(Unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

Future Science Holdings, Inc. (the “Company”) (formerly White Mountain Titanium Corp.) was incorporated on February 19, 2004 under the laws of the State of Nevada. On April 24, 2019, the District Court for Clark County, Nevada, entered an order appointing a custodian for White Mountain Titanium Corp. On June 28, 2019, the Custodian appointed a new interim officer and a sole director, Luis Rodriguez. On July 2, 2019, the Custodian filed a Certificate of Designation with the Nevada Secretary of State to authorize 5,000,000 shares of Preferred C Stock. The Custodian issued 900,000 shares of the Convertible Preferred Series C to Bridgeview Capital Partners, LLC. These shares represent a majority of the voting power of the Company, with each one share, holding 1,000 votes of common stock. On September 18, 2019, the Custodianship was terminated by the District Court for Clark County, Nevada.

The Company filed a Certificate of Amendment with the Nevada Secretary of State on July 19, 2019, to change its name to Future Science Holdings, Inc.

On September 23, 2019, FINRA approved a corporate action to change the name of the company to Future Science Holdings, Inc.

Future Science Holdings, Inc. is a multi-strategy technology company with a focus on developing or acquiring control and/or hold companies with synergies in technology. Currently, the Company is searching/researching for new investment opportunities, with a principal business objective of starting up a new business, acquiring all or part of an existing business and/or a combination with an existing business in the technology sector.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

Our unaudited condensed financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America (“U.S. GAAP”), and pursuant to the rules and regulations of the Securities and Exchange Commission (the “SEC”). In the opinion of our management, all adjustments, including normal recurring adjustments necessary to present fairly our financial position, as of December 31, 2022, and the results of our operations and cash flows for the year then ended have been included.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the estimated useful lives of property and equipment. Actual results could differ from those estimates.

Recently issued accounting pronouncements

The Company has implemented all new accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 3 - GOING CONCERN

The Company’s unaudited financial statements are prepared using accounting principles generally accepted in the United States of America applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not established any source of revenue to cover its operating costs and has an accumulated deficit. These conditions raise substantial doubt about the company’s ability to continue as a going concern. The Company will engage in limited activities without incurring significant liabilities that must be satisfied in cash until a source of funding is secured. The Company will offer noncash consideration and seek equity lines as a means of financing its operations. If the

Company is unable to obtain revenue producing contracts or financing or if the revenue or financing it does obtain is insufficient to cover any operating losses it may incur, it may substantially curtail or terminate its operations or seek other business opportunities through strategic alliances, acquisitions or other arrangements that may dilute the interests of existing stockholders.

NOTE 4 – CONVERTIBLE NOTES PAYABLE

On June 23, 2019, the Company entered into a convertible promissory note with Bridgeview Capital Partners, LLC for \$33,000. On July 2, 2019, Bridgeview Capital Partners, LLC assigned the note and accrued interest to Wagercorp, Inc., a non-related third party. The note accrues interest at 10% per annum and is due on or before December 16, 2020.
