

IZON GOLF LAUNCHES NEXT GEN 3.5 SOFTWARE

Featuring Industry Leading Content & Advertising Platform

SCOTTSDALE, AZ – September 18th, 2018 – IZON Network, Inc. (OTC: IZNN), also known as IZON Golf, a leader in GPS technology for the golf industry and the creator of one of the most unique premium outdoor advertising networks, announced today that it has launched its next version of the IZON software build, version 3.5. This build will be rolled out across many more courses over the next 6 weeks.

“We could not be more excited to be releasing our latest 3.5 software build out in the field. This brings IZON Side Games, IZON Shot Planner, our fully enhanced graphics program and many more updates to our users,” said Tim Ummel, CEO. “In addition we are rolling out our entire content & advertising platform on this 3.5 software build. To say this is game changing is an understatement. We are now pushing 270 minutes of fresh content and advertising to every round of golf and monetizing our Ad platform. This has never been done before within golf course cart fleets GPS before. We are totally focused on building what we believe to be the new standard in golf GPS.”

IZON Golf will be installing this new build on golf course cart fleets in California, Arizona, Florida and Nevada. Multiple additional upgrades are coming soon and expected to be out this fall. These will include our fully interactive Tournament functionality, Cart-to-Cart Live Scoring and the IZON Companion App built for both Android & iOS.
