Aristocrat Group Corporation Establishes Rasta Bob Coconut Rum Brand Platform Through Affiliated Entity

Bellaire, Texas, February 11, 2026 — Aristocrat Group Corporation (OTC: ASCC) (“Aristocrat” or the “Company”) today announced that it has established control of the Rasta Bob Coconut Rum brand through its affiliated holding company, TD Spirits Holding Company LLC, positioning the brand for expansion within the U.S. premium spirits market.

Under the newly completed structure, TD Spirits Holding Company LLC has acquired all brand rights, intellectual property, and associated goodwill related to Rasta Bob Coconut Rum. Production of the brand will continue under a contract distilling arrangement with a Texas-based distillery, ensuring uninterrupted supply while providing the Company flexibility to transition production in-house in the future.

Aristocrat Group Corporation will support the brand through strategic oversight, marketing, distribution development, and brand management pursuant to an intercompany services and intellectual property license agreement.

“This structure gives us immediate brand control while maintaining operational flexibility,” said a spokesperson for Aristocrat Group Corporation. “Rasta Bob Coconut Rum is a strong lifestyle-driven brand, and we believe this framework positions it well for disciplined growth, expanded distribution, and long-term value creation.”

The Company emphasized that the brand ownership and production structure complies with applicable state and federal alcohol regulations, including Texas three-tier requirements.

Aristocrat Group Corporation intends to pursue trademark protection and additional brand development initiatives in the coming months.
