

## **AUTRIS ANNOUNCES GROUNDBREAKING OF FIRST HOME IN ITS LANDMARK VERITAS VILLAGE – CORONADO COMMUNITY IN PANAMA**

March 25<sup>th</sup>, 2025, Panama City, Republic of Panama - Autris (OTC: AUTR), (“Autris” or “the Company”), a pioneering company dedicated to promoting freedom and self-sustainability, through the acquisition, design, development, and construction of self-sustainable communities throughout Latin America and the Caribbean, announces breaking ground of the first homes in its flagship Veritas Village – Coronado Community in Panama. The Veritas Villages Communities are based on Autris’ F.I.R.S.T. philosophy (Freedom, Independence, Resiliency, Self-Sustainability and Transparency) for creating intentional community developments throughout the Latin American region.

Veritas Villages, with the initial community in the Coronado, Panama area ([Veritas Village — Coronado](#)), are places for people who are interested in living a luxurious, freedom and sustainability-oriented life and who want to get away from relying on government, large corporations or other outside forces for their freedoms, food, water and lifestyle. Veritas Village – Coronado is located in a spectacularly beautiful area with stunning mountain and ocean views, near superb beaches and is the flagship of the Veritas Villages communities designed by following the F.I.R.S.T. philosophy. Veritas Villages residents also become members of the Veritas Village Club, granting them perks and discounts in all the current and future Veritas Villages. This gives Veritas Village residents and owners the opportunity to travel to and stay at other incredible destinations with like-minded people and at a lower cost.

“We are very excited to begin the construction of homes at Veritas Village - Coronado!” stated Patrick Hiebert, CEO and Co-Founder of Autris “With roughly 80% of the homesites sold in a very short time even we were surprised by the popularity of a Freedom oriented community. We expect this community to be sold out shortly and full of beautiful homes with amazing freedom minded owners!”, “It’s extremely rewarding to know that we are part of creating a new kind of community and the solution for an ever-growing group of people. A group of people who are tired of political divisiveness and woke ideologies and want to live in a community with other freedom-oriented people and have the best lives with their families.”

### **Veritas Village Community Highlights:**

- Fully off-grid luxury community with solar powered homes.
- Own water source through onsite mountain spring fed water wells and year-round creek.
- Food forest, stables, tilapia pond, community orchards/gardens, and hydroponic gardens
- Onsite clinic, school, music studio, woodworking shop, pickleball/tennis courts, and many more amenities.
- Located in a very popular Expat area of the country of Panama with an incredible climate.
- Very near spectacular beaches, shopping, mountain hikes, and entertainment areas.

Autris is not only planning on further expansion of the wildly successful Veritas Villages in Panama but is currently in negotiations on two new properties for Veritas Villages in Costa Rica and other Latin American countries.
