

PRESS RELEASE**Positive Physicians Holdings, Inc. Announces the Appointment of Michael Roque as President**

Berwyn, Pennsylvania, December 8, 2021. Positive Physicians Holdings, Inc. (the “Company”) (OTCQX: PPHI), the holding company of Positive Physicians Insurance Company and Positive Professionals Management LLC, today announced the appointment of Michael Roque as President. This appointment was approved by the Company’s Board of Directors on December 2, 2021.

Mr. Roque has over 25 years’ experience in medical professional liability, working on both the broker and carrier sides. Most recently, he served as Chief Operating Officer at Integris Group. Throughout his career, he has specialized in strategic planning, operations management, and market growth within the medical professional liability industry. Mr. Roque holds a B.B.A. in Risk Management & Insurance from Temple University.

About Positive Physicians Holdings, Inc.

The Company is the holding company for Positive Physicians Insurance Company (“PPIC”), a Pennsylvania domiciled insurance company, and Positive Professionals Management LLC (“PPM”), a Pennsylvania limited liability company. PPIC underwrites medical professional liability coverage for physicians, their corporations, medical groups, clinics and allied healthcare providers. Medical professional liability insurance protects physicians and other healthcare providers against liabilities arising from the rendering of, or failure to render, professional medical services. We offer claims-made coverage, claims-made plus, occurrence-based policies as well as tail coverage in Pennsylvania, New Jersey, Ohio, Delaware, Maryland, South Carolina, Michigan, and Florida. PPM provides management and administrative services to PPIC. For more information, please visit www.positivephysicians.com.
