### **Item VIII. The Nature of the Issuer's Business**

The Issuer was incorporated on August 23, 1995. The Issuer's fiscal year ends on December 31.

#### **The Company**

Carpe Diem Enterprises, Inc. ("the Company") was incorporated in the State of Nevada on August 23, 1995. On July 12, 2000, the company name has been changed to Esarati Electric Technologies Group. Based on limited information discovered, Esarati Electric Technologies Corp. has been headquartered in Bellevue, Washington, with an additional office in Coral Springs, Florida, and in business of developing and manufacturing electric powered vehicles, such as Evader 100, an electric powered motorcycle. This operation is immaterial to the current operation of the company, and its current status is unknown. On August 13, 2003 the Esarati Electric Technologies Group has been renamed to Evader, Inc.

The issuer's fiscal year ends on December 31.

The Issuer's changes in control: A Nevada court appointed a custodian for the Issuer as an abandoned company on May 17, 2010.

The Issuer has increased its securities by 10% or more. The Issuer incorporates by reference the filing in the Securities and Exchange Commission's EDGAR database on the Issuer.

The Issuer issued 1,000,000 preferred shares and 500,000 shares of Convertible Series A Preferred Stock.

On July 21, 2010, the Issuer filed SEC Form 15 certification and notice of termination of registration under Section 12(g) of the Securities and exchange Act of 1934 or suspension of duty to file reports under Sections 13 and 15(d) of the Securities Exchange Act of 1934.

The Issuer is not aware of any current legal proceedings.

### **The Nature of the Issuer's Business**

Issuer's primary SIC Code is 1629 - Heavy construction, misc.

The Issuer currently has one operating subsidiary: Avtar Singh Construction Co. (P) Ltd. ("ASCC", "the Company").

Sasa Vasiljevic, is currently an Officer and Director of the Company.

### **Item IX. Nature of Company Products or Services Offered**

#### **SIC Code 1629 - Heavy Construction, misc.**

As a miscellaneous heavy construction industry company (SIC Code 1629 - Heavy Construction, misc.), ASCC may represent a conglomeration of many distinct activities, therefore there is no formal structure by which it is characterized. Many of the firms in this industry are active in several areas, while others are highly specialized, while many activities are closely related to other markets (for instance, aqueduct construction is not part of this industry, but both canal building and waterway development are included, etc). Most companies in this industry usually act as general contractors for specific construction projects, taking responsibility for overseeing that all work pertaining to the job is accomplished.

Although huge multinationals dominate the top 10 lists of industry leaders, most companies in this industry are quite small. The majority of establishments are specialized. The most common areas of specialization included conservation and development, sewage and water treatment plants, and mass transit construction. Larger corporations may achieve specialization through divisions and subsidiaries, or through joint ventures with more specialized firms.

#### **Avtar Singh Construction Co. (P) Ltd.**

Avtar Singh Construction Co. (P) Ltd. is India-based subsidiary of Evader, Inc. The Company was incorporated in India in 1987, and executes large civil engineering projects in India, with emphasis on roads, bridges, earthwork, highways, and promoter-colonizer of housing complexes, demanding a high degree of skill and expertise.

ASCC is one of the major developers of India with strong ties to Provincial and Central Government of India (NHAI – National Highway Authority of India) and World Bank funded projects. ASCC owns a total of three different companies which run into various fields, namely roads and highways, real estate and leasing/financing.

ASCC's reputation is based on strong customer orientation, technological sophistication and an impressive record of achievement.

### **Item X. The Nature and Extent of the Issuer's Facilities**

ASCC office is located in the heart of India's well-respected business destination – Chandigarh.

Address:

Avtar Singh Construction Co. (P) Ltd.

In addition, the company also has a well equipped technical workshop, which looks after repairs and maintenance of the machinery ensuring that they remain in good working condition at all times.

#### **Production:**

The company operates a wide array of machines ranging from modern to the simplest, that are deployed at various sites to expedite the process of quality construction as follows: (Rotary rigs, Excavators Batching plant, Concrete pumps, Transit mixers Cable way with head mast, Tower cranes, Crawler cranes/derrick cranes/mobile cranes, Crushers, Pre-stressing equipment, Gantry cranes, Tunnel boring machine, Rock bolting machine, Wagon drills, Static roller, etc.

### **Item XI. Market Description**

India has the fourth largest economy in the world, boasting a gross domestic product (GDP) of \$1,242.8 billion USD in 2008. India has a stable political system and offers a favorable environment for business.

