

Global Entertainment Holdings Announces Filing of Regulation A+ Public Offering to Finance “You’ve Got The Part”

Los Angeles, CA – August 26, 2019 -- Global Entertainment Holdings, Inc. (OTC:GBHL) is pleased to announce that it has filed a preliminary Form 1-A statement with the SEC designed to raise up to \$3 Million in a Regulation A public offering of its Common Stock. GBHL plans to offer a maximum of 375,000,000 shares of Common Stock at a proposed offering price of \$0.008 per share. The Offering will terminate twelve months from the day the Offering is declared “Qualified” by the SEC, or earlier upon the sale of the maximum offering amount. The filing requires a review and approval by the SEC, with a formal qualification published by the SEC, before GBHL can begin to sell shares of its Common Stock to the public.

The purpose of this offering is to raise sufficient capital to finish development of GBHL’s You’ve Got The Part, and to launch the YGTP web platform with a sufficient level of marketing, branding and support to ensure its success. (You’ve Got The Part Inc is a wholly-owned subsidiary of GBHL).

“You’ve Got The Part” is a new social media platform that will allow anyone, anywhere and at anytime, the opportunity to be selected for a role in a real Hollywood movie or TV program via the Internet using their SmartPhone or web cam. Once completed, the YGTP platform is expected to generate multiple revenue streams from participants submitting their “video auditions”, as well as advertising revenues, sponsorships revenues, sell-thru merchandise and revenues from the sale of data/analytics.

Gary Rasmussen, CEO of GBHL, commented “After many months of nursing this project along, we are thrilled to be moving ahead with our public offering to raise the capital required to launch YGTP. With the heightened public interest in interacting with new Hollywood movies and TV content, we are convinced that the launch of the YGTP mobile App will be met with great success!

Jackie Giroux, President of Global Universal Film Group and co-founder of YGTP, added “For a small subscription fee of less than the cost of a cup of coffee, anyone who has ever dreamed of appearing in a real Hollywood movie or TV show will be able to submit their video audition online and, if chosen by the most number of “likes” from the general public, will make that dream come true! In addition, producers of the films and TV shows will gain immediate online and social media awareness and publicity for their film or TV project. It’s a win-win for everyone!”
