Marani Brands is the Exclusive spirit Sponsor of 2015 Rendezvous Film Festival

Marani Brands (OTC Pink: MRIB) (PINKSHEETS: MRIB), announces Marani Vodka Spirit is the official vodka sponsor for the rebranded Amelia Island Film Festival, now Rendezvous Film Festival. This is the Rendezvous Festival's first year; its aim being to bring the gaming, music, and film communities together in a weeklong celebration of entertainment.

The Rendezvous Festival is set to be the first film and music festival in Northern Florida and Southeast Georgia. The festival is dedicated to the Evan's Rendezvous, a music club located in American Beach, Florida, and scheduled to take place June 5 thru 13th, 2015. In the 1950's and 60's, the Rendezvous used to host music greats like James Brown and Ray Charles. The club was destroyed by Hurricane Dora in 1964. Today, it is remembered as a haven for artistic expression in its time.

The Rendezvous Festival will be making history by introducing a unique application developed by Vidplat LLC., that will allow everyone attending the festival to contribute the videos they take to a documentary. The app includes a built-in video and photo camera that will broadcast all user content to a live stream. The app will also allow users from around the world to view the festival from attendees' live broadcasts. The Rendezvous will stand as the first music or film festival to use this innovative technology.