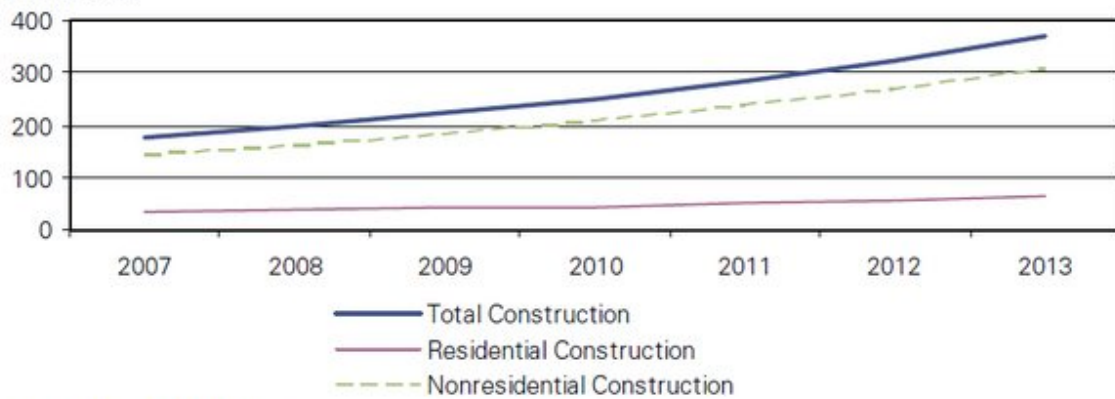

Construction is an important part of the industrial sector and one of the core sectors of India's economy, having grown 156% since 2000. Today, construction is the second largest industry in India after agriculture. According to IHS Global Insight, \$175 billion USD was spent on construction in India in 2007, of which \$140 billion USD was spent

on non-residential projects, and the remaining US\$35 billion was spent on residential construction.

Construction spending is expected to increase to \$370 billion USD by the end of 2013, with residential totalling \$63 billion USD and non-residential registering \$307 billion USD. This means a compound annual growth rate (CAGR) of 13.3%.

## **Part D. Management Structure and Financial Information**

### **Item XII. Names of the Chief Executive Officer, Members of the Board of Directors, and Control Persons**

Sasa Vasiljevic: Officer and Director

#### **Legal/Disciplinary History.**

None of the Officers, Directors or Beneficial Shareholders have, in the past five years, been the subject of:

1. A conviction in a criminal proceeding or named as a defendant in a pending criminal proceeding (excluding traffic violations and other minor offenses);
2. The entry of an order, judgment, or decree, not subsequently reversed, suspended or vacated, by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, or banking activities;
3. A finding or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, or a state securities regulator of a violation of federal or state securities or commodities law, which finding or judgment has not been reversed, suspended, or vacated; or
4. The entry of an order by a self-regulatory organization that permanently or temporarily barred, suspended or otherwise limited such person's involvement in any type of business or securities activities.

#### **Disclosure of Family Relationships**

There may be family relationships existing among and between the issuer's officers, directors and shareholders; the shareholders and the issuer, its predecessors, its present and prior officers and directors, and other shareholders, namely within the subsidiary ASCC.

#### **Disclosure of Related Party Transactions**

There are no related party transactions involving the issuer in which (i) the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Issuer's total assets at year-end for its last three fiscal years and (ii) any related person had or will have a direct or indirect material interest.

#### **Disclosure of Conflicts of Interest**

There are no Conflicts of Interest with the Issuer.

### **Item XIII. Financial Information for the Issuer's most Recent Fiscal Period**

Financial information of the Issuer for the Issuer's most recent fiscal period (Q3, 2011; ending September 30, 2011) were NOT posted with the Pink Sheets OTC Market website, as the Issuer's subsidiary ASCC failed to deliver financial reports for this period. The management does not expect to receive the financials for the upcoming period (Q4, period ending December 31, 2011) either.

EVDR management is not aware of the ASCC's financial situation. In this light, the management is forced to post financials at "0" value of profits and revenues for the ASCC subsidiary.

As such, the financial reports include balance sheet, statement of income and comprehensive income, and statement of cash flows, and statement of changes in shareholders equity, as amended.

As the company subsidiary ASCC did not provide the requested financial documents as requested by management, the aforementioned financial documents will not provide adequate view of the ASCC's financial standing.

