PRESS RELEASE

GLOW HOLDINGS, INC., COMPLETES STRATEGIC SHARE EXCHANGE WITH KOREA TECH COMPANY MECON COMMUNITY CO. LTD.

July 27, 2017, Seattle, Washington, USA - Glow Holdings, Inc., a US based company, (GLOW) is pleased to announce that it has successfully completed a strategic share exchange transaction with Mecon Community Co., LTD, a Korean IT corporation (MECON). As a result of this transaction, MECON and GLOW exchanged approximately equal ownership in their respective companies.

In addition to the exchange of shares, Mecontong, a subsidiary of MECON, a Korean technical and application development company, appointed GLOW as its Exclusive Global Marketing Partner.

"We are thrilled to partner with the Mecon Community, and will work closely with their team, introducing their exciting phone apps and other innovative technology to major markets around the world", states GLOW CEO R. J. Selfridge. "Our respective core competencies are a perfect fit, and we look forward to building value in our companies together".

Glow Holdings, Inc. is a diversified holding company looking for potential acquisitions in various market segments, including, but not limited to, hospitality, technology, franchising, and mobile marketing and other business opportunities primarily related to introducing innovative products and services to the international market. Glow seeks acquisitions targets in these business segments that have highly profitable growth potential.
