Electronic Control Security, Inc. Signs Exclusive Distribution Agreement with Tamas Projects in United Arab Emirates

CLIFTON, NJ, October 20, 2021 - Electronic Control Security, Inc. (OTCPINK: EKCS) (ECSI), a leading provider of electronic security system technologies to the government and private sectors, announces the signing of an Exclusive Distribution Agreement with TAMAS PROJECTS of the United Arab Emirates.

Mr. Sameh Masry, the President and CEO of TAMAS PROJECTS, said "Since our inception in 1978, I am extremely proud of what we have achieved to date and ever more excited about our future, which is poised to be equally promising."

"The dynamic development of the Group has facilitated aggressive forward momentum in many areas, capitalizing on solid growth opportunities, improving operational efficiency and sharpening our business portfolio's focus on Infrastructure projects related to the Groups' water, wastewater, power and transport activities through TAMAS: Projects; Operation & Maintenance; Construction; Engineering Supplies and Technical Services, Group of Companies."

"TAMAS considers ECSI as an important and prominent partner in the security space throughout the GCC and Egypt regions", said Mr. Masry.

"We're pleased to welcome TAMAS PROJECTS as our exclusive distributor for the Gulf Cooperation Council (GCC) and Egypt to provide our core products and services," said Arthur Barchenko, Electronic Control Security, Inc.'s CEO. "With a long history of success in promoting products and services to governmental and industrial customers in the Middle East, TAMAS PROJECTS brings to Electronic Control Security, Inc. a valuable network of potential new business."

ABOUT ECSI

ECSI is a global leader in perimeter security and a quality provider to the Department of Defense, Department of Energy, nuclear power stations, and other large commercial-industrial complexes. The Company designs, manufactures and markets physical electronic security systems for high profile, high threat environments utilizing risk assessment and analysis to determine and address the security needs of its customers. Teaming agreements with major system integrators enable ECSI to support the installation and aftermarket of its products in the U.S. and overseas. ECSI is located at 65 Kingsland Avenue, Clifton, NJ 07014. Tel: 973-574-8555; Fax: 973-574-8562. For more information on ECSI and its customers, please visit http://www.anti-terrorism.com.
