

PRESS RELEASE
UNIVEC, INC.

UNIVEC APPOINTS LAMONT ELLIS PRESIDENT

Baltimore, Maryland March 30, 2022

Univec, Inc. (OTCMarkets: UNVC) a mental health and substance abuse total wraparound service provider announced that **Lamont Ellis** has been named President, effective immediately.

Ellis has more than 22 years growing and expanding [T.I.M.E. Organization, Inc.](#), a licensed Outpatient Mental Health Center (OMHC) providing community based mental health and behavioral health services including counseling, PRP, substance abuse, services and other wraparound services. The mission of T.I.M.E., founded by Ellis in 2000, is to offer a continuum of care for individuals experiencing a vast array of mental health needs in an environment that is supportive and effective.

Since founding T.I.M.E., the organization has expanded to provide services throughout the state of Maryland. The tireless efforts and visionary leadership of Ellis has grown T.I.M.E. to a \$20,000,000 revenue organization.

“Lamont is the right executive to join the leadership for Univec” said **Dr. David Dalton**, Chairman and CEO of Univec. “Lamont’s extensive background and business development skills will help Univec strengthen channel partnerships, acquisitions, and strategic alliances to expand our footprint in the mental health space.”

“I am very excited to be joining Univec as President,” said Ellis. “I believe Univec has a great business model and is in a unique position to capitalize on the needed changes in the mental health environment especially after this Covid pandemic.”

Ellis received a Master’s degree of Social Work from Morgan State University and a Master’s Degree in Education from Goucher College. Prior to founding T.I.M.E., Ellis worked as a Crisis Counselor for the Baltimore Public Schools and as a Family Counselor at the Progressive Life Center.
