- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholders' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy vote if appointment specifies way to vote

Section 250BB (1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular Resolution and if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the Resolution, the proxy must not vote on a show of hands; and

- at the Meeting, a poll is duly demanded on the Resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the Meeting; or
 - the proxy does not vote on the Resolution,

the Chair is taken, before voting on the Resolution closes, to have been appointed as the proxy for the purposes of voting on the Resolution at the Meeting.

A Shareholder may vote by indicating on the Voting Form that they are casting their vote directly and then placing a mark in one of the boxes opposite each item of business on the Voting Form. All of the Shareholder's shares will be voted in accordance with such direction, unless the Shareholder indicates that their direction is:

- to vote only a portion of their votes on any item; or
- to cast their votes in different ways on any item, by inserting the number of shares in the appropriate box or boxes.

If a Shareholder indicates that they are lodging their votes directly and then does not mark any of the boxes on a given item, no direct vote will be recorded on that item. If a Shareholder indicates that they are delivering their votes directly and then marks more than one box on an item, their vote on that item will be invalid. If a Shareholder inserts a number of shares in boxes on any item that in total exceeds the number of shares that the Shareholder holds as at the voting entitlement time, the Shareholder's vote on that item will be invalid, unless the Shareholder inserted the number of shares in one box only, in which case it will be taken to be valid for the total number of shares held at that time.

Your proxy voting instruction must be received by 10:00am (AEDT) on 16 November 2025, being not later than 48 hours prior to the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

3.2 Resolution 1 – Adoption of the Remuneration Report

The Corporations Act requires that at a listed Company's annual general Meeting, a resolution that the remuneration report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2025.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting Consequences

Under the Corporations Act, if at least 25% of the votes cast on a remuneration report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general Meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general Meeting to consider the appointment of Directors of the Company at the second annual general Meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general Meeting (**Spill Meeting**) within 90 days of the second annual general Meeting. All of the Directors of the Company who were in office when the Directors' Report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general Meeting) was approved, other than the Executive Directors of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved by the Shareholders will be the Directors of the Company.

At the Company's previous Annual General Meeting, the votes cast against the Remuneration Report considered at that Annual General Meeting were more than 25%. Accordingly, the Spill Resolution is relevant for this Annual General Meeting.

Voting Restrictions

Members of the Key Management Personnel and their proxies and Closely Related Parties are restricted from voting on a resolution put to Shareholders that the Remuneration Report of the Company be adopted. Key Management Personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any Director (whether executive or otherwise) of that entity.

The Voting Restriction does not apply where:

- (a) The Chairman or any other member of the Key Management Personnel is appointed in writing (by a Shareholder who is not a member of the Key Management Personnel or a Closely Related Party of Key Management Personnel) as a proxy with specific instructions on how to vote on a resolution to adopt the Remuneration Report of the Company; or
- (b) the Chairman is appointed in writing (by a Shareholder who is not Key Management Personnel or a Closely Related Party of Key Management Personnel) as a proxy with no specific instructions on how to vote on a non-binding shareholder vote on remuneration, where the Shareholder provides express authorisation for the Chairman to do so.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the Resolutions of this Meeting, including this Resolution 1, subject to compliance with the Corporations Act.

3.3 Resolution 2 – Spill Resolution General

In accordance with section 250V of the Corporations Act, if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company must put to vote at the second annual general meeting a resolution (Spill Resolution) on whether all Directors

(other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Remuneration Report received a Strike at the Company's 2024 annual general meeting.

Resolution 2 is a conditional item of business and is subject to the result of Resolution 1. If Resolution 1 receives a 'no' vote of 25% or more at the Meeting, this will constitute a second Strike and Resolution 2 will be voted on.

If Resolution 1 receives a 'no' vote of less than 25% at the Meeting, then there will be no 'second Strike' and Resolution 2 will not be put to the Meeting. Any votes cast on the Spill Resolution prior to the withdrawal of the Spill Resolution will be treated as invalid.

Resolution 2 is an ordinary resolution.

The Chair intends to exercise all available proxies against Resolution 2.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 2, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though Resolution 2 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Effect of Spill Resolution (if passed)

If the Spill Resolution is put to the Meeting and more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene another general meeting within 90 days of passing of the Spill Resolution (Spill Meeting). All of the Directors (other than the Managing Director) who were in office when the Directors' Report for the financial year ended 30 June 2025 was approved (including the Remuneration Report) will cease to hold office immediately before the end of the Spill Meeting but may stand for re-appointment.

