Please be aware that we will be utilizing press releases to announce information related to NNRF, Inc. and our subsidiaries as we continue to grow our online presence.

About NNRF, Inc.

NNRF, Inc. has recently positioned itself as an eco-friendly holding company. We envision to become a leading diversified holding company, maximizing shareholders value and enabling economic development with specific focus on emerging green markets. NNRF looks to build value by targeting companies that are positioned to grow as the world moves to invest and develop green technologies, green energy and healthier living and lifestyles.

Cautionary Note Regarding Forward-Looking Information

Certain statements in this press release are forward-looking statements and are prospective in nature. Forward-looking statements are not based on historical facts, but rather on current expectations and projections about future events, many of which, by their nature, are inherently uncertain and outside of the Company's control and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. These statements generally can be identified by the use of forward-looking words such as may, should, will, could, intend, estimate, plan, anticipate, expect, believe or continue, or the negative thereof or similar variations. These statements include forward looking statements regarding new revenue sources and growth plans for the Company. Those assumptions and factors are based on information currently available to the Company. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. Among the key factors that could cause actual results to differ materially from those projected in the forward-looking information and statements are the following: changes in general economic, business, and political conditions, including changes in the financial markets; changes in applicable laws; and the diversion of management time. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated, or expected. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Readers should not place undue reliance on forward-looking statements and forward-looking information. The forward-looking information contained in this release is made as of the date hereof and the Company assumes no obligation to update or revise any forward-looking statements or forward-looking information that are incorporated by reference herein, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. The foregoing statements expressly qualify any forward-looking information contained herein. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.
