

Ladybug Resource Group's Thee Mine Inc. to Host KIDFITSTRONG Fitness Challenge

KidFit Strong Challenge at Central Florida's "The Mine"

New York City, New York May 29, 2025

([Issuewire.com](http://www.issuewire.com)) - Ladybug Resource Group, Inc. ("Ladybug") (OTC PINK: LBRG) announced today that its subsidiary, Thee Mine Inc., will host the nationally recognized KIDFITSTRONG Fitness Challenge at its Central Florida based family-friendly destination in late 2025 or early 2026. This free admission community event underscores Ladybug's commitment to promoting youth health and wellness through meaningful corporate social responsibility initiatives.

The KIDFITSTRONG Fitness Challenge, America's largest mobile fitness event, travels coast-to-coast with a mission to combat childhood obesity and diabetes and to promote active lifestyles. The event features a competitive obstacle course designed to test children's speed, strength, agility, and overall physical fitness in an engaging, supportive environment.

"By bringing the KIDFITSTRONG Challenge to Central Florida, we're not just hosting an event – we're investing in the future health of our community's children. This partnership aligns perfectly with our corporate values of community engagement and promoting healthy lifestyle choices for families," stated Neal Pflum, President of Ladybug Resource Group.

The decision to host this significant health-focused event comes at a critical time when childhood obesity rates continue to rise nationwide. According to recent studies, nearly one in five children in the United States struggles with obesity, making initiatives like the KIDFITSTRONG Challenge increasingly important for public health.

Beyond the obstacle course competition, the event will offer a variety of Family-Oriented activities, including interactive fitness games, nutritional education stations, and wellness demonstrations. Health professionals will be on-site to provide guidance to families about incorporating sustainable healthy habits into their daily routines.

"What makes this initiative particularly valuable is its accessibility – the event is completely free to the public, removing financial barriers to participation."

In a statement from Thee Mine Inc. "We believe every child deserves the opportunity to experience the joy of physical activity and learn about healthy living in a fun, supportive setting."

The exact date for the KIDFITSTRONG Challenge at Thee Mine will be announced in the coming months. Ladybug Resource Group expects tens of thousands of participants from across the region to attend, making it one of the largest community wellness events in Central Florida.

This corporate social responsibility initiative represents a significant investment by Ladybug Resource Group in community wellness programming, demonstrating the company's dedication to making a positive impact beyond its business operations.

Safe Harbor for Forward-Looking Statements

This news release contains forward-looking statements which are not statements of historical fact. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes," "anticipates", "expects", "estimates", "may", "could", "would",

"will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties, and other factors involved with forward-looking information could cause actual events, results, performance, prospects, and opportunities to differ materially from those expressed or implied by such forward-looking information. Factors that could cause actual results to differ materially from such forward-looking information include but are not limited to changes in general economic and financial market conditions. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
