

**St. Joseph Inc. (OTC QB: STJO), FOR IMMEDIATE RELEASE**  
**Vital Touch Partners with Centerline Healthcare Partners to Bring RPM/CCM Services to Houston Area Facilities**

**Salt Lake City, UT, - January 2025 – St. Joseph Inc. (OTC QB: STJO)**, is a specialty medical services company.

***Strategic Alliance Aims to Enhance Patient Care in the Long-Term Care Space***

Vital Touch, a leading provider of Remote Patient Monitoring (RPM) and Chronic Care Management (CCM) solutions, proudly announces its collaboration with Centerline Healthcare Partners, expanding services to assisted living, independent living, and nursing facilities in the Houston area. This collaboration marks a significant step in transforming patient care across a network of facilities that house high-acuity and chronic care patients.

This collaboration will leverage Vital Touch's comprehensive RPM/CCM services to optimize healthcare outcomes in these facilities, streamlining care delivery, improving patient engagement, and driving revenue growth. The collaboration underscores Vital Touch's commitment to bringing cutting-edge, value-driven solutions to healthcare providers while reducing hospital readmissions and enhancing overall patient quality of life.

**Leadership and Expertise Driving Success**

Vital Touch has also hired *Phil Davis* as the Director of Onboarding and Enrollment to lead the initiative. Davis, an industry veteran with over 20 years of experience in healthcare business development, has built a stellar reputation managing relationships with hospitals, nursing facilities, and healthcare providers across the Houston market. His extensive background, including key roles at Paradigm Healthcare, Anchor Hospice, and Concord Healthcare, positions him as a crucial figure in ensuring seamless onboarding and collaboration with facility Doctors, nurses, and administrative teams.

**Gary Guidry**, CEO of Centerline Healthcare Partners, emphasized the importance of this collaboration: *"At Centerline, we prioritize innovation in patient care. Partnering with Vital Touch allows us to implement state-of-the-art RPM/CCM services, ensuring our providers can provide proactive, personalized care for each resident. We are confident that this alliance will set a new standard for senior living and long-term care in Houston."*

**The Road Ahead for RPM and CCM in Healthcare**

Remote Patient Monitoring and Chronic Care Management have become pivotal to managing patients with chronic conditions, particularly in large-scale healthcare environments. By closely monitoring vital signs and patient data in real-time, RPM helps prevent complications, enabling earlier interventions. Combined with CCM, these tools deliver continuous, coordinated care, particularly crucial for aging populations with multiple chronic conditions.

The inclusion of Vital Touch's services will allow Centerline's providers and partner facilities to seamlessly integrate advanced patient monitoring and care coordination, thereby significantly reducing emergency room visits and unnecessary readmissions leading to improved patient care and outcomes.

## **Impact on St. Joseph, Inc.**

This collaboration highlights the growing footprint of Vital Touch under the St. Joseph, Inc. umbrella, reflecting the corporation's strategic focus on expanding into high-demand healthcare services. The integration of RPM/CCM within Centerline's network is expected to drive positive financial performance for St. Joseph, Inc. in 2025 and beyond, potentially bolstering stockholder confidence.

As the healthcare landscape continues to evolve, innovative collaborations like this will position St. Joseph, Inc. as a leader in both patient-centered care and financial growth.

---

## **About Centerline Healthcare Partners**

Centerline Healthcare Partners is a leading management services organization providing non-clinical support services to post-acute care medical practices located throughout the country. The company was launched in 2021. Since its launch, the company has rapidly grown its provider base, which includes physicians, physician assistants and nurse practitioners, offering patient care to skilled nursing, long-term care, assisted living, and independent living post-acute facilities.
