Exchange Agreement with New You, LLC

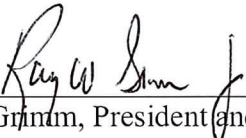

On January 9, 2019, we completed the closing of an Exchange Agreement with New You, LLC, a Wyoming limited liability company ("New You"), under which we acquired 100% of the outstanding membership interests of New You in exchange for the issuance of a total of 798,727,886 shares of common stock to the former members of New You on a pro rata basis. Two of our current officers and directors, Ray Grimm, Jr. and Nish Mehta, were members of New You.

Following the closing of the Exchange Agreement, New You will continue as our wholly-owned operating subsidiary and we intend to focus on the development of its business going forward. New You is a marketer and distributor of premium CBD products led by its founder and our CEO, Ray Grimm Jr.

Amendment to Articles of Incorporation

Immediately prior to the closing of the acquisition of New You, our Board of Directors and a majority of our shareholders approved an amendment to our Articles of Incorporation to increase our authorized common stock to 1,400,000,000 shares.
