Baristas Coffee Company, Inc. (the "Company") will be late in filing its Quarterly Report for the three months year ending March 31, 2017.

The reasons the Company will be late in the filing of its Quarterly Report are as follows:

Despite diligent efforts, the work necessary to complete the Company's preparation of its quarterly financial statements and assemble all of the necessary business information to complete required disclosures has caused delay in preparation and completion of the Company's Quarterly Report and its attachments for the three months ended March 31, 2017. Accordingly, the Company is unable to file its Quarterly Report for the period ending March 31, 2017 within the prescribed time period without unreasonable effort or expense.

The Company expects that it will be able to post its Quarterly Report containing financial statements for the three months ending March 31, 2017 on or prior to May 31, 2017.

The Company has caused this notification to be signed on its behalf by the undersigned thereunto duly authorized.