If the Spill Meeting is held, pursuant to section 250V(1)(b) of the Corporations Act, the following Directors would cease to hold office immediately before the end of the Spill Meeting unless they are re-elected at the Spill Meeting:

- A. Eric Bono
- B. Erik Levy
- C. Jamie Levy
- D. Alistair Cray
- E. Omer Granit
- F. Robert (Bob) Latta

Shareholders will vote on the re-appointment of the Directors listed above and/or election of new Directors at the Spill Meeting.

In accordance with section 250X of the Corporations Act, if there would be fewer than three Directors after the Spill Meeting, two positions will be filled by the Directors who have the highest

percentage of votes favouring appointment (even if less than half the votes cast on the resolution at the Spill Meeting were in favour of their appointment).

Board Recommendation

The Board unanimously recommends that Shareholders vote **against** Resolution 2.

3.10 Resolution 9 – Approval of issue of securities under the Employee Incentive Plan (EIP)

The purpose of the Employee Incentive Plan (Plan) is to provide eligible participants with an incentive to remain with the Company and to improve the longer-term performance of the Company and its returns to Shareholders. This Plan enables the Company to retain and attract skilled and experienced employees and provide them with the motivation to make the Company more successful.

The Company is required to obtain shareholder approval for the issue of securities under the Plan so that any issue of securities under that Plan within the next three years falls within the ASX Listing Rule exception and will not reduce the Company’s available placement capacity. This Resolution seeks to ‘refresh’ the Plan which was last approved by shareholders at the Company’s 2023 annual general meeting.

This Resolution seeks Shareholder approval of the issue of securities under the Plan in accordance with Listing rule 7.2 exception 13(b).

At the 2023 annual general meeting of the Company, the Shareholders passed a resolution to approve the Employee Incentive Scheme and that the Company could issue up to 60,490,491 securities under the scheme utilising ASX Listing Rule 7.2 exception 13. ASX Listing Rule 7.2 exception 13 provides that ASX Listing Rule 7.1 does not apply to issues of securities under an employee incentive scheme if, within three years before the date on which the securities are issued, shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

Since the 2023 annual general meeting, the Company has issued 54,133,975 securities as approved under that resolution. The Company would like to increase the total number of securities that it can issue under the scheme utilising ASX Listing Rule 7.2 exception 13.

A summary of the Rules of the Plan is attached as Annexure A of this Explanatory Statement.

Why is approval being sought

Shareholder approval is sought for the Plan for the purposes of ASX Listing Rule 7.2 exception 13, section 260C(4) of the Corporations Act and for all other purposes.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period without shareholder approval.

ASX Listing Rule 7.2 exception 13 provides that ASX Listing Rule 7.1 does not apply to issues of securities under an employee incentive scheme if, within three years before the date on which the securities are issued, shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

If this Resolution is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years. The issue of any securities to eligible participants under the Plan will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1. The Directors believe that this will provide the Company with the flexibility necessary to raise additional capital as and when appropriate.

If this Resolution is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible participants, but any issues of securities above the total number of securities approved at the 2023 annual general meeting will reduce the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the Shares.

Information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to this Resolution:

- (a) See Annexure A to for a summary of the key terms of the Plan.
- (b) The Company has issued 54,133,975 securities under the Plan since the Plan was last approved by Shareholders upon the Company's 2023 annual general meeting.
- (c) The aggregate maximum number of securities proposed to be issued under the Plan, following Shareholder approval, is 50,000,000 securities. It is envisaged that the number maximum number of securities for which approval is sought will be issued over the period of 3 years.

Directors' Recommendation

As the Directors are excluded from voting upon this resolution pursuant to the ASX Listing Rules, the Directors will not make a recommendation to shareholders with respect to voting in relation to this Resolution.

The Chairman of the AGM intends to vote any undirected proxies in favour this Resolutions.