As EVDR relationship with ASCC is fractured, the company sees subsidiary's financials as irrelevant to EVDR Business.

### **Item XIV. Beneficial Owners**

The following table presents the name, address and shareholdings of all persons beneficially owning more than five percent (5%) of any class of the Issuer's equity securities as of December 31, 2011.

## **Item XVI. Management's Discussion and Analysis or Plan of Operation**

### **Plan of Operation**

We are expecting our board of directors to decide our future regarding our relationship with the current subsidiary (ASCC), that is, whether this subsidiary will remain as part of EVDR or whether the company will use court order to push this subsidiary out.

While this decision is to be made within few weeks of publishing this report, we also continue our work to raise shareholder value and we have located additional merger candidate.

As the North American markets continue to favor domestic investments, we have located a candidate who operates in the US Health Care industry. We believe we have a better chance to attract investor public towards such domestic investment.

As of the time of this document, the preliminary due diligence on the candidate is well underway, however, there are no definitive agreements signed. The merger documents and share exchange agreements are expected to sign within several weeks of this document.

Following the merger with the aforementioned US Company, we expect our present management to step down and be replaced by the representatives from the North American venture.

Although we intend to scrutinize the management of a prospective target business in connection with our evaluation of a business combination with the target business, our assessment of management may be incorrect. We cannot assure that the incoming North American subsidiary will be able to raise the company value according to our expectations.

### **Financial Condition and Results of Operations**

We have not received detailed financial reports from our current subsidiary ASCC. The company failed to provide the financial reports for Q3 2011, period ending September 30, 2011, and we do not expect to receive detailed financial reports for the Q4 2011, period ending December 31, 2011.

### **Off-Balance Sheet Arrangements**

The Company does not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on the Company's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors.

## **RISKS RELATED TO OUR BUSINESS**

THE OUTCOME AND MARKET SUCCESS OF OUR UPCOMING ADDITIONAL MERGER CANNOT BE CLEARLY ASSESSED, AND THERE IS A HIGH POSSIBILITY OF LOOSING THE CURRENT SUBSIDIARY IN THE CURRENT FISCAL QUARTER.

With each, on or off shore, "reverse takeover", as the one that brought ASCC into Evader, Inc., there may be a danger of disagreements and miscommunication between the majority stakeholders and the management as to the direction of the company. Such events occurred between Evader, Inc. and our subsidiary ASCC.

ASCC failed to deliver adequate financial reports for the Q3 2011, (period ending September 30, 2011), and we do not expect to receive company financial reports for the period ending December 31, 2011 as well. Based on this non-communication from ASCC, we are unable to assess and measure our success in the Indian construction industry market. This forces us to state our current financial statements as "0" (zero) value revenues.

EVDR will most likely not be able to continue a working relationship with ASCC, resulting in a termination of this relationship. If our relationship does not improve, we will be forced to terminate this relationship.

The current status of the relationship between EVDR and its subsidiary ASCC can be described as "eroded". As such, EVDR is trying to secure the resignation of the representatives of ASCC from the board of EVDR, however, ASCC is unresponsive to these requests, and the board may opt out to force ASCC representatives from the board using court order to remove the subsidiary and move on with the company business, aka upcoming merger with new north American subsidiary.

To continue to raise shareholder value Evader, Inc. plans to merge a new subsidiary that will provide a good market growth potential for EVDR.

THERE IS NO ASSURANCE THAT OUR FUTURE OPERATIONS WILL RESULT IN REVENUES OR PROFITS. IF WE CANNOT GENERATE SUFFICIENT REVENUES TO OPERATE PROFITABLY, THEN WE MAY SUSPEND OR CEASE OUR OPERATIONS AND YOU COULD EVEN LOSE YOUR ENTIRE INVESTMENT IN OUR COMMON STOCK.

The success of our future operations is dependent upon our ability to carry out our planned activities, fund our operations and compete effectively with other similar businesses. We cannot guarantee that we will be successful in generating revenues sufficient to cover our operating costs and overhead or achieve profitability. Our failure to achieve profitability may cause us to suspend or cease our operations.

