulding) appointed Christopher Tarquinio to the board of directors and then resigned. As a result of these actions, Mr. Tarquinio is now the sole director, President, Treasurer and Secretary.

5) Financial Statements – Filed Separately

Provide the financial statements described below for the most recent fiscal year end or quarter end to maintain qualification for the OTC Pink Current Information tier. For the initial disclosure statement (qualifying for Current Information for the first time) please provide reports for the two previous fiscal years and any interim periods.

- A. Balance sheet;
- B. Statement of income;
- C. Statement of cash flows;
- D. Financial notes; and
- E. Audit letter, if audited

The financial statements requested pursuant to this item shall be prepared in accordance with US GAAP by persons with sufficient financial skills.

You may either (i) attach/append the financial statements to this disclosure statement or (ii) post such financial statements through the OTC Disclosure & News Service as a separate report using the appropriate report name for the applicable period end. ("Annual Report," "Quarterly Report" or "Interim Report").

If you choose to publish the financial reports separately as described in part (ii) above, you must state in the accompanying disclosure statement that such financial statements are incorporated by reference. You may reference the document(s) containing the required financial statements by indicating the document name, period end date, and the date that it was posted to otcq.com in the field below.

Information contained in a Financial Report is considered current until the due date for the subsequent Financial Report. To remain in the OTC Pink Current Information tier, a company must post its Annual Report within 90 days from its fiscal year-end date and Quarterly Reports within 45 days of its fiscal quarter-end date.

6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's current business operations;

PhyHealth, soon to be Osceola Gold, is the holder of that certain (MAV 5 G) claim grouping in the Osceola Mining District located in White Pine County (Baker), Nevada, which district has previously, been successfully mined since the district's PhyHealth Corporation (now, Osceola Gold, Inc., subject to FINRA approval), September 30, 2015 Quarterly Disclosure Statement Page 4 of 7

founding, circa 1872. The primary minerals that have been excavated in the Osceola Mining District have been gold and tungsten. The Osceola Mining District remains rich in gold and trace minerals. The claims immediately adjacent to Osceola Gold's claim are currently operated by North America's largest mining companies; among them, Barrick and Kennecott.

Having now paid the bond, the Company intends to commence mining its claim following the requisite notifications to the Bureau of Land Management, and will be mining its claim using traditional, non-chemical processes. The Company will be mining the MAV 5 G gold claim in accordance with a lease with Pizz Inc. The Company, in conjunction with its lease arrangement with Pizz, possesses the option to acquire adjacent claims, following its initial development and excavation of its current proven claim.

All of the senior executive management of Pizz and the Company are experienced in mining and activities and corporate management.