3.11 Resolutions 10 – Ratification of prior issue of Placement Shares – August 2025

On 27 August 2025, the Company issued 125,000,000 Shares to sophisticated and professional investors to raise \$50 million before costs (**Placement Shares**). Of the Placement Shares, 113,616,301 Shares were issued under the Company's 15% placement capacity under Listing Rule 7.1 and 11,383,699 Shares were issued under the Company's 10% placement capacity under Listing Rule 7.1A.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Under Listing Rule 7.1A, an eligible entity can seek approval from its shareholders, by way of a special resolution passed at its annual general Meeting, to increase this 15% limit by an extra 10% to 25%. The Company received approval from Shareholders at the 2024 Annual General Meeting to increase the Company's placement capacity under Listing Rule 7.1A.

The issue of Placement Shares considered under Resolution 10 does not fit within any of these exceptions and, as the issue of Placement Shares has not yet been approved by the Company's Shareholders, the issue of Placement Shares considered under this Resolution effectively uses up part of the 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date. The Company's capacity to issue equity securities under Listing Rule 7.1A will be reduced until the earlier of the expiry of the authority to issue securities under the additional 10% placement capacity or 12 months from the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval under that rule.

To this end, Resolution 10 seeks Shareholder approval to the issue of Placement Shares under and for the purposes of Listing Rule 7.4.

In accordance with Listing Rule 7.4, to restore the Company's capacity to issue securities under the Company's 15% capacity as per Listing Rule 7.1 and 10% capacity as per Listing Rule 7.1A it is proposed that Shareholders ratify the issue Placement Shares considered under Resolution 10.

If this Resolution is passed the Share issued under this Resolution will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 effectively increasing the number of equity securities, it can issue without Shareholder approval over the 12-month period following the issue date. Listing Rule 7.1A, allows the Company to issue 10% of its fully paid ordinary issued capital without shareholder approval. Listing Rule 7.4 provides that where an issue of securities, such as those in this Resolution has subsequently been approved by its shareholders, the issue will be treated as having been made with approval for the purpose of Listing Rule 7.1. Listing Rule 7.4 can also be utilised to refresh the Company's 10% capacity under Listing Rule 7.1A. If this Resolution is not passed, the Company's capacity to issue further securities under Listing Rule 7.1 and 7.1A capacity over the next 12 months without approval by Shareholders will be reduced.

3.12 Resolutions 11 – 17 – Grant of Options to Directors

The Company is seeking approval for the issue of 600,000 Options to each Board Directors under the Company's EIP (**Director Options**).

Listing Rule 10.14 provides that a listed Company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- A director of the Company;
- An associated of a Director of the Company; or

- A person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.1.2 is such that, in ASX's opinion, the acquisition should be approved by its Shareholders,

unless it obtains the approval of its Shareholders.

As Hank Holland, Omer Granit, Erik Levy, Robert Latta, Eric Bono, Jamie Levy and Alistair Cray are all Directors of the Company the issue of Director Options falls with Listing Rule 10.14.1 and therefore requires approval of the Company's Shareholders under listing Rule 10.14.

The Resolutions seek the required Shareholder approval of the Director Option issues under and for the purposes of Listing Rule 10.14.

If the Resolutions are passed the Company will proceed with the Director Option issues and the options (and Shares issued upon vesting of the options) will not be included in calculating the Company's capacity to issue equity securities equivalent to 15% of the Company's ordinary securities under Listing Rule 7.1.

If the Resolutions are not passed the Company will not be able to proceed with the Director Option issues. In that circumstance, issues may arise with the competitiveness of the Directors' total remuneration packages. The Board would then need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long-term incentive subject to the risk of forfeiture, performance conditions and performance period.

Chapter 2E of the Corporations Act requires shareholder approval where a public company seeks to give a financial benefit to a related party (unless an exception applies). Each Director is considered to be related parties of the Company and the issue of Options to them will constitute a financial benefit.

An exception to the requirement to obtain shareholder approval in accordance with Chapter 2E applies where the financial benefit constitutes part of the related party's "reasonable remuneration".

The Board, with each Director abstaining upon the consideration of the Option grant to themselves, has determined that the grant of options to the Directors and any issue of Shares upon the exercise of Options constitutes part of their reasonable remuneration.

In reaching this conclusion, the Board has had regard to a variety of factors including each Directors' current remuneration and market practice for the remuneration offered to persons in comparable positions at comparable companies.

A copy of the full terms of the Plan, as summarised above, is available to Shareholders of the Company, free of charge, on request.