**THE COMPANY MAY BE SUBJECT TO FURTHER GOVERNMENT REGULATION WHICH WOULD ADVERSELY AFFECT OUR OPERATIONS.**

Although we will be subject to the reporting requirements under the Exchange Act, management believes we will not be subject to regulation under the Investment Company Act of 1940, as amended ("Investment Company Act"), since we will not be engaged in the business of investing or trading in securities. If we engage in business combinations which result in our holding passive investment interests in a number of entities, we could be subject to regulation under the Investment Company Act. If so, we would be required to register as an investment company and could be expected to incur significant registration and compliance costs. We have obtained no formal determination from the SEC as to our status under the Investment Company Act and, consequently, violation of the Investment Company Act could subject us to material adverse consequences.

**RISKS RELATED TO AN INVESTMENT IN OUR SECURITIES**

**OUR COMMON STOCK IS CURRENTLY TRADED IN THE PINK SHEETS. AND IS A "PENNY STOCK" AND, AS SUCH, THE MARKET FOR OUR COMMON STOCK IS LIMITED BY CERTAIN SEC RULES APPLICABLE TO PENNY STOCKS.**

As long as the price of our common stock remains below \$5.00 per share, our shares of common stock are likely to be subject to certain "penny stock" rules promulgated by the SEC. Those rules impose certain sales practice requirements on brokers who sell penny stock to persons other than established customers and accredited investors (generally, an institution with assets in excess of \$5,000,000 or an individual with a net worth in excess of \$1,000,000). For transactions covered by the penny stock rules, the broker must make a special suitability determination for the purchaser and receive the purchaser's written consent to the transaction prior to the sale. Furthermore, the penny stock rules generally require, among other things, that brokers engaged in secondary trading of penny stocks provide customers with written disclosure documents, monthly statements of the market value of penny stocks, disclosure of the bid and asked prices of penny stocks and disclosure of the compensation to the brokerage firm and disclosure of the sales person working for the brokerage firm. These rules and regulations make it more difficult for brokers to sell shares of our common stock and limit the liquidity of our shares.

**TRADING IN OUR SECURITIES COULD BE SUBJECT TO EXTREME PRICE FLUCTUATIONS THAT COULD ADVERSELY AFFECT YOUR INVESTMENT.**

Historically speaking, the market prices for securities of small publicly traded companies have been highly volatile. Publicized events and announcements may have a significant impact on the market price of our common stock.

In addition, the stock market from time to time experiences extreme price and volume fluctuations that particularly affect the market prices for small publicly traded companies and which are often unrelated to the operating performance of the affected companies.

THE COMPANY MAY BE SUBJECT TO CERTAIN TAX CONSEQUENCES IN OUR BUSINESS, WHICH MAY INCREASE OUR COST OF DOING BUSINESS.

We may not be able to structure our acquisition to result in tax-free treatment for the companies or their stockholders, which could deter third parties from entering into certain business combinations with us or result in being taxed on consideration received in a transaction. Currently, a transaction may be structured so as to result in tax-free treatment to both companies, as prescribed by various federal and state tax provisions. We intend to structure any business combination so as to minimize the federal and state tax consequences to both us and the target entity; however, we cannot guarantee that the business combination will meet the statutory requirements of a tax-free reorganization or that the parties will obtain the intended tax-free treatment upon a transfer of stock or assets. A non-qualifying reorganization could result in the imposition of both federal and state taxes that may have an adverse effect on both parties to the transaction.

THE COMPANY INTENDS TO ISSUE MORE SHARES IN ADDITIONAL MERGER OR ACQUISITION, WHICH MAY RESULT IN SUBSTANTIAL DILUTION TO EXISTING SHAREHOLDERS.

Any future merger or acquisition may result in the issuance of additional securities without stockholder approval and may result in substantial dilution in the percentage of our common stock held by our then existing stockholders. Moreover, the common stock issued in any such merger or acquisition transaction may be valued on an arbitrary or non-arm's-length basis by our management, resulting in an additional reduction in the percentage of common stock held by our then existing stockholders. Our Board of Directors has the power to issue any or all of such authorized but unissued shares without stockholder approval. To the extent that additional shares of common stock or preferred stock are issued in connection with a business combination or otherwise, dilution to the interests of our stockholders will occur and the rights of the holders of common stock might be materially and adversely affected.

BECAUSE WE MAY SEEK TO COMPLETE ADDITIONAL BUSINESS COMBINATION THROUGH A "REVERSE MERGER," FOLLOWING SUCH A TRANSACTION WE MAY NOT BE ABLE TO ATTRACT THE ATTENTION OF MAJOR BROKERAGE FIRMS.

