BioNeutra Global Corporation (Toronto: TSX-V: BGA) (USA: OTCQB: BGACF) is pleased and excited to announce that its wholly owned subsidiary VitaCanada Inc is releasing its first retail product PUPPY LOVE SMART TREATS

Edmonton, AB, Canada –December 6th, 2021 – BioNeutra Global Corporation (Toronto: TSX-V: BGA) (USA: OTCQB: BGACF) is pleased and excited to announce that its wholly owned subsidiary VitaCanada Inc is releasing its first retail product.

VitaCanada has been formed specifically to develop and market new healthy retail products and grow a new retail business internationally in addition to continuing to expand and increase our commercial bulk health food ingredient business to new clients across the globe.

The retail products developed by VitaCanada Inc. will use the award winning, patented, all- natural low caloric sweetener/prebiotic/dietary fiber developed by BioNeutra Global Corporation known as VitaFiber, which has all three major health authority approvals, The FDA, Health Canada and the European Food Safety Authority (EFSA).

Until now the Company has primarily been selling this health ingredient in bulk to more than 200 clients across the globe who make everything from candies, energy bars, ice cream, cookies, sauces, and retail products across the entire food spectrum with the remarkable health functions, mouth feel and taste.

BioNeutra Global Corp is excited to announce that its wholly owned subsidiary VitaCanada is now working with AMAZING FOODS INC. to launch the first products AMAZING dog treat called PUPPY LOVE SMART TREATS. Please check out www.puppylove.international.

This is the first dog treat anywhere in the world to include VitaFiber as an ingredient. The prebiotic function of the VitaFiber product promotes the growth of essential “healthy” bacteria in the “gut” of the animal. Just as a dog must have a healthy heart, lungs it is essential that it also has good “gut” health.

“We have spent a lot of time in developing this incredible product that every pet owner should purchase,” says Dr. Jianhua Zhu. “The pet food space is exploding, and we are the first to include this vital ingredient “he added.

BioNeutra Global Corporation and VitaCanada Inc. have recently established global distribution points in North America, Canada, Europe, Australia and elsewhere the Company is poised for a global launch of healthy retail products that cover the entire food spectrum from Ice Cream, Sports Drinks, Cola's, Gummies, nutrition and energy bars, jams, pet foods, chocolate bars, candies, baked goods and much more.

VitaCanada Inc and AMAZING FOODS INC. are now actively searching for global contract manufacturers who may interested in joint ventures, licensing, partnerships, acquisitions, and other business relationships with this great product.

About BioNeutra Global Corporation

BioNeutra is an award-winning, sector-leading Canadian company in the business of research and development, production and commercialization of ingredients for nutraceutical, functional and mainstream foods and beverages with a focus on its lead product – VitaFiber® series products. BioNeutra's goal is to improve consumer nutrition and public health.

VitaFiber® IMO and other series products are made using a patented process that naturally and enzymatically converts starch molecules from plant-based starches such as pea or tapioca into a healthy functional food ingredient. The conversion process does not involve any chemical modification making VitaFiber a natural food and beverage ingredient. VitaFiber® series products have been approved for sale by the world's top three health regulatory bodies: generally regarded as safe (GRAS) by the U.S. Food & Drug Administration; a novel food ingredient by Health Canada and the European Food Safety Authority.

Additionally, Health Canada has approved VitaFiber® IMO as a dietary fiber. VitaFiber® IMO is naturally sweet, lower in calories than sugar and a natural source of prebiotic dietary fiber for human digestive health.

VitaFiber® series products are also non-GMO, vegan friendly, gluten-free, Kosher and Halal certified and available as certified organic.

The Company's customers include a mix of small and medium businesses as well as a number of high- profile food and beverage manufacturers on four continents. The Company is publicly traded on the OTCQB: BGACF and on the TSX-V: BGA
