**New Advisor Joins SPARC AI to Accelerate Defense Adoption**

**January 31, 2025 – Toronto, Canada – SPARC AI INC. (CSE: SPAI) (OTCQB: SPAIF) (Frankfurt: SOV0) (“SPAI” or the “Company”)** is pleased to announce the appointment of Adam Worsley as a strategic advisor to the Company.

With over 20 years of military experience, Mr. Worsley has a strong background in deploying and coordinating advanced technologies in complex defense operations. He has served in both peacetime roles and operational deployments to East Timor and Afghanistan, where he was responsible for the precise planning and integration of offensive support capabilities.

Mr Worsley is a graduate of the Australian Defence Force Academy, the Royal Military College, and Australian Command & Staff College. He has also instructed in both Australia and the United States, sharing technical and operational knowledge with diverse audiences.

Since transitioning from the military, Mr Worsley has continued to work in technology-driven fields, focusing on the application of cutting-edge solutions.

Anoosh Manzoori, CEO, said “I was delighted to showcase SPARC AI to Adam in a live demonstration and to welcome him as an advisor to the company. His expertise and connections will be instrumental as we engage with defence departments globally.”

**About SPARC AI**

SPARC AI has developed a new Target Acquisition System that calculates geolocation coordinates (latitude and longitude) of any distance object without using radar, lidar, GPS, sensors, satellites, or the Internet.

**FORWARD LOOKING INFORMATION**

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information.

The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited those identified and reported in the Company's public filings under the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.

Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors, assumptions and exclusions is not exhaustive.

The forward-looking statements and information contained in this news release are made as of the date hereof and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the Canadian Securities Exchange. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.
