

## **SHAREHOLDERS UPDATES: Attorneys opinion letter “current” Information posted.**

DALLAS, TX, October 31<sup>st</sup>, 2022 – (OTC PR WIRE) Black Dragon Resource Companies, Inc. (OTCPK: BDGR) (“The Company”) Posted an Attorney Letter with Respect to Current Information.

Today, Black Dragon Resources companies, (BDGR), the company, posted Attorney Letter with Respect to Current Information.

“The company is in the process of several deal developments and moving to the “OTCPK current information tear” will benefit and enhance the managements negotiations and business positions. We have achieved many new and innovative developments during the past year, and we hold a unique position on NASDAQ OTCPK Microcap markets as the first and only company who was able to reward its shareholders with its own digital cryptocurrency as a Dividend, Black Dracos. This was the first dividend of its kind paid by an OTC Markets company to its shareholders. The addition and asset developments were expanded as the company developed and launch its own collection of NFT’s. The result added a seven-million-dollar Market Cap increase and added over 20 million in NFT/Tokens value as well as 60 million in art backing the currency.” Explained Edward Vakser, CEO.

The company is now positioned to work on its other core projects and developments. The Oil and gas, precious metals and other commodities are part of the company’s business plan and initiatives.

Recently, the company announced its engagement in Moldavia for Silica Sand, oil and gas developments and extractions. The management received several reports from the government and will post a detailed update to its shareholders.

More information can be found at: <https://www.blackdracos.io/> and the company is preparing a whole new Moldavia Report that will be posted following month.

### **About BDGR:**

BDGR is in business of developing oil and gas, silica sand and extracting precious metals and minirals. The management developed and added current technologies and assets to create value and financial flexibilities for the company’s projects developments and financing.

Black Dragon Resource Companies, Inc. is a distributor of rare art via blockchain-based technologies, or NFT (Non-Fungible Token). The Company is proud to possess exclusive ownership and distribution rights of the world’s most exclusive art from the most famous artists dating back to the renaissance period and the platform to share ownership of individual arts via blockchain-based technology. The goal of the company is to share rare and exclusive art with more people to inspire humanity to greater achievement, by expanding ownership potential. Art’s valued only if people can see it, possess it, own it.

### **Forward-Looking Statements:**

The information posted in this release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. You can identify these statements by use of the

words "may," "will," "should," "plans," "expects," "anticipates," "continue," "estimate," "project," "intend," and similar expressions. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected or anticipated. These risks and uncertainties include, but are not limited to, general economic and business conditions, effects of continued geopolitical unrest and regional conflicts, competition, changes in technology and methods of marketing, delays in completing various engineering and manufacturing programs, changes in customer order patterns, changes in product mix, continued success in technological advances and delivering technological innovations, shortages in components, production delays due to performance quality issues with outsourced components, and various other factors beyond the Company's control.

**Safe Harbor Statement:**

This release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Certain statements set forth in this press release constitute "forward-looking statements." Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate, or imply future results, performance or achievements, and may contain the words "estimate", "project", "intend", "forecast", "anticipate", "plan", "planning", "expect", "believe", "will likely", "should", "could", "would", "may" or words or expressions of similar meaning. Such statements are not guarantees of future performance and are subject to risks and uncertainties that could cause the company's actual results and financial position to differ materially from those included within the forward-looking statements. Forward-looking statements involve risks and uncertainties, including those relating to the Company's ability to grow its business. Actual results may differ materially from the results predicted and reported results should not be considered as an indication of future performance. The potential risks and uncertainties include, among others, the Company's limited operating history, the limited financial resources, and domestic or global economic conditions -- activities of competitors and the presence of new or additional competition and conditions of equity markets.
