

Trent Daniel Appointed Chief Operating Officer of BioQuest, Inc

Katy, TX – October 22, 2024 – BioQuest, Inc. (OTC: BQST) is excited to announce the appointment of Trent Daniel as its new Chief Operating Officer (COO), effective immediately. In his new role, Daniel will lead BioQuest's operational strategy as the company continues to expand in the artificial intelligence sector. Following the completion of BioQuest's planned acquisition of BotMakers, Inc.,

The acquisition of BotMakers, Inc., a leading provider of AI-powered conversational technologies, is expected to significantly enhance BioQuest's offerings by integrating cutting-edge AI solutions into its biotech services. The deal is set to close in early 2025, at which point Daniel will officially step into the role of CEO, guiding BioQuest through a new era of growth and technological innovation.

"Trent Daniel brings a wealth of expertise in AI and business development that will be instrumental in taking BioQuest to new heights," said Tom Hemingway, CEO of BioQuest. "We are confident that under his leadership, the company will continue to thrive as we integrate BotMakers' advanced AI technologies with our core biotech solutions. "Strategic Growth and Leadership Transition

The acquisition of BotMakers is a key component of BioQuest's long-term strategy to leverage AI-driven solutions, enhancing both operational efficiency and customer experience. As COO, Trent Daniel will focus on ensuring a smooth transition and integration of the two companies,

"I am thrilled to be joining BioQuest at this pivotal moment," said Trent Daniel. "The combination of BotMakers' innovative AI technologies with BioQuest's biotech expertise will create a powerful platform for growth and innovation. I look forward to leading this next chapter as we deliver transformative solutions to the market."
