### Kelso Technologies Inc. to List on the NYSE MKT

---

Kelso Technologies Inc. (the "Company" or "Kelso") is pleased to announce that its common shares have been authorized for listing on the NYSE MKT. Kelso's common shares will begin trading on the NYSE MKT on October 14, 2014 under the trading symbol "KIQ". The Company will also retain its listing on the Toronto Stock Exchange under the trading symbol "KLS".

"We welcome Kelso Technologies to the NYSE MKT family of listed companies and look forward to a long term partnership in supporting their continued growth," said Scott Cutler, Executive Vice President, Global Listings at NYSE. "Kelso Technologies will be joining other growth-orientated companies taking advantage of the NYSE's advanced and innovative market model to offer a premier venue for listing and trading their stocks."

"Kelso's increased exposure from this upcoming NYSE MKT listing will bring additional value to Kelso's broadening shareholder base and we look forward to introducing Kelso to a wider audience of investors as our Company profile expands," said James R. Bond, CEO and President of the Company.

#### About Kelso Technologies

Kelso is a railroad equipment supplier that produces and sells proprietary tank car service equipment used in the safe loading, unloading and containment of hazardous materials during transport. Products are specifically designed to provide economic and operational advantages while reducing the potential effects of human error and environmental harm during the transport of hazardous materials.
