Re: Adequate Current Public Information Relating to
Environmental Control Corp. and its Common Stock

Ladies and Gentlemen:

I have been asked by Environmental Control Corp., a Nevada corporation (the “**Issuer**”), to provide my opinion to OTC Markets Group Inc. (“**OTC Markets**”) with respect to the adequacy of the information relating to the Issuer and its common stock, par value \$0.001 per share (the “**Securities**”), contained in the Disclosure Statement of the Issuer pursuant to the *OTC Markets’ OTC Pink® Basic Disclosure Guidelines* (the “**Guidelines**”), to which is appended the financial statements of the Issuer for the years ended December 31, 2018 and 2017, as required by the Guidelines (the “**Financial Statements**”), which was posted by the Issuer to the OTC Disclosure & News Service on May 6, 2019 (collectively, the “**Disclosure Statement**”). OTC Markets may rely on the opinions set forth in this letter in assessing the Issuer’s compliance with the disclosure requirements set forth in the Guidelines and determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 15c2-11 of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and Rule 144(c)(2) under the Securities Act of 1933, as amended (the “**Securities Act**”). I hereby grant OTC Markets full and complete permission and rights to publish the letter through the OTC Disclosure & News Service for public viewing, but no person, entity or governmental authority other than OTC Markets may rely upon the opinions set forth herein.

While I represent the Issuer as independent counsel on a regular basis, my engagement has been limited to the specific matters as to which I have been consulted by the Issuer, which include rendering this opinion and related matters.

I do not own any securities of the Issuer and there is no agreement between me and the Issuer or me and any other person that provides for payment to me for services in shares of the Issuer’s securities.

In rendering the opinions set forth herein, I confirm that I have: (i) reviewed the Disclosure Statement; (ii) examined such corporate records and other documents and considered such questions of law which I deemed necessary for the purpose of rendering these opinions; (iii) telephonically met with management and with Board of Directors of the Issuer; and (iv) discussed the Disclosure Statement with management and the Board of Directors of the Issuer.

Further, in rendering the opinions set forth below, I have relied upon written representations made by Chang Qi, the sole officer and director of the Issuer and the holder of 56.83% of the Issuer's outstanding common stock, whom I believe to be reliable. As to matters of fact, I have relied on information obtained from public officials, officers and agents of the Issuer and other sources, all of which I believe to be reliable.

Based on the foregoing, it is my opinion, as of the date of this letter, that the Disclosure Statement:

(i) constitutes "adequate current public information" concerning the Issuer and the Securities and "is available" within the meaning of Rule 144(c)(2) under the Securities Act by virtue of its being published and disclosed by the Issuer through the OTC Disclosure & News Service;

(ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Exchange Act;

(iii) complies as to form with the Guidelines; and

(iv) the Company currently is a "shell company" as defined in Rules 405 of the Securities Act and 12b-2 of the Exchange Act.

The opinions expressed herein are limited to the federal laws of the United States applicable therein and I express no opinion as to the laws of any other jurisdiction. I express no opinion as to the form or content of the Financial Statements.

I am advised that the Financial Statements were prepared by Chang Qi, the president of the Issuer, in consultation with colleagues in China who work with financial statements as a regular part of their business routine, and I received a signed representation letter from Ms. Qi to such effect. Based upon an Officer, Director and Principal Stockholder Questionnaire completed and signed by Ms. Qi, I am advised that she holds a bachelor of science degree from Philips University located in Marbury, Germany, and a master's in business administration from International Hotel and Tourism College located in Weggis, Switzerland. Ms. Qi's curriculum vitae states that from 2008 to 2015, she was the assistant to the Chief Executive Officer of Diamond Aircraft GmbH and was

responsible for developing strategies to augment efficiencies in government procurement and contracting, among other areas. Further, from 2006 to 2008, she was the assistant to the chief executive officer of Schaeffler GmbH, the stock of which is listed on Frankfurt Stock Exchange, where she developed solutions to complex business problems utilizing financial review and reporting tools to assist management in reaching informed decisions; participated in contract negotiations, organizational reengineering and human resource management; participated in annual budget reviews; implemented an enterprise resource planning (ERP) system with application in the purchase, logistic and finance departments; and participated in the establishment of a new plant for future production opportunities. In speaking with Ms. Qi, I note that her English is flawless and I am advised that her German language skills are strong, though I could not independently confirm this fact.

The name and address of the Issuer's transfer agent is:

Empire Stock Transfer Inc.

1859 Whitney Mesa Drive

Henderson NV 89014

Telephone: 702-818-5898

Email: info@empirestock.com

The Issuer's transfer agent is registered under the Exchange Act.

With respect to confirming the number of outstanding shares set forth in the Disclosure Statement, the transfer agent provided the Issuer with a report that included the name of each shareholder, the number of shares of common stock outstanding and the total number of shares outstanding shares. I then confirmed that the number of outstanding shares set forth in the Disclosure Statement was identical to the number of outstanding shares in the report.

To the best of my knowledge, after inquiry of the Issuer's officer and director, I am not aware that any 5% holder of securities of the Issuer is currently subject to an investigation under any federal or state regulatory authority for violation of federal or state securities laws.

I am a resident of the United States and licensed to practice law in the State of New York. I am permitted to practice before the U.S. Securities and Exchange Commission and have not been prohibited from practice thereunder. I have never been suspended or barred from practicing law in any state or jurisdiction nor has there been civil or criminal case against me in the last five years. I am not currently and have never been subject to an investigation under any federal or state regulatory authority for violation of federal or state securities laws.
