English: <https://portal.metaplanet.jp/en/events/japan-bitcoin-future-forum>

* The above URLs will be made available on the Company's website from 10:00 a.m. on Friday, January 30, 2026

6. Event Overview

This event is a forum held under the themes "From Japan to the Future" and "From Corporate Finance to National Strategy" providing a platform for discussion on domestic and international trends surrounding Bitcoin and digital assets from the perspectives of corporate management and finance. Through this forum the Company and Bitcoin Japan™ aim to go beyond individual case studies and offer a venue for the exchange of views on the future of Japanese companies and the Japanese economy from a medium- to long-term perspective taking into account changes in industrial structures and capital strategies. The forum is intended to facilitate multifaceted discussions among corporate representatives experts and international participants on the latest developments in digital technology and financial fields as well as on potential approaches to enhancing Japan's competitiveness.

7. Schedule and Speakers

Details regarding the schedule and speakers will be announced sequentially on the official website.
