Item 8.01 Other Events

All shares of common stock of The Greater Cannabis Company, Inc. (the "shares") to be issued to shareholders of Sylios Corp, as per the terms of the announced spin-off, were issued to all certificated shareholders on the Payment Date, March 10, 2017. The total number of common shares issued as per the terms of the stock dividend totaled 26,905,818. Of the shares issued, 21,527,342 were issued to Sylios Corp shareholders while 5,378,476 shares were issued to the former parent company, Sylios Corp.

The Company has received several inquiries regarding shares issued to the brokerage firm E*trade Financial (the "brokerage firm") and the posting of shares to accounts held at the brokerage firm. The Company has been in touch with the brokerage firm and Broadridge on multiple occasions to assist in the location and delivery of all shares due the brokerage firm.

The Company would like to reassure its shareholders that it has in no way "held-back" shares due to the brokerage firm. Shares of Sylios Corp purchased through the brokerage firm are on deposit at multiple separate broker dealers, which has led to the delay in reporting the stock dividend in clients' accounts. When additional information is provided to the Company, it will pass this along to shareholders.
