

THIRD THANKS NAIL IN NEW JERSEY

Duluth, GA and Paramus, NJ USA – September 06, 2018: TMPOS, Inc. (OTC: TPPM)

TMPOS, Inc. (OTC: TPPM) has successfully completed all contracts for its new Thanks Nail location. Our third Thanks Nail is expecting to hold its grand opening in Paramus, NJ on September 15th. Our first Thanks Nail opened its doors in Lyndhurst and we recently celebrated our second grand opening in Hasbrouck Heights in August. We are thrilled to add a third Thanks Nail in the state of New Jersey as we continue our plans to expand further throughout the states.

Thanks Nail is committed in providing professional and holistic services including manicures, pedicures, nail art, waxing and much more. There will be a wide array of premium services for customers to enjoy.

Our ongoing dedication and hard work have paid off through our commitment to create the most environment-friendly space for consumers to appreciate their time spent with Thanks Nail. Thus, our current expansion serves as another great opportunity to connect with more and more people, one of the key goals we aim to achieve as a business.

Like Café Thanks, which has expanded throughout the United States, Korea and Thailand, Thanks Nail is also equipped with a profound customer management platform that distinguishes itself from its competitors by providing convenient and trendy payment methods. Thus, we expect Thanks Nail to set the bar as an innovative storefront in the nail salon industry.

TMPOS has personalized its POS & CRM platforms for Thanks Nail of Paramus, NJ with high expectations of it becoming another leading salon in the US while establishing itself as a digital platform store. Thanks Nail plans to grow steadily by providing the best service and satisfaction to customers around the globe.

Please refer to the TMPOS Corporate overview and presentation clips for more information.