Additional risks may exist since we will assist a privately held business to become public through a "reverse merger." Securities analysts of major brokerage firms may not provide coverage of our Company since there is no incentive to brokerage firms to recommend the purchase of our common stock. No assurance can be given that

brokerage firms will want to conduct any secondary offerings on behalf of our post merger company in the future.

**WE CANNOT ASSURE YOU THAT FOLLOWING A BUSINESS COMBINATION WITH AN OPERATING BUSINESS, OUR COMMON STOCK WILL BE LISTED ON NASDAQ OR ANY OTHER SECURITIES EXCHANGE.**

Following a certain business combination, we may seek the listing of our common stock on NASDAQ or the American Stock Exchange. However, we cannot assure you that following such a transaction, we will be able to meet the initial listing standards of either of those or any other stock exchange, or that we will be able to maintain a listing of our common stock on either of those or any other stock exchange. After completing a business combination, until our common stock is listed on the NASDAQ or another stock exchange, we expect that our common stock would be eligible to trade on the OTC Bulletin Board, another over-the-counter quotation system, or on the "pink sheets," where our stockholders may find it more difficult to dispose of shares or obtain accurate quotations as to the market value of our common stock. In addition, we would be subject to an SEC rule that, if it failed to meet the criteria set forth in such rule, imposes various practice requirements on broker-dealers who sell securities governed by the rule to persons other than established customers and accredited investors. Consequently, such rule may deter broker-dealers from recommending or selling our common stock, which may further affect its liquidity. This would also make it more difficult for us to raise additional capital following a business combination.

**SUBSTANTIAL SALES OF OUR COMMON STOCK MAY IMPACT THE MARKET PRICE OF OUR COMMON STOCK.**

Future sales of substantial amounts of our common stock, including shares that we may issue upon exercise of options and warrants, and the resale of shares by investors who have registration rights, could adversely affect the market price of our common stock. Furthermore, if we raise additional funds through the issuance of common stock or securities convertible into our common stock, the percentage ownership of our shareholders will be reduced and the price of our common stock may fall.

**WE DO NOT EXPECT TO PAY DIVIDENDS FOR THE FORESEEABLE FUTURE.**

We will use any earnings generated from our operations to finance our business and will not pay any cash dividends to our shareholders in the foreseeable future.

**ISSUING PREFERRED STOCK WITH RIGHTS SENIOR TO THOSE OF OUR COMMON STOCK COULD ADVERSELY AFFECT HOLDERS OF COMMON STOCK.**

Our charter documents grant our board of directors the authority to issue various series of preferred stock without a vote or action by our shareholders. Our board also has the authority to determine the terms of preferred stock, including price, preferences and

voting rights. The rights granted to holders of preferred stock may adversely affect the rights of holders of our common stock. For example, a series of preferred stock may be granted the right to receive a liquidation preference - a pre-set distribution in the event of a liquidation that would reduce the amount available for distribution to holders of our common stock. In addition, the issuance of preferred stock could make it more difficult for a third party to acquire a majority of our outstanding voting stock. As a result, common shareholders could be prevented from participating in transactions that would offer an optimal price for their shares.

IF OUR FUTURE PLANS INCLUDE BECOMING A REPORTING COMPANY, WE WILL BE SUBJECT TO THE PERIODIC REPORTING REQUIREMENTS OF THE SECURITIES EXCHANGE ACT OF 1934 WHICH WILL REQUIRE US TO INCUR AUDIT FEES AND LEGAL FEES IN CONNECTION WITH THE PREPARATION OF SUCH REPORTS. THESE COSTS COULD REDUCE OR ELIMINATE OUR ABILITY TO EARN A PROFIT.

We will be required to file periodic reports with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder. In order to comply with these regulations, our independent registered public accounting firm must review our financial statements on a quarterly basis and audit our financial statements on an annual basis. Moreover, our legal counsel has to review and assist in the preparation of such reports. The costs charged by these professionals for such services cannot be accurately predicted at this time because of factors such as the number and type of transactions that we engage in and the complexity of our reports cannot be determined at this time and will have a major effect on the amount of time to be spent by our auditors and attorneys.

However, the incurrence of such costs will obviously be an expense to our future operations and could have a negative effect on our ability to meet our overhead requirements and earn a profit. We may be exposed to potential risks resulting from new requirements under Section 404 of the Sarbanes-Oxley Act of 2002. If we cannot provide reliable financial reports or prevent fraud, our business and operating results could be harmed, investors could lose confidence in our reported financial information and the trading price of our common stock could drop significantly.

