

Supurva Healthcare Group Announces Substantial Upgrade to Acquisition LOI with Telemend Medical

***Supurva Expects Major Breakout Year in 2015; Upwards of \$2 Million in Revenues Expected
Over The Next Twelve Months***

Covington, LA, July 16, 2015 (Accesswire) – Supurva Healthcare Group, Inc. (Formerly known as Lighthouse Petroleum, Inc.) (“Supurva” or the “Company”) (OTC Markets: SPRV), is pleased to announce today that the Company has upgraded the “letter of intent” (LOI) to acquire Telemend Medical (“Telemend”) announced on July 8, 2015 to now include existing clinical engineering contracts with various government entities nationwide. Under these additional contracts, the Company will be initiating a hybrid of clinical engineering and IT services alongside the Company’s mobile healthcare services providing for a best-in-class telemedicine delivery system. These contracts are expected to add in excess of \$400,000 in revenues over the next twelve months to the total acquisition package. This is in addition to the other contracts under the LOI to provide services to 35 dental facilities in the Greater Houston area that are expected to generate more than \$1.6 million in revenues for the Company over the next twelve months.

Current CEO of Telemend, Sheneka Rains, has agreed to remain as CEO of Telemend after its acquisition and will also serve as COO of Supurva. After completion of the transaction, she will be well positioned for further expansion of the Company, bringing with her many years of experience managing clinical engineering contracts and having established operational excellence amongst a variety of healthcare business models. In her tenure as CEO of Telemend, Ms. Rains has doubled total customer accounts and tripled revenue.

Gerard Danos, CEO of Supurva stated, “Clinical engineering will provide a steady revenue stream that will allow us to far exceed our projected targets for 2015. This level of revenues will enable the Company to quickly reach its goal to achieve fully reporting status as soon as possible. I am also thrilled that Ms. Rains will join our organization to ensure a smooth transition of existing customers as well as establish operational systems that will facilitate additional future acquisitions.”
