¹ Restricted Shares means securities that are subject to resale restrictions for any reason. Your transfer agent should be able to provide the total number of restricted securities.

² Public Float means the total number of unrestricted shares not held directly or indirectly by an officer, director, any person who is the beneficial owner of more than 10 percent of the total shares outstanding (a "10 percent Control Person"), or any Affiliates thereof, or any Family Members of officers, directors, and control persons. Family Member shall mean a Person's spouse, parents, children, and siblings, whether by blood, marriage or adoption, or anyone residing in such Person's home. OTCQB traded securities are required to have a freely traded public float of at least 10% of the shares outstanding unless an exemption applies.

³ Beneficial Shareholder means any person who, directly or indirectly has or shares voting power of such security or investment power, which includes the power to dispose, or to direct the disposition of, such security. OTCQB traded securities are required to have at least 50 beneficial shareholders unless an exemption applies.

5. Convertible Debt:

The following is a complete list of all promissory notes, convertible notes, convertible debentures, or any other debt instruments that may be converted into a class of the issuer’s equity securities that were issued or outstanding at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this OTCQB Certification. **(If the note is no longer outstanding as of the current date, but was outstanding during the previously described timeframe, the note must still be disclosed in the table below.):**

☒ Check this box if there were no promissory notes, convertible notes, or other convertible debt arrangements issued or outstanding at any point during this time period.

Date of Note Issuance	Principal Amount at Issuance (\$)	Outstanding Balance (\$) ⁴	Maturity Date	Conversion Terms (e.g., pricing mechanism for determining conversion of instrument to shares)	# Shares Converted to Date	# of Potential Shares to be Issued Upon Conversion ⁵	Name of Noteholder (entities must have individual with voting / investment control disclosed). ⁶	Reason for Issuance (e.g., Loan, Services, etc.)

⁴ The Outstanding Balance is to include accrued interest.

⁵ The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any “blockers” or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

⁶ International Reporting Companies may elect not to disclose the names of noteholders who are non-affiliates of the company. “Affiliate” is a Person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, an officer, a director, or a shareholder beneficially owning 10 percent or more of the Company’s outstanding shares.

7. Investor Relations Providers:

The following is a complete list of third-party providers, engaged by the Company, its officers, directors or controlling shareholders, at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this OTCQB Certification, to provide investor relations services, public relations services, marketing, brand awareness, consulting, stock promotion, or any other related services to the Company. Please include the following items in this list: firm name, firm address, primary contact name and description of services provided. If none, please state "None".

8. Officers, Directors and 5% Control Persons:

The following is a complete list of Officers, Directors and 5% Control Persons (control persons are beneficial owners of five percent (5%) or more of any class of the issuer's equity securities). Preferred shares, options, warrants that can be converted into common shares within the next 60 days should be included in the shareholdings listed below.

For beneficial shareholders that are corporate entities: Provide the name and address of the person(s) owning or controlling such corporate entities. If the corporate entity owning 5% or more does not have a person(s) owning or controlling it, provide a note explaining why. If the corporate entity is a publicly traded company, provide the company's trading symbol and market.

For nominee accounts owning 5% or more: Provide the name of the 5% beneficial shareholder for this account. If there are no beneficial shareholders of 5% or more behind a nominee account, the nominee account does not need to be included in the table below.

For issuers exempt from registration under Exchange Act Rule 12g3-2(b): Complete the table below with the information described above for Officers, Directors and 10% Control Persons.
