

19 December 2023

Dear Shareholder,

## **Invitation to participate in Share Purchase Plan**

On 15 December 2023, DigitalX Ltd (ACN 009 575 035) (**DigitalX** or the **Company**) announced its intention to offer a share purchase plan to eligible shareholders. The Company is now pleased to provide details of a Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of Shares at \$0.046 per Share, irrespective of the size of their shareholding in DigitalX, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise \$2,500,000 on the terms and conditions contained in this document (**Terms and Conditions**). The Company may elect to accept oversubscriptions or alternatively close the Offer early and/or scale back applications at its absolute discretion.

## **Shareholders eligible to participate in the Plan**

Participation under the Plan is optional and is available exclusively to shareholders of the Company who were registered as holders of Shares as at 5:00pm (AWST) on 14 December 2023 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

## **Share Purchase Plan**

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding in DigitalX, to purchase up to \$30,000 worth of Shares at an issue price of \$0.046 per Share (**Price**). The Price represents a discount of approximately 16% to \$0.055 (being the volume weighted average market price (**VWAP**) of the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the Plan was announced on 15 December 2023).

The Company reserves the right to accept oversubscriptions at its absolute discretion, subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which may be issued under this Plan will be 223,655,711.

In addition, depending on applications received, the Company may, in its absolute discretion, undertake a scale back. Scale back decisions are made by the Board and are final.

The Plan is not presently intended to be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan subject to the Listing Rules.

## Current activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX:DCC), or the Company's website at <https://www.digitalx.com/>.

## Use of funds

The funds raised under the Plan will be used to:

- Raise working capital;
- Bolster active treasury management to capitalise on the Bitcoin boom; and
- Invest further in real world asset tokenisation infrastructure to capitalise on the likely acceleration of take-up in 2024 to maintain the Company's competitive advantage.

## How much can you invest?

Eligible Shareholders may each apply for a maximum of \$30,000 worth of Shares and a minimum of \$2,000 worth of Shares under the Plan.

## How to accept the Offer

To apply for Shares under the Plan, please follow the instructions on your personalised Application Form which is available online at <https://investor.automic.com.au/#/home>.

Eligible Shareholders may participate by selecting only one of the following options to purchase Shares under the Plan:

	Total amount payable	Number of Shares which may be purchased
Offer A	\$30,000	652,173

Offer C	\$20,000	434,782

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Price, rounded down.

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **Closing Date of 25 January 2024**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- (a) return your application monies and not issue any Shares to you; or
- (b) issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application monies to you by electronic funds transfer as soon as possible, without interest. If no banking instructions are held by the Registry, a withheld notice will be issued with instructions on how to update your details to obtain your refund of excess application monies.

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being \$0.046, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

## **Multiple holdings**

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

## **Custodians and Nominees**

Eligible Shareholders who hold Shares as custodian or nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions. Please refer to the Terms and Conditions section of this document below for more details.

## **Relationship of issue price with market price**

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.053. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you pursuant to your Application under the Offer.

# DIGITAL

By making an Application under the Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an offer and the date of issue of Shares under that offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under the Offer.

## **Additional information and important dates**

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC CI 2019/547**) and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the Shares issued under the Offer will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$2,500,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscriptions by the Closing Date the Directors of the Company may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. The Directors of the Company may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the applicant the relevant application monies, without interest.