The Company may provide a method for a foreign or domestic privately held company to become a reporting company whose securities are qualified for trading in the United States securities markets, such as the New York Stock Exchange ("NYSE"), NASDAQ, American Stock Exchange ("AMEX") or the OTC Bulletin Board, and, as a vehicle to investigate and, if such investigation warrants, acquire a target company or business seeking the perceived advantages of being a publicly held reporting company. The Company's principal business objective for the next 12 months and beyond will be to achieve long-term growth potential through a combination with a business rather than immediate, short-term earnings. The Company will not restrict its potential candidate target companies to any specific industry or geographical location and, thus, may acquire or merge with any type of business, domestic or foreign.

## WE MAY BE EXPOSED TO POTENTIAL RISKS RESULTING FROM NEW REQUIREMENTS UNDER SECTION 404 OF THE SARBANES-OXLEY ACT OF 2002.

Pursuant to Section 404 of the Sarbanes-Oxley Act of 2002, we will be required, beginning with our next annual report, to include in our annual report our assessment of the effectiveness of our internal control over financial reporting as of the end of such fiscal years. Furthermore, our independent registered public accounting firm will be required to attest to whether our assessment of the effectiveness of our internal controls over financial reporting is fairly stated in all material respects and separately report on whether it believes we have maintained, in all material respects, effective internal control over financial reporting as of the end of our fiscal years.

We do not have a sufficient number of employees to segregate responsibilities and may be unable to afford increasing our staff or engaging outside consultants or professionals to overcome our lack of employees. We have not yet begun our assessment of the effectiveness of our internal control over financial reporting and expect to incur additional expenses and diversion of management's time as a result of performing the system and process evaluation, testing and remediation required in order to comply with the management certification and auditor attestation requirements. Further, implementing any appropriate changes to our internal controls may distract our officers and employees, entail substantial costs to modify our existing processes and take a significant amount of time to complete. Also, during the course of our testing, we may identify other deficiencies that we may not be able to remediate in time to meet the deadline imposed by the Sarbanes-Oxley Act for compliance with the requirements of Section 404.

In addition, if we fail to achieve and maintain the adequacy of our internal controls, as such standards are modified, supplemented or amended from time to time, we may not be able to insure that we can conclude on an ongoing basis that we have effective internal controls over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act. Moreover, effective internal controls, particularly those related to revenue recognition, are necessary for us to produce reliable financial reports and are important to help prevent financial fraud. If we cannot provide reliable financial reports or prevent fraud, our business and operating results could be harmed, investors could lose confidence in our reported financial information and the trading price of our common stock, if a market ever develops, could drop significantly.

## PERCEIVED BENEFITS

There are certain perceived benefits to being a reporting company with a class of publicly-traded securities. These are commonly thought to include the following:

- the ability to use registered securities to make acquisitions of assets or businesses;
- increased visibility in the financial community;

- the facilitation of borrowing from financial institutions;
- improved trading efficiency;
- shareholder liquidity;
- greater ease in raising capital;
- compensation of key employees through stock options for which there may be a market valuation;
- enhanced corporate image; and
- a presence in the United States' capital markets.

SHAREHOLDERS MAY BE DILUTED SIGNIFICANTLY THROUGH OUR EFFORTS TO OBTAIN FINANCING AND SATISFY OBLIGATIONS THROUGH ISSUANCE OF ADDITIONAL SHARES OF OUR COMMON STOCK.

We have no committed source of financing. Wherever possible, our board of directors will attempt to use non-cash consideration to satisfy obligations. In many instances, we believe that the non-cash consideration will consist of restricted shares of our common stock. Our board of directors has authority, without action or vote of the shareholders, to issue all or part of the 988,000,000 authorized, but unissued, shares of our common stock. Future issuances of shares of our common stock will result in dilution of the ownership interests of existing shareholders, may further dilute common stock book value and that dilution may be material.

OUR CERTIFICATE OF INCORPORATION PROVIDES FOR INDEMNIFICATION OF OFFICERS AND DIRECTORS AT OUR EXPENSE AND LIMIT THEIR LIABILITY, WHICH MAY RESULT IN A MAJOR COST TO US AND HURT THE INTERESTS OF OUR SHAREHOLDERS BECAUSE CORPORATE RESOURCES MAY BE EXPENDED FOR THE BENEFITS OF OFFICERS AND/OR DIRECTORS.

