RE: Status of Affiliate Share Ownership

My Fellow Shareholders,

I want to share some stock ownership information, as it relates to the Officers and Board Members of The Evermedia Group, Inc. Below is a transcript of my share ownership in our company; which I requested from our transfer agent on August 12, 2013. Since assuming my duties as CEO in 2008, I have not sold any shares. The only transfer of shares I executed was last year, when I made a personal stock donation to the Shelter Legal Services Foundation (a non-profit organization that provides free legal assistance to homeless veterans). My shares are currently in certificate form and bear a restricted legend.

Co_Lst_Name	First_Name	Cert_ID	Shares	Issue_Date	Cancel_Date
SYM	JONATHAN	2085	100000000	10/23/08	
SYM	JONATHAN	2086	23597276	10/23/08	
SYM	JONATHAN	2498	200000000	7/1/10	
SYM	JONATHAN	2510	40972089	12/17/10	12/28/12
SHELTER LEGAL SERVICES FOUNDATION		BE1	40972089	12/28/12	
SYM	JONATHAN	2552	125000000	10/3/11	

Furthermore, I have confirmed with our Board of Directors that they have not sold any shares during the same time period. Shares owned by Messrs. John Hotek and Thomas Clarke, our Directors, are also in certificate form and are restricted.

As part of our demand letter in the current lawsuit, we have requested the return of all shares owned by former Director E. Richard Weitzel. We have not received a response. It is our aim to retrieve all Evermedia Group shares in his possession.

Thank you for your continued support and have a fine Navy day!

Very Respectfully,

/s/ Jonathan
