

**SPO Global Inc.**

### **Sales Growth Off The Chart**

To All Shareholders: Woburn / 06 March, 2017.

We are pleased to inform all our shareholders that in the first 8 weeks of trading in 2017 we have closed more than \$105,000 of business with major enterprises around the world with a further potential of revenue of \$300,000 from further orders with these customers.

In comparison to last year we have increased our revenues by more than 300%

Our technical team is at full capacity and we are recruiting more staff, to handle the increasing volume of business that the company is receiving

Our own developed technology supports the true value of our business which can be verified by our enterprise customers who are giving us their business.

We have said in many press releases that we believe that the valuation of our business is substantially higher than the current market cap.

The future looks bright and the opportunity to realize substantial value for all our staff and shareholders is our main focus.

For more information on our company our web site: [www.spoglobal.com](http://www.spoglobal.com)

We are very pleased you can be a part of our future success

Owen Dukes

*This shareholder letter contains forward-looking statements that involve substantial uncertainties and risks. These forward-looking statements are based upon our current expectations, estimates and projections about our business and our industry, and that reflect our beliefs and assumptions based upon information available to us at the date of this release. We caution readers that forward looking statements are predictions based on our current expectations about future events. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict. Our actual results, performance or achievements could differ materially from those expressed or implied by the forward-looking statements as a result of a number of factors, including but not limited to, expectations regarding the successful expansion of our product base, profitability, market acceptance of our products and new product applications, timing of new product launches, product performance, size of prospective markets, marketing strategies, success of our restructured operations and plans, our ability to generate fees or raise*