Our certificate of incorporation and applicable Nevada laws provide for the indemnification of our directors, officers, employees and agents under certain circumstances, against attorney's fees and other expenses incurred by them in any litigation to which they become a party arising from their association with or activities on our behalf. We will also bear the expenses of such litigation for any of our directors, officers, employees or agents, upon such person's written promise to repay us, therefore, even if it is ultimately determined that any such person shall not have been entitled to indemnification. This indemnification policy could result in substantial expenditures by us that we may be unable to recoup.

We have been advised that, in the opinion of the Securities and Exchange Commission, indemnification for liabilities arising under federal securities laws is against public policy and is, therefore, unenforceable. In the event that a claim for indemnification for liabilities arising under federal securities laws, other than the payment by us of expenses incurred or paid by a director, officer or controlling person in the successful defence of any action, suit or proceeding, is asserted by a director, officer or controlling person in connection with the securities being registered, we will (unless in the opinion of our counsel, the matter has been settled by controlling precedent) submit to a court of

appropriate jurisdiction, the question of whether indemnification by us is against public policy as expressed by the Securities and Exchange Commission and will be governed by the final adjudication of such issue. The legal process relating to this matter, if it were to occur, is likely to be very costly and may result in us receiving negative publicity, either of which factors is likely to materially reduce the market price for our shares, if such a market ever develops.

#### THE ISSUER WAS SUBJECT TO A STATE COURT CUSTODIANSHIP PROCEEDING RECENTLY AND ITS RECORDS MAY NOT BE COMPLETE.

The Issuer was recently subject to a State court custodianship proceeding as an abandoned company and the records of the Issuer may have been lost. The Issuer's custodian and current management may not have all of the records of the Company and thus may be unaware of pending legal actions and other liabilities.

#### THERE ARE RISKS ASSOCIATED WITH FORWARD LOOKING STATEMENTS

This information statement contains certain forward looking statements regarding management's plans and objectives for future operations including plans and objectives relating to our planned marketing efforts and future economic performance. The forward looking statements and associated risks set forth in this information statement include or relate to, among other things, (a) our projected sales and profitability, (b) our growth strategies, (c) anticipated trends in our industry, (d) our ability to obtain and retain sufficient capital for future operations and (e) our anticipated needs for working capital. These statements may be found under "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Description of Business," in this information statement, as well as in this information statement, generally. Actual events or results may differ materially from those discussed in forward looking statements as a result of various factors, including, without limitation, the risks outlined under "Risk Factors" and matters described in this information statement, generally. In light of these risks and uncertainties, there can be no assurance that the forward looking statements contained in this information statement will, in fact, occur.

#### CAUTIONARY STATEMENTS REGARDING FORWARD LOOKING STATEMENTS

This information statement contains forward looking statements. These statements relate to future events or future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the Company or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by the forward looking statements.

In some cases, you can identify forward looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," or the negative of these terms or other comparable terminology. These statements are only predictions. Actual events or results may differ materially.

Although we believe that the expectations reflected in the forward looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. We are under no duty to update any of the forward looking statements after the date of this information statement to confirm our prior statements to actual results.

Further, this information statement contains forward looking statements that involve substantial risks and uncertainties. Such statements include, without limitation, all statements as to expectation or belief and statements as to our future results of operations, the progress of any product development, the need for, and timing of, additional capital and capital expenditures, partnering prospects, the protection of and the need for additional intellectual property rights, effects of regulations, the need for additional facilities and potential market opportunities.

**NOTE 1. GENERAL ORGANIZATION AND BUSINESS ISSUES**

The company was administratively abandoned and reinstated in July 2010 through a court appointed guardian - custodian.

On February 22, 2011, the company announced that it had acquired Avtar Sing Construction, a major developer in the City of Chandigarh, India

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING PRACTICES**

Accounting policies and procedures are listed below. The company has adopted a December 31 year end.

**Accounting Basis**

We have prepared the consolidated financial statements according to generally accepted accounting Principles (GAAP).

**Cash and Cash Equivalents**

The Company considers all highly liquid investments with original maturities of three months or less as cash equivalents. As of September 30, 2011 the company had no cash or cash equivalent balances in excess Of the federally insured amounts. The Company's policy is to invest excess funds in only well capitalized financial institutions.

