Any additional material details, including footnotes to the table are below :

Footnote #1: Brian Kelly note issued on 5/9/2012 was due January 1, 2017. The note is currently past due and accumulating interest at the default interest rate of 15%.

² The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any "blockers" or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

Footnote #2: Fine Family Investments note issued on 9/21/2015 was due January 1, 2024. The note is currently pasy due and is accumulating interest at the default interest rate of 12%.

The Company is in process of working to resolve these two (2) past due notes and will update our filings when there is a change in this status.
