Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

**A. a description of the issuer's business operations;**

Puration, Inc. had been a water purification company that designs, develops, engineers, produces, markets, and distributes personal and group systems that filter, purify, clean, extract or otherwise improve the quality of water on a cost effective, affordable basis, with a minimum of environmental impact. Resulting from our own design and engineering, our water purification systems included personal water filter bottles, collapsible water pouches, replacement filters, and travel filters. While the Company previously carried a current inventory of personal water filter bottles and collapsible water pouches and that inventory was availed for sale at select retail locations, the Company has in the last year begun to explore and develop new business opportunities focusing on the emerging Cannabis Extractions Sector. In July 2015, the Company entered into an agreement to acquire certain health & wellness joint ventures from North American Cannabis Holdings, Inc. (USMJ).
