

## Extreme Biodiesel, Inc. Positions for 2023 Corporate Development

Boise, ID - December 15, 2022; Extreme Biodiesel, Inc. (OTC MARKETS: XTRM) Extreme Biodiesel Board of Directors has approved a plan to expand corporate opportunities and open new potential revenue channels. Extreme Biodiesel is very excited to announce that it has acquired 100% of World Wide Sun (WWS) and intellectual property of Solar and Battery technology from Fernhill Corp (Symbol FERN). The objective is to be at the forefront of innovation in conjunction with legislation enacted to provide an additional revenue stream for the Company potentially. World Wide Sun (WWS) will complement our current home builder, North Star Homes.

“A strong company invested in diverse businesses is essential. The Company now has a real estate housing development company, solar technology, and innovative battery technology, providing a diverse portfolio of products for a successful company. We believe 2023 will bring us continued success with expansion of the management team, company-owned innovative technology and opportunities to improve & enhance our business model to achieve our goals of providing shareholders value.” Said Vinnie Angelos, President
