4) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. (Please ensure that these descriptions are updated on the Company's Profile on www.otcmarkets.com).

A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Ultrack Systems, Inc., is one of the leading providers of GPS tracking solutions. We develop implement and distribute electronic monitoring and tracking systems for companies in leasing, transportation, construction, disposal and many other service driven industries.

B. List any subsidiaries, parent company, or affiliated companies.

On October 31, 2016, the the Company issued 20,000,000 restricted shares for the purchase of Blip Systems Inc. The Company owns 100% of Blip Systems Inc. and Michael S. Marsbergen is the sole officer and director of the corporation.

C. Describe the issuers' principal products or services.

Ultrack Systems, Inc. - We help our clients locate, track and manage their assets using todays leading edge wireless and GPS based technologies. This means we are able to provide an accurate and affordable means of tracking moving assets. Ultrack Systems, Inc., GPS information is also useful to officials in cities where certain vehicles are not allowed in areas at specific times or days because of mass congestion. The software operator will be notified by setting up an electronic boundary or what we call a geo-fence. Those vehicles within the fence at restricted times can then be easily pointed out and fined accordingly from the comfort of the administrator's chair. A great way in keeping all vehicles obeying rules, raising money for the city and keeping congestion under control. Police or other traffic authorizes can focus on other types of violators making them more effective and using less man power.

Ultrack Systems, Inc., is one of the leading providers of GPS tracking solutions. We develop implement and distribute electronic monitoring and tracking systems for companies in leasing, transportation, construction, disposal and many other service driven industries.)

Our compact trackers, and our easy to use tracking software allow us to monitor or track any asset virtually anywhere in the world. This kind of application results in improved security, productivity, and customer service that surpasses our competition. Monitor your driver's routes and location at all times. Streamline their paths to maximize driving time and fuel consumption. Each vehicle outfitted with a unit can be seen from our virtual map platform. Vehicles outfitted with a unit will appear as a code on our screen. By clicking on the vehicle you wish to see, it will show you the path that it travelled and current location. Click on the additional screen that gives you a more detailed report referencing idling time, kilometres travelled, speed, braking and much more. It is like being a fly on the wall and seeing everything. Managing a fleet of 10 or a 1000 vehicles becomes easy, efficient and effortless. This tool is useful in determining the quality of driver you have behind the wheel and who is an asset or a liability to the company.

During Q1 & Q2, 2021, the Company continues to develop their new ELD technology to meet the mandated changes within their industry. The conservative market value to the NEW ELD is \$500,000 once completed and approved. Currently the Company is expecting full approvals by December, 2021 therefore, as of June 30, 2021 the NEW ELD is valued at \$350,000 on our Balance Sheet under intangible assets. The Company is in the process of developing a new technology and has invested \$100,000 into R&D as of September 30th, 2021.

During the 2nd quarter 2022, the Company acquired MLoans Inc., a California corporation for restricted common shares of the Company. Mloans is a commercial equipment financing company and it is a preferred vendor for some of the larger equipment dealers in the country. Shares for this acquisition will be issued before the end of Q4, 2022. Due to the delay in ELD certification, Ultrack and MLoan mutually agree to rescind their agreement and the effective date will be October 1, 2022. Both parties will cancel any share issuance per the agreement.

Ultrack Systems, Inc. is one of the leading providers of GPS tracking solutions. We develop, implement and distribute electronic monitoring and tracking systems for companies in leasing, transportation, construction, disposal and other service driven industries.

2. SIGNIFICANT ACCOUNTING POLICIES

The Company's accounting policies conform to United States generally accepted accounting principles and have been consistently applied in the preparation of these financial statements.

The financial statements included herein have not been audited by an independent registered public accounting firm, but include all adjustments (including normal, recurring entries), which are, in the opinion of management, necessary for a fair presentation of the results for such periods.

a) Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

b) Revenue Recognition

The Company recognizes revenue when earned in accordance with SEC Staff Accounting Bulletin No 101. "Revenue Recognition in Financial Statements".

3. INVESTMENTS

The Company owns certain laboratory equipment, conservatively valued at \$15,000 as a result of an asset purchase with Greenscape Laboratories, Inc., of Wyoming. The purchase price was ten million (10,000,000) shares of restricted common stock. On July 17, 2015 the Company acquired 100% of Ultrack Systems, Inc., for 152,326,468 restricted common shares and conservatively valued their equipment and inventory at \$23,972.
