

## NEWS RELEASE

### REGALWORKS MEDIA SIGNS BINDING LETTER OF INTENT TO ACQUIRE TECHNOLOGIES SOLUTIONS GROUP, LLC

---

ABINGDON, MD, September 5, 2023. RegalWorks Media, Inc. (OTCMKTS: "RWMI"), a holding company in the health and wellness field, announces the signing of a binding Letter of Intent to acquire Technologies Solutions Group, LLC of Columbia, Maryland through the issuance of 30 million of RWMI's restricted common stock in exchange for 100% ownership. Thomas P. Jackson, the owner and managing partner of Technologies Solutions Group, LLC will become Chief Operating Officer of both RWMI's Pure Rudi, LLC and of the newly acquired Technologies Solutions Group, LLC, to seamlessly integrate both operations, reporting to Randy Packett, RWMI's CEO. The annual gross revenue of Technologies Solutions Group approximates \$ 2.5 million.

"Technologies Solutions Group and its medical technology products is a natural fit with our Pure Rudi product cultivation and manufacture", said Randy Packett, RWMI's CEO. " I have know Tom Jackson for many years and I appreciate his technology team of executives and what his company has achieved to date. By now combining resources we plan to create a powerhouse in the medical technology field in particular".

"Joining Randy and his team, with access to financing through the public marketplace, provides the capital we need and cements our expansion plans towards the next chapter of developing and marketing our broad technology line up of products and services. It's a win-win for both of us" said Tom Jackson, CEO of Technology Solutions Group

#### **About Technologies Solutions Group**

##### **Redefining Automation in Healthcare and Other Vertical Markets**

Technologies Solutions Group (TSG) is a privately held company with a targeted, diversified, strategic portfolio revolving around supply chain and work-flow automation products. TSG develops and produces proprietary risk management devices and operating suite workflow software targeting the needs of various industries, including the healthcare industry. The executive team has an average of 30 years of experience in AIDC/RFID. They have three emerging proprietary medical products, while having key patents and trademarks. This positions Technologies Solutions Group (TSG) well as an emerging market leader in healthcare automation while having a solid background in AIDC for other vertical markets, providing a variety of efficient services, solutions, and products through systems designs and customized solutions and support for hardware, software, technology and custom packages.
