

Sixty-Six Oilfield Services Inc., Announces Strategic Partnership!!!

Vyable Entertainment with Biznet Worldwide Ventures

Winter Springs, FL - October 17, 2023 – Sixty-Six Oilfield Services Inc. (trading under the symbol SSOF.PK): The Company is thrilled to announce a strategic partnership through the Company's ("SSOF") wholly owned subsidiary, Vyable Entertainment, with Biznet Worldwide Ventures Inc., headquartered in Coral Springs, Florida. This partnership marks a significant milestone as Vyable Entertainment acquires a 50% ownership stake in the popular streaming channel, FoodyTV .

Under the terms of the agreement, SSOF.PK has acquired 50% ownership of the FoodyTV trademark, name, and social media outlets, while retaining 100% of revenues generated from Advertising, Sponsorships, and Product Placement Advertising. SSOF.PK will also assume management control of FoodyTV.

In a statement issued by the Company, Biznet expressed its excitement about the new partnership, highlighting the commitment from Vyable Entertainment and its parent company, SSOF.PK, to provide funding, support, and active involvement in the launch of sub-channels, marketing initiatives, branding efforts, and content development. These plans were originally hindered by the challenges posed by the COVID-19 pandemic and a lack of funding and support. However, with the backing of Vyable Entertainment, Biznet sees endless possibilities for FoodyTV. The synergy with SSOF's other divisions and holdings, particularly TRADER JAX'S, as well as upcoming acquisitions, promises to be a development bonanza for FoodyTV, delivering exciting new content for its viewers.

While Biznet will continue to be involved on a limited basis, Vyable Entertainment and the New Management Team will take the lead. The appointment of the new management team and Board of Directors is expected to be completed by the end of this year, and Biznet will oversee the network's management in the interim. This partnership ushers in a new era for FoodyTV, coinciding with the rapid growth in the streaming industry, which holds great promise for FoodyTV, its viewers, Vyable Entertainment, parent company SSOF.PK, and their shareholders.
