LINK RESERVATIONS, INC.
(A DEVELOPMENT STAGE COMPANY)
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2017

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Link Reservations, Inc., Formerly Vendum Batteries Inc. (the "Company" or "Link Reservations") was incorporated in Nevada on December 13, 2006. On March 12, 2015 Vendum Batteries Inc. changed its name to Link Reservations Inc. the change is because of a change in the direction of the Company and provides for a great opportunity for the company and its investors. Link Reservations is dedicated to make the reservation process simpler and safer for clients that need to book reservations and for their potential clients. We assure the confidentiality and security of each and every credit card processing. Our skilled team will empower the customer to provide affordable and secure online booking services for their customers around the globe.

The Company closed a share exchange transaction effective May 3, 2010 with the shareholders of Vendum Batteries Limited, which was incorporated under the laws of the United Kingdom on November 16, 2009 ("Vendum UK"). This share exchange transaction constituted a reverse merger and a recapitalization of Vendum. In conjunction with this reverse merger, the historical accounts of Vendum become the historical accounts of Wishart for accounting purposes and, in conjunction therewith, Wishart changed its fiscal year-end to December 31 to coincide with the historical year-end of the Company. In March 2015 the Company's management changed its business focus to the international travel industry and changed the Company's name to Link Reservations, Inc.

NOTE 2 – GOING CONCERN

The financial statements have been prepared on a going concern basis which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. The Company has a working capital deficit, and has incurred losses since inception resulting in an accumulated deficit of \$1,611,943 as of September 30, 2017, and further losses are anticipated in the development of its business raising substantial doubt about the Company's ability to continue as a going concern. The ability to continue as a going concern is dependent upon the Company generating profitable operations in the future and/or to obtain the necessary financing to meet its obligations and repay its liabilities arising from normal business operations when they come due. Management intends to finance operating costs over the next twelve months with existing cash on hand and loans from directors and or private placement of common stock.

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Development Stage Company

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles related to development stage companies. A development-stage company is one in which planned principal operations have not commenced or if its operations have commenced, there has been no significant revenues there from.

Basis of Presentation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in the United States of America and are presented in US dollars.

Accounting Basis

The Company uses the accrual basis of accounting and accounting principles generally accepted in the United States of America (“GAAP” accounting). The Company has adopted a December 31 fiscal year end.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the Company and its wholly owned subsidiary. All significant intercompany transactions and balances have been eliminated in consolidation.

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Company considers all highly liquid investments with the original maturities of three months or less to be cash equivalents. The Company had \$1,488 of cash as of June 30, 2017 and December 31, 2016, respectively.

Income Taxes

Income taxes are computed using the asset and liability method. Under the asset and liability method, deferred income tax assets and liabilities are determined based on the differences between the financial reporting and tax bases of assets and liabilities and are measured using the currently enacted tax rates and laws. A valuation allowance is provided for the amount of deferred tax assets that, based on available evidence, are not expected to be realized.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes revenue when products are fully delivered or services have been provided and collection is reasonably assured.

Foreign Currency Translation

The Company's functional currency is the Pound Sterling and its reporting currency is the United States dollar.

Advertising Costs

The Company's policy regarding advertising is to expense advertising when incurred. The Company incurred advertising expense of \$0 and \$0 during the three-month period ended September 30, 2017 and the year ended December 31, 2016, respectively.

Stock-Based Compensation

Stock-based compensation is accounted for at fair value in accordance with ASC Topic 718. To date, the Company has not adopted a stock option plan and has not granted any stock options.

Dividends

The Company has not adopted any policy regarding payment of dividends. No dividends have been paid during any of the periods shown.

Basic Income (Loss) Per Share

Basic income (loss) per share is calculated by dividing the Company's net loss applicable to common shareholders by the weighted average number of common shares during the period. Diluted earnings per share is calculated by dividing the Company's net income available to common shareholders by the diluted weighted average number of shares outstanding during the year. The diluted weighted average number of

shares outstanding is the basic weighted number of shares adjusted for any potentially dilutive debt or equity. There are no such common stock equivalents outstanding as of September 30, 2017 and December 31, 2016, respectively.

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Comprehensive Income

The Company has which established standards for reporting and display of comprehensive income, its components and accumulated balances. When applicable, the Company would disclose this information on its Statement of Stockholders' Equity. Comprehensive income comprises equity except those resulting from investments by owners and distributions to owners. The Company has not had any significant transactions that are required to be reported in other comprehensive income.

Impairment of Long-Lived Assets

The Company continually monitors events and changes in circumstances that could indicate carrying amounts of long-lived assets may not be recoverable. When such events or changes in circumstances are present, the Company assesses the recoverability of long-lived assets by determining whether the carrying value of such assets will be recovered through undiscounted expected future cash flows. If the total of the future cash flows is less than the carrying amount of those assets, the Company recognizes an impairment loss based on the excess of the carrying amount over the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or the fair value less costs to sell.

Recent Accounting Pronouncements

Link does not expect the adoption of recently issued accounting pronouncements to have a significant impact on the Company's results of operations, financial position or cash flow.

NOTE 4 – OFFERING COSTS

In accordance with ASC 505-10, "Costs of an Equity Transaction", costs incurred to issue shares classified as equity, such as underwriting, accounting and legal fees, printing costs, and taxes, should be treated as a reduction of the proceeds.

6. Describe the issuer's Business, Products and Services

Company Overview

We were incorporated under the name Wishart Enterprises Limited in December 2006. On May 3, 2010, we entered into a share exchange (the "Share Exchange") with Vendum Batteries Limited ("VDL") whereby we acquired all of the issued and outstanding common stock of VDL and it became our wholly owned subsidiary. We changed our name to Vendum Batteries Inc. and our line of business from the health related business to working on the development of a new, environmentally friendly, cellulose-based power

source. In connection with the Share Exchange we engaged in a 5 for 1 forward-split of our common stock. In March 2015 the Company's management changed its business focus to the international travel industry, changed the Company's name to Link Reservations, Inc., and effected a 1:40,000 reverse stock split.