- (a) **Eligibility**
Any employee, consultant or Director of the Company may be declared by the Board, in its sole and absolute discretion, to be eligible to participate in the Employee Incentive Plan (**Eligible Participant**).
- (b) **Consideration**
Unless the Board otherwise determines, an Eligible Participant will not be required to make any payment in consideration for the grant of an Employee Incentive under the Employee Incentive Plan.
- (c) **Maximum allocation**
The Employee Incentive Plan provides a limit on the number of Employee Incentives that can be issued under the plan such that an issue of an Employee Incentive must not result in the number of Plan Shares, Employee Options or Employee Performance Rights, in aggregate, in the previous three years exceeding 10% of the total number of Shares and Options on issue.
- (d) **Employee Loans**
The Employee Incentive Plan also provides that the Board may, in its discretion, elect to provide an Eligible Participant with a limited recourse, interest free loan for an amount equal to the issue price of any Plan Share to enable the Eligible Participant to subscribe for Plan Shares. These loans are repayable:
- (i) upon the Employee ceasing to be employed by the Company; or
 - (ii) 30 days after the Company elects (by act or omission) not to buy back the relevant Shares where it has the right to do so; or
 - (iii) The Employee otherwise disposes of the Shares.
- In the event the Eligible Participant defaults on their obligation to repay the loan, the Company's only recourse is to sell the relevant Plan Shares or dispose of any number of Plan Shares to repay the outstanding amount and the costs of the sale or disposal.
- (e) **Terms of Plan Shares**
The rights attaching to the Plan Shares are the same as Shares. The terms of the EIP will
- prevail to the extent of any inconsistency with those rights.
- (f) **Terms of Employee Options and Performance Rights**
- (i) **Employee Options**
Exercise Price, Expiry Date and Entitlement
Each Employee Option shall have an exercise price (Exercise Price) and expiry date (**Expiry Date**) determined by the Company at the time of issue of the Employee Options.
Each Employee Option entitles the holder (**Employee Optionholder**) to subscribe for one Share on payment of the Exercise Price.
Vesting Conditions and Exercise Period
The Employee Options may be subject to vesting conditions (**Vesting Conditions**), including time elapsed from the date of Quotation. Each Employee Option is exercisable from the date of satisfaction or of waiver by the Board of the relevant Vesting Conditions and before the Expiry Date (**Exercise Period**).
 - (ii) **Employee Performance Rights**
Performance Condition and Performance Period
Each Employee Performance Right will entitle an Eligible Participant (**Performance Rightsholder**) to be automatically issued one Share upon the satisfaction of the Performance Criteria.
The Employee Performance Rights may be subject to performance criteria (**Performance Criteria**) which must be satisfied during a period specified by the Board of the Company (**Performance Period**).
 - (iii) **Shares issued on exercise**
Shares issued upon exercise of an Employee Option or an Employee Performance Right will rank equally with the Shares of the Company and third party interests and the Company

- will apply to ASX for quotation of the Shares.

- There are no participation rights or entitlements inherent in the Employee Options nor the Employee Performance Rights and Employee Optionholders and Performance Rightsholders will not be entitled to vote, receive any dividends or participate in new issues of capital offered to Shareholders during the currency of the Employee Options and the Employee Performance Rights unless and until the Employee Options have been exercised or the Performance Criteria has been satisfied and the Performance Rightsholder is issued Shares.
- (v) Adjustment for bonus issues of Shares
- If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment):

- (B) no change will be made to the Exercise Price.
- (vi) Adjustment for rights issue
- If the Company makes an issue of Shares pro rata to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) the Exercise Price of an Employee Option will be reduced according to the formula in Listing Rule 6.22 so that the Holder does not suffer any detriment as a result of the pro rata issue.
- (vii) Adjustment for reorganisation
- If there is any reorganisation of the issued share capital of the Company, the rights of the Holders of Employee Options will be varied to comply the Listing Rules which apply to the reorganisation at the time of the reorganisation.
- The number of Employee Performance Rights held by an Employee may, in the discretion of the Board, be determined to be such number as appropriate and so that the Employee does not suffer any material detriment following any variation in the share capital of the Company arising from a reorganisation of the share capital.
- (viii) Non-Transferable and No Quotation
- The Employee Options are non-transferable but the Employee may nominate a Related Party of the Employee Optionholder to hold the Options subject Board approval. Employee Options will not be quoted. The Employee Performance Rights are non-transferable and are unquoted securities.
