

ENVIRO-SERV INC. ANNOUNCES RECORD RESULTS FOR SECOND QUARTER AND 6 MONTHS 2018 FINANCIALS

August 14th, 2018 Enviro-Serv, Inc. (EVSV) is pleased to announce its 2018 second quarter and six-month financial results.

"We have executed well against our plan and are very pleased to report record second quarter and six-month financial results. The second quarter was a milestone quarter as we surpassed last year's six months results by an increase of 30%. As we reported in our shareholder update in April, we not only continue to drive revenue with our flagship division, Pestmaster Services, but have also been successful in generating revenue in non-pest control environmental services under the Enviro-Serv brand. A major contributor to our revenue increase was several contracts awarded from a large subcontractor for the Department of Defense in particular U.S. Army reserve centers here in Tampa Bay. We continue to foster these relationships and pursue other similar opportunities to provide quality environmental services," stated Chris Trina, Chairman and CEO of Enviro-Serv, Inc.

In addition, Trina added, "While I am extremely proud of these overall results, we will continue to be aggressive in our sales efforts as we lay the foundation to be a dominant player in our industry. We believe the key to increasing shareholder value is our ability not only to execute on our plan but to surpass our revenue projections. We look forward to providing more updates in the near future."

About Enviro-Serv, Inc.
