Re: Adequate Current Information for SaviCorp (the "Company")

Ladies and Gentlemen,

As contained in my Attorney Letter Agreement with OTC Markets Group Inc. ("OTCMG"), OTCMG is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

The undersigned is a U.S. resident and has been retained by the Company for the purpose of rendering this letter and related matters. I have been currently retained for the purpose of reviewing the current information supplied by the Company.

Regarding this letter, I have reviewed the Company's Initial Company Information and Disclosure Statement and Supplement ("Initial Report") dated June 30, 2011; posted on www.otcmarkets.com on August 25, 2011. I have examined such corporate records and other documents and such questions of law as I have considered necessary or appropriate for purposes of rendering this letter. I have assumed:

- (i) the authenticity of all documents submitted to me as originals;
- (ii) the conformity to the originals of all documents submitted to me as copies;
- (iii) the genuineness of all signatures on behalf of parties other than Company and that all necessary documents have been properly executed;

(iv) the due authority, capacity and power of the parties executing the documents on behalf of parties other than Company to enter into and perform all of their respective obligations thereunder;

(v) the due authorization, execution and delivery of the documents by the parties thereto other than Company;

(vi) that the documents constitute the legally valid and binding obligations of the parties thereto other than Company enforceable against such parties in accordance with their terms;

I have relied on information obtained from public officials, officers of the Company and other sources. I have no reason to believe that records, certificates or documents of the Company (that I have reviewed) are not accurate, authentic or reliable.

I am authorized to practice law in the states of California and Washington. This letter applies only to the extent of existing California, Washington and United States law. No other opinion is expressed regarding the law of other jurisdictions, choice of law or conflict of law. I am permitted to practice before the Securities and Exchange Commission (the "SEC") and have not been prohibited from practice thereunder.

Given that over 2 years of the most current Company and financial information is disclosed therein, I am of the opinion that the information contained in the Company's Initial Report for the period ending June 30, 2011 posted on www.otcmarkets.com on August 25, 2011 (i) constitutes "adequate current public information" concerning the Company's securities and the Company and "is available" within the meaning of Rule 144(c)(2) under the Securities Act, (ii) includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"), (iii) complies as to form with the OTC Markets Group Inc.'s Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com, and (iv) has been posted through the OTC Disclosure and News Service.

Mr. Serge Monros, Chairman and CEO of the Company, is responsible for the preparation of the financial statements contained in the Initial Report. The financial statements are not audited. The financial statements are prepared in accordance with U.S. GAAP. Mr. Monros is an experienced business executive with over 30 years of service, has been in his Company positions for approximately 7 years and has participated in the gathering of information for the Company's financial statements and has reviewed the Company's unaudited financial statements and the Company's Initial Report dated June 30, 2011.

The Company's transfer agent is Worldwide Stock Transfer, LLC, 433 Hackensack Avenue, Level L, Hackensack, NJ 07601. The transfer agent is registered with the SEC.

A Shareholder list dated June 30, 2011 was used by the Company to confirm the number of outstanding shares set forth in the Initial Report.

I have (i) personally met with management and a majority of the directors of the Company, (ii) reviewed the Initial Report for the period ending June 30, 2011 as published by the Company through the OTC Disclosure and News Service and (iii) discussed the Initial Report with management and a majority of the directors of the Company.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither the Company nor any 5% shareholder, or the undersigned is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities.

No person other than OTC Markets Group Inc. is entitled to rely on this letter without my prior, written consent. However, OTC Markets Group Inc. is granted full and complete permission and rights to publish the letter through the OTC Disclosure and News Service for viewing by the public and regulators. This letter may not be filed with any governmental agency, other entity or person, without my advance, written consent.

Very Truly Yours,

A handwritten signature in blue ink, appearing to read "Peter J. Wilke", is written over a light gray rectangular background.