**Earnings per Share**

The Company adopted the provisions of SFAS No. 128, Earnings per Share. SFAS No. 128 requires the presentation of basic and diluted earnings per share (EPS). Basic EPS is computed by dividing income available to common stockholders by the weighted-average number of common shares outstanding for the period. Diluted EPS includes the potential dilution that could occur if options or other contracts to issue common stock were exercised or converted.

The Company has not issued any options or warrants or similar securities since inception.

**Stock Based Compensation**

As permitted by Statement of Financial Accounting Standards (SFAS) No. 148, Accounting for Stock-Based Compensation--Transition and Disclosure, which amended SFAS 123 (SFAS 123), Accounting for Stock-Based Compensation, the Company has elected to

### **Stock Based Compensation**

As permitted by Statement of Financial Accounting Standards (SFAS) No. 148, Accounting for Stock-Based Compensation--Transition and Disclosure, which amended SFAS 123 (SFAS 123), Accounting for Stock-Based Compensation, the Company has elected to continue to follow the intrinsic value method

in accounting for its stock-based employee compensation arrangements as defined by Accounting Principles Board Opinion (APB) No. 25, Accounting for Stock Issued to Employees, and related Interpretations including Financial Accounting Standards Board Interpretations No. 44, Accounting for Certain Transactions Involving Stock Compensation, and interpretation of APB No. 25. At December 31, 2010 the Company has not formed a Stock Option Plan and has not issued any options.

### **Dividends**

The Company has adopted a policy regarding the payment of dividends. Dividends may be paid to shareholders once all divisions are fully operational and profitable. The Board may also pay dividends to counter any short selling or undermining of the entity.

### **Fixed Assets**

Fixed assets are carried at cost. Depreciation is computed using the straight-line method of depreciation over the assets estimated useful lives. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of fixed assets are sold or retired, the related cost and accumulated depreciation is removed from the accounts and any gain or loss is included in income.

### **Income Taxes**

The provision for income taxes is the total of the current taxes payable and the net of the change in the deferred income taxes. Provision is made for the deferred income taxes where differences exist between the period in which transactions affect current taxable income and the period in which they enter into the determination of net income in the financial statements.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### **Goodwill**

Goodwill is created when we acquire a business. It is calculated by deducting the fair value of the net assets acquired from the consideration given and represents the value of factors that contribute to greater earning power, such as a good reputation, customer loyalty. We assess goodwill of individual subsidiaries for impairment in the fourth quarter of every year, and when circumstances indicate that goodwill might be impaired.

### **NOTE 3. GOING CONCERN**

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company had a net loss for the period through to September 30, 2011 of \$ 2,750. The Company's continuation as a going concern is dependent on its ability to meet its obligations, to obtain additional financing as may be required and ultimately to attain profitability. These financial statements do not include any adjustments that might result from the outcome of this uncertainty.

### **NOTE 4. RECENTLY ISSUED ACCOUNTING STANDARDS**

Management does not believe that any recently issued but not yet adopted accounting standards will have a material effect on the Company's results of operations or on the reported amounts of its assets and liabilities upon adoption.

**NOTE 3. GOING CONCERN**

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company had a net loss for the period through to September 30, 2011 of \$ 2,750. The Company's continuation as a going concern is dependent on its ability to meet its obligations, to obtain additional financing as may be required and ultimately to attain profitability. These financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**NOTE 4. RECENTLY ISSUED ACCOUNTING STANDARDS**

Management does not believe that any recently issued but not yet adopted accounting standards will have a material effect on the Company's results of operations or on the reported amounts of its assets and liabilities upon adoption.

**NOTE 5. SHAREHOLDERS EQUITY**

Common Stock:

As of September 30, 2011 the company has 975,024,000 shares of common stock issued and outstanding.

**NOTE 6. PROVISION FOR INCOME TAXES**

The Company provides for income taxes under Statement of Financial Accounting Standards NO. 109, Accounting for Income Taxes. SFAS No. 109 requires the use of an asset and liability approach in accounting for income taxes. Deferred tax assets and liabilities are recorded based on the differences between the financial statement and tax bases of assets and liabilities and the tax rates in effect when these differences are expected to reverse.

SFAS No. 109 requires the reduction of deferred tax assets by a valuation allowance if, based on the weight of available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. The provision for income taxes is comprised of the net changes in deferred taxes less the valuation account plus the current taxes payable.

**NOTE 7. REVENUE REPORTING**

The subsidiary Avtar Singh Construction has failed to deliver financials statements for the period ending September 30, 2011 and Revenue reported does not include any reporting results from this subsidiary company.
